

# Public Works Civil Engineering

## Pre-Bid Attendees

**Project Name** Keowee Street Pump Station Rehabilitation (15% MBE Participation)

**Estimated Cost** \$0.00

**Estimated Completion**

**Pre-Bid Date** Tuesday, September 27, 2016

**Project Description** This project consists of the Rehabilitation of the Keowee Street Storm Sewer Pump Station. Work includes removal and replacement of three submersible pumps, including all electrical work; rehabilitation of the existing pump station building, including roof repair; installation of replacement catch basins; and other work necessary to complete the project, including site work. Bypass pumping during construction will be necessary.
