Description

Service Agreement for Mobile Payment Solution for On-Street Parking

Civil Engineering requests permission to enter into a Service Agreement with Passport Parking, Inc. for a mobile payment solution for on street parking. As one of five vendors to respond to RFP No. 04072017, Passport scored the highest and was recommended by a cross departmental team of staff as the vendor of choice.

This agreement will not require any additional meter infrastructure but will offer an additional payment option and greater flexibility to parking customers utilizing our on-street parking system in the downtown area. It will also not cost the City any additional expense; parking customers will pay $.30 per transaction fee to Passport for utilizing their mobile application. At the guidance of both our Finance Department and Internal Auditor, the contract and CMR is designed with both expenses and revenue to the City and an internal process is being established to capture the associated monthly revenue and expense generated through Passport.

An adoption rate of 15% has been modeled to estimate associated revenue with a best estimate at revenue growth from 2022 to 2023. Estimates are as follows:

<table>
<thead>
<tr>

</tr>
<tr>
<td>FY 2023</td>
<td>$100,000.00</td>
<td>$40,000.00</td>
</tr>
</tbody>
</table>

Implementation is estimated to take eight to ten weeks, beginning once the agreement is executed. The program should go live in November 2021. This contract will begin upon execution and will expire December 31, 2023.

The Department of Law has reviewed and approved this Agreement as to form and correctness.

A Certificate of Funds in the amount of $10,000.00 and Certificate of Revenue are attached.

PROFESSIONAL SERVICES AGREEMENT

THIS PROFESSIONAL SERVICES AGREEMENT ("Agreement") is made and entered between the City of Dayton, Ohio ("City"), a municipal corporation in and of the State of Ohio, and Passport Parking, Inc. ("Passport"), with an office located at 128 S. Tryon Street, Suite 2200, Charlotte, NC 28202 on this ______ day of ________ 2021

WITNESSETH THAT:

WHEREAS, The City has a desire to provide a mechanism to its citizens where they can pay for their on-street, metered parking on mobile devices; and,

WHEREAS, Passport is experienced and capable of providing such mobile parking solutions and the City desires to utilize Passport for such services; and,

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth below, the parties agree as follows:

SECTION 1. PASSPORT

Passport is a transportation software company that is reinventing how cities are managing vehicle interactions with streets and sidewalks. They now have a total of 1,265 clients using their software to bring tech-enabled innovation to streets and sidewalks—changing the dynamics of traditional city parking by digitizing operations and integrating a system that offers more mobile payment optionality.

Through strong partnerships with their clients, Passport affects meaningful change by improving the way people move within their communities. The pace of innovation they have set is complemented by their dedication to client success and customer support, all of which aim to advance the way citizens interact with the organizations who serve them. Passport creates products that aim to transform the way cities and agencies manage their operations—from parking to tolling and transit.

Passport Parking, the mobile payment application for parking powered by Passport, allows users to pay for parking at coin-only or coin & credit card enabled meters through a smart phone session; money never has to be touched and a credit card never has to be swiped. Once the free application is downloaded, users create an account, choose a parking zone, and enter the vehicle license plate number to begin a parking session.

SECTION 2. SCOPE OF SERVICES

Passport will provide services (the “Services”), as further described in the attached Exhibit A, and license all software, including all web and mobile applications and related documentation, (the “Software”) necessary for the City to operate a mobile payment for parking program (“MPP”) which allows all parking customers at any meter on the street owned or managed by the City (the “Premises”) the ability to pay for parking using a smartphone application or mobile web application. In the future, this scope could expand to include the ability to pay for parking at
any city-owned parking facility /structure. Passport shall perform the Services in a competent, professional, and workmanlike manner consistent with industry practices.

Passport will maintain all permits, certificates and licenses required by applicable law and Passport’s employees performing the services will be fully qualified, licensed as required, and skilled to perform the services. Passport warrants that it has the power to enter into and perform this Agreement and that it will at all times during the term of this Agreement be, duly organized, validly existing and in good standing under the laws of the state of Ohio.

Passport will provide the option for local merchants to validate parking on the Premises. Each merchant that wishes to issue validation codes to parking customers in the Premises will be required to create a prepaid account out of which validation payments will be made. Passport will be the merchant of record for these accounts, and any parking fees (excluding Passport per transaction fees) paid through validation by local merchants will be transferred to City in the form of bill credits each month.

The City will be solely responsible for installing all signs and decals on the Premises. This obligation includes the responsibility to provide all hardware necessary to affix and display signs and decals, including without limitation, all hooks, poles, posts, brackets, screws, bolts, and nuts. Passport shall print, supply, and provide all of the signage and decals at no expense to the City.

SECTION 3. PAYMENT

The City has selected Option B from the Pricing Structure attached hereto and incorporated herein as Exhibit B. As such, the City shall not be responsible for paying any fees to Passport. Each parking customer shall pay a Zero Dollars and Thirty Cent ($0.30) / transaction fee on each mobile payment transaction that shall go to Passport. The remainder of the parking customer’s meter payment shall be remitted to the City by daily settlements, less charge backs or refunds within 3 business days by Passport, in accordance with details provided in the Exhibit B. Passport hereby agrees to waive their monthly fee as well as their Back Office Fee.

SECTION 4. ASSIGNMENT AND LIMITATIONS ON SUBCONTRACTING

A. Restriction against assignment. The City is relying upon the professional skill and experience of Passport. Therefore, assignment of this Agreement by Passport is prohibited without the prior written consent of the City. Provided, however, that Passport may, with the consent of the City, such consent shall not be unreasonably withheld, , assign this Agreement and its rights and delegate its obligations hereunder in connection with the transfer or sale of all or substantially all of its assets or business related to this Agreement, or in the event of its merger, consolidation, change in control or similar transaction. Any permitted assignee shall assume all assigned obligations of its assignor under this Agreement. Any purported assignment in violation of this section shall be void and of no effect. Passport shall promptly notify the City of such transfer or sale and, where necessary, a formal assignment of the Contract must be executed by both parties, providing the new entity’s name and Federal Tax ID Number.

B. Limitations on subcontracting. Because the City is relying upon the professional skill and experience of Passport, no part of the professional services to be provided hereunder may be subcontracted by Passport to other organizations or subcontractors without the prior written
consent of the City. Any such consent shall be deemed to require, even though not stated in the consent language, that a written contract be used between Passport and such a consented-to subcontractor or subcontractors, that such a contract be approved in advance by the City and contain, unless waived by the City, provisions similar or identical to those in this Agreement. Passport shall, at all times, remain primarily responsible for the Services and duties it may delegate to any subcontractors as Passport is for its own performance. The mere fact that Passport used reasonable care in selecting the subcontractors shall not relieve its primary responsibility nor shall consent by the City to part of the Services being subcontracted to a subcontractors or approval of the terms of a contract with a subcontractors relieve Passport’s primary responsibility for the professional services.

SECTION 5. TERMINATION

1.1.1. A. Termination of Agreement for Cause. If, through any cause, Passport fails to fulfill in a timely and proper manner its obligations under this Agreement, or if Passport defaults in the performance of any terms or conditions of this Agreement, the City shall have the right to terminate this Agreement if Passport fails to cure such default within thirty (30) days of written notice from the City by giving written notice to Passport specifying the effective date of the termination, at least five (5) days before such effective date. In the event of such termination, Passport will be paid for the Services actually performed and reasonable expenses incurred up to the effective date of termination. Passport may terminate this Agreement and all licenses granted hereunder upon notice to City in the event that City fails to make full payment when due of any amount required to be paid by City under this Agreement within thirty (30) calendar days of Passport’s written notice of such failure to pay.

B. Reserved.

SECTION 6. TERM

This Agreement shall commence upon full execution of this Agreement by the City and it shall expire on December 31, 2023, unless earlier terminated or extended by mutual written agreement and, if necessary, approved by the Commission of the City of Dayton.

The City shall have the option to renew this Agreement for a total of three (3) two-year (2) terms upon providing notice to Passport thirty (30) days prior to the end of the then-current term.

SECTION 7. DISPUTE RESOLUTION

A. Mediation Period. If during the term of this Agreement the parties are unable to resolve a dispute or controversy among themselves, prior to instituting any court action the parties shall first try, in good faith, to settle the dispute by non-binding mediation. All mediation proceedings shall take place in Montgomery County, Ohio.

B. In the event a dispute arises that cannot be resolved through mediation, and one or both parties seek relief through the court, both parties agree to waive their right to a jury trial and to seek relief in accordance with Section 13.F. of this Agreement.
SECTION 8. INSURANCE

Passport shall, at its expense, maintain with an insurance company authorized to do business in the State of Ohio and having at least an “A” rating from A.M. Best, no less than the following insurance:

A. Professional Liability/Errors and Omissions Insurance, with a One Million Dollar ($1,000,000) annual aggregate. This annual aggregate amount requirement for professional liability / errors and omissions may be met on a combined basis, i.e., by combining such insurance maintained by Passport with similar insurance maintained by any subcontractors (to the extent that a sub-Passport is consented to by the City through the process described above in this Agreement).

B. General Liability Insurance, with a combined single limit of One Million Dollars ($1,000,000) per occurrence and One Million Dollars ($1,000,000) in the aggregate. This policy shall name the City of Dayton, Ohio and its elected officials, officers, agents, and employees as additional insureds.

Passport shall also maintain Workers’ Compensation Insurance in such amounts as prescribed by law. All policy/policies of insurance to be maintained by Passport pursuant to this Section, excluding Workers’ Compensation Insurance, shall provide that the insurance may not be reduced, decreased, cancelled or terminated without thirty (30) days prior written notice to the City. Upon execution of this Agreement, Passport shall furnish the City with a copy of certificates of insurance demonstrating compliance with this Section. Passport shall also provide, upon the City’s request, complete copies of any insurance policies required hereunder.

SECTION 9. PCI

Passport represents and warrants that, for the entirety of any agreement resulting from this solicitation that involves processing credit and/or debit card revenue transactions on behalf of the City of Dayton that the solution is clearly defined to warrant the following:

1. All computer software, hardware, firmware, payment card processing policies, procedures and related services proposed to be utilized to process City of Dayton revenue transactions shall be:
   a. Completed by a qualified professional payment card processing firm acceptable and approved by the City of Dayton; and,

2. Passport shall provide and agrees to maintain the PCI compliance reporting Attestation of Compliance (“AOC”) Form(s) in its/their latest version(s), or within the year of record as requested and/or in an annual transmittal to the City of Dayton. (https://www.pcisecuritystandards.org/documents/PCI-DSS-v3_2-AOC-Merchant.docx?agreement=true&time=1493826893795 or https://www.pcisecuritystandards.org/documents/PCI-DSS-v3-AOC-Officer.docx?agreement=true&time=1493826893795).

3. Passport, reviewed, understands and hereby acknowledges and affirms that its offer to the City of Dayton satisfies these requirements and shall continue to satisfy these requirements.
for the duration of any resulting agreement; current and relevant AOC’s are attached to demonstrate satisfaction of these requirements at the time of offer to the City of Dayton.

4. SECTION 10. CONFLICT OF INTEREST

The City recognizes that Passport does not provide services exclusively to the City. During the term of this Agreement, Passport agrees not to accept employment, or to perform for or on behalf of another client for which a conflict of interest between the City and Passport would be created, without the prior written consent of the City and Passport. Assisting other communities with grant or loan applications that may be in competition with the City is not considered a conflict of interest, but Passport will disclose, subject to confidentiality obligations, any such projects to the City prior to accepting the engagement.

SECTION 11. INDEMNIFICATION

To the full extent permitted by law, Passport shall indemnify, defend and hold harmless the City and its elected officials, officers, agents, and employees from and against all third party claims, demands, losses, and expenses, including but not limited to reasonable attorneys’ fees, to the extent arising out of or resulting in whole or in part from any negligent act or omission, and/or from any failure to perform Passport's duties under this Agreement, attributable to Passport its employees, agents, and subcontractors, and any other person or entity for whose conduct Passport may be liable under Ohio law.

SECTION 12. RECORDS

5. Passport shall use Generally Accepted Accounting Principles (“GAAP”) in recording and documenting all costs and expenditures related in whole or part to the performance of this Agreement. Such costs and expenditures shall be supported by time records, invoices, contracts, vouchers, or other accounting documents pertaining in whole or in part to this Agreement and shall be clearly identified and readily accessible to the City. At any time during normal business hours and as often as the City may deem necessary, Passport shall make available to the City and/or its designees all of its records with respect to all matters covered under this Agreement. Passport will permit the City and/or its designees to audit, examine, and make excerpts or transcripts from such records. Passport shall be SSAE 18 or higher compliant and shall provide either an SOC 1 or SOC 2 Report, as requested by the City of Dayton.

If Passport performs an independent audit of business financial records, Passport shall require the company or auditor to comply with all applicable GAAP standards that have been developed by the American Institute of Certified Public Accountants.

SECTION 13. MISCELLANEOUS

A. Non-Discrimination. Passport shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, ancestry, national origin, place of birth, age, marital status, or handicap with respect to employment,
upgrading, demotion, transfer, recruitment or recruitment advertising, lay-off, termination, rates of pay or other forms of compensation, or selection for training, including apprenticeship. It is expressly agreed and understood that Section 35.14 of the Revised Code of General Ordinances of the City of Dayton constitutes a material condition of this Agreement as fully and as if specifically rewritten herein and that failure to comply therewith shall constitute a breach thereof entitling the City to terminate this Agreement at its option.

B. Remedies. The remedies provided in this Agreement are cumulative. Delay or forbearance in the enforcement of any right under this Agreement shall not be deemed a waiver of, or estoppel against the exercise of such right.

C. Entire Agreement. This Agreement, together with all Exhibits referred to herein, represents the entire and integrated Agreement between the City and Passport and supersedes all prior negotiations, representations, and Agreements regarding the subject hereof, whether oral or written.

D. Independent Contractor Status. By executing this Agreement for professional services, Passport acknowledges and agrees that it will be providing services to the City as an "independent contractor." As an independent contractor for the City, Passport shall be prohibited from representing or allowing others to construe the parties' relationship in a manner inconsistent with this subsection. Passport shall have no authority to assume or create any obligation on behalf of, or in the name of the City, without the express prior written approval of a duly authorized representative of the City.

Passport, its employees and any approved subcontractors performing the duties and responsibilities under this Agreement are not City employees, and therefore, such persons shall not be entitled to, nor will they make a claim for, any of the emoluments of employment with the City. Further, Passport shall be responsible to withhold and pay, or cause such agents and subcontractors to withhold and pay, all applicable local, state and federal taxes.

Consultant acknowledges its employees are not public employees for purposes of Ohio Public Employees Retirement System ("OPERS") membership.

E. Amendment. This Agreement may be amended by mutual agreement between the City and Passport. Any such amendment shall be reduced to a writing, which makes specific reference to this Agreement, approved by the Director of Finance or designee, executed by a duly authorized representative of each party and, if applicable or required, approved by the Commission of the City of Dayton, Ohio.

F. Applicable Law and Venue. This Agreement shall be governed and construed under the laws of the State of Ohio. By execution hereof, Passport irrevocably submits to the original jurisdiction of the courts located within the County of Montgomery, State of Ohio, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement.

G. Political Contributions. Passport affirms and certifies that it complies with Ohio Revised Code § 3517.13 limiting political contributions.
H. Notices. Any notice required under this Agreement shall be deemed to have been given on the
date actually received or forty-eight (48) hours having been deposited in the United States mail,
postage prepaid, registered or certified, and addressed to the parties as set forth below,
whichever occurs earlier. Either party may change its address from time to time by written
notice given in this manner.

EXHIBIT A

1. Product Updates

Any system-wide improvements or modifications made by Passport to the Software will, when available, be provided to City at no charge to City and will automatically be subject to the terms of this Agreement. City may request new features or functionality to be built into the system, and, to the extent that Passport plans to incorporate such requested new features or functionality into the Software, Passport will develop such features and functionality at no cost to the City pursuant to Passport’s development timeline. If the City desires to expedite such development, Passport may, in its sole discretion, charge City a one-time expedite fee of two hundred dollars ($200.00) per development hour necessary to develop the requested features or functionality, provided, however, that Passport shall first notify City and receive written approval from City to proceed. If the City’s requested features or functionality are created for the City’s use and Passport does not plan to incorporate such requested features into the Software, Passport may, in its sole discretion, charge City a one-time custom development fee of two hundred and fifty dollars ($250.00) per hour for the development of such features or functionality, provided, however, that Passport shall first notify City and receive written approval from City to proceed.

In addition to or in lieu of the fees set forth in this section, the parties may establish a monthly software license or maintenance fee that will be mutually agreed between the parties in a separate written addendum to this Agreement.

2. Additional Passport Services

Passport provides all of the following software platforms as part of its overall technology portfolio: mobile payments for parking, citation management, digital permits, and mobile payments for transit. City may request the addition of any of these platforms to the extent not provided by Passport to City as of the Effective Date, and any additional platforms developed by Passport from and after the Effective Date, which shall be memorialized in a mutually agreed upon addendum to this Agreement including the fees applicable to such platform(s) and any additional applicable service or legal terms.

3. Scheduled Maintenance

If Passport plans to perform any scheduled maintenance during business hours, Passport will provide notice to City at least twenty-four (24) hours in advance of the commencement of such scheduled maintenance. For the purpose of this section, “business hours” means Monday through Friday between 9 am and 5 pm EDT. In the event that Passport determines that unscheduled maintenance is necessary, Passport will give City as much advance notice as is reasonably practicable, unless such unscheduled maintenance is necessitated by emergency circumstances for which it would be unfeasible or impossible to notify City in advance.

4. System Uptime; Billing Credits

Passport will provide the Software with uptime of at least ninety-nine percent (99.0%) calculated over a rolling six-month period (“Uptime Guarantee”). For any month during which system uptime drops below the Uptime Guarantee, Passport will provide a billing credit in an amount
equal to the percentage difference between a) the lowest uptime reached at any point during the month (calculated on a rolling six month period) and b) the Uptime Guarantee, multiplied by the total fees payable to Passport for such month. For example, if during a given month the software uptime falls to ninety-five percent (95.0%) and if during that month the fees payable to Passport were one hundred dollars ($100.00), Passport will issue a billing credit of four dollars ($4.00). For the purposes of this agreement, uptime is defined as any period of time during which end users of the Software can use the Software.

5. Service Levels

Subject to the uptime guarantee set forth in Section 4, Passport’s sole and exclusive obligation in the event of an error or interruption of the Software is to use its best efforts to restore or repair the Software as quickly as practicable.

6. Technical Support

**End User Support.** For MPP Service Passport shall provide initial support, including inquiries via telephone and email, for End Users. Passport emphasizes in-app support for mobile users as first course of action for End Users, with email and phone inquiries supported as secondary courses of action when necessary. Passport’s End User support team is available seven (7) days a week between the hours of 8:00 a.m. to 9:00 p.m. ET at 704-817-2500 or via email at [support@passportinc.com](mailto:). City should not display Passport’s support phone numbers (or other direct contact information for Passport) on any marketing or signage visible by End User.

7. Data Rights

This Section shall govern the rights of Passport and City, as the case may be, with respect to the data that is subject to this Agreement. Passport will, by provisions in its privacy policy or otherwise, procure from such end users all such lawful consents and rights necessary to grant to City the rights in such data as stated in this Section. Passport’s privacy policy, as it may be updated from time to time, can be viewed at [www.passportinc.com/privacy-policy](http://www.passportinc.com/privacy-policy). Additionally, it is agreed that is required that all products and Services provided including data processing, storage, and retrieval of any data must comply with and be governed by the applicable data protection and privacy laws and provisions of the United States of America.

A. Operational data is data specific to the City’s operation that is provided by City to Passport to be used in the providing of services. Operational data is specific to the City’s operation, which is not available to Passport publicly or by other means. Operational data may include, but is not limited to, zone information, rate information, operational schedules, business metrics, relevant details of partner agreements. In each case, Operational data may refer to past, present, or future states of such items.

Operational data is the sole and exclusive property of the City. The City grants Passport a perpetual, royalty-free, and non-exclusive, license to Operational data, provided that such license shall terminate with the expiration or early termination of this Agreement.

B. Payment Card Industry-Data Security Standard Information (“PCI-DSS Information”) consists of the following items, each as defined by the then-current Payment Card
Industry Data Security Standards ("PCI-DSS"): Account Data; Cardholder Data; Primary Account Number; and Sensitive Authentication Data.

Passport represents and warrants that, for the entirety of any agreement resulting from this solicitation that involves processing credit and/or debit card revenue transactions on behalf of the City of Dayton that the solution is clearly defined to warrant the following:

1. All computer software, hardware, firmware, payment card processing policies, procedures and related services proposed to be utilized to process City of Dayton revenue transactions shall be:
   a. Completed by a qualified professional payment card processing firm acceptable and approved by the City of Dayton; and,

2. Passport shall provide and agrees to maintain the PCI compliance reporting Attestation of Compliance ("AOC") Form(s) in its/their latest version(s), or within the year of record as requested and/or in an annual transmittal to the City of Dayton. (https://www.pcisecuritystandards.org/documents/PCI-DSS-v3_2-AOC-Merchant.docx?agreement=true&time=1493826893795 or https://www.pcisecuritystandards.org/documents/PCI-DSS-v3-AOC-Offeror.docx?agreement=true&time=1493826893795).

3. Passport, reviewed, understands and hereby acknowledges and affirms that its offer to the City of Dayton satisfies these requirements and shall continue to satisfy these requirements for the duration of any resulting agreement; current and relevant AOC’s are attached to demonstrate satisfaction of these requirements at the time of offer to the City of Dayton.

Passport acquires a license or sublicense to the PCI-DSS Information from end users who share such data with Passport in connection with their use of the Software. Passport must secure such data in accordance with PCI-DSS. As such, Passport may not grant City derivative rights to such PCI-DSS Information and Passport shall not be required to disclose such PCI-DSS Information to City.

C. Personal identifiable information ("PII") is any representation of information that permits the identity of an individual to whom the information applies to be reasonably determined or inferred by either direct or indirect means. Name, address, social security number or other identifying number or code, telephone number, or email address directly identify individuals. Certain data elements—including gender, race, birth date, geographic indicator (such as zip code or postal code), and other descriptors—can be used in conjunction or with other data elements to indirectly identify individuals. Information permitting the physical or online contacting of a specific individual (e.g., IP address) is also personally identifiable information.

End users of Passport’s Software own PII and license it to Passport pursuant to Passport’s privacy policy, as it may be amended from time to time. Passport may sublicense PII to the City under certain conditions (including but not limited to the City’s compliance with information security controls and applicable regulations) that shall be memorialized separately if and when applicable.
D. Activity data is any data generated in the providing of services under this agreement by Passport to City and by end users’ interactions with the services or with Passport directly that is not otherwise PCI-DSS information or PII as defined above. Activity data may include, but is not limited to, user interaction data, geolocation data, opt-in/opt-out status (including compliance logs), purchase and session data, application diagnostic data, service performance data, and support data. Data that is derived from Activity data is also Activity data. Activity data is the sole and exclusive property of Passport. Passport grants the City an irrevocable, royalty-free, non-exclusive, non-assignable, and non-transferrable license to Activity data for the duration of the term of this Agreement and only to the extent and in the format that Passport chooses in its sole discretion to expose such data through its administrative portal or as otherwise agreed upon with the City and only for the City’s internal use in connection with the services provided under this Agreement.

8. Intellectual Property

A. Passport grants City a revocable, non-exclusive, non-assignable, non-transferrable, and non-subleaseable right and license to use and access the Software only for its internal business purposes for the duration of the Term. All intellectual property rights including, without limitation, trade names, source code, trademarks, copyrights, patents, and trade secrets, not explicitly granted to City in this agreement are reserved to Passport.

B. City will not, directly, indirectly, alone, or with another party, (i) copy, disassemble, reverse engineer, or decompile the software or any subpart thereof; (ii) modify, create derivative works based upon, or translate the software or source code; (iii) transfer or otherwise grant any rights in the software or source code in any form to any other party; (iv) attempt to do any of the foregoing or cause or permit any third party to do or attempt to do any of the foregoing, except as expressly permitted hereunder.

9. Publicity; Use of Names and Marks

Subject to the provisions of Section 13 (Confidentiality) below, the parties will have the right to publicly disclose that Passport is City’s provider of the Software as set forth herein by means of, by way of illustration and not limitation, news releases, public announcements, or other forms of publicity.

Passport may use the name or marks of City, or reference the fact that City is a client of Passport, for business development purposes, as part of a portfolio or work, or in an illustrative list of clients.

10. Payment Gateway

Passport shall provide payment gateway services and Exhibit C contains a list of other payment gateways supported by Passport.

11. Refunds
Passport agrees to forgo or return, as applicable, its per transaction fees for any refund granted by City. City will be responsible for reimbursing Passport for all merchant processing fees, including payment gateway fees, settlement fees, and interchange reimbursement fees, if any, incurred by Passport for all transactions, including refunded transactions.

12. Capacity

City represents and warrants that it has obtained or will obtain all applicable governmental approvals, authorizations, or licenses necessary to enter into this Agreement. City further represents and warrants its signatory is duly authorized to bind City to the terms herein.

13. Confidentiality

A. City and Passport agree to treat this Agreement and all information furnished, or to be furnished, by or on behalf of the other party and information analyses, summaries and other work product derived from such information (collectively, the “Confidential Information”) in accordance with the provisions of this section and to take, or abstain from taking, all actions set forth herein. Each party, as a receiving party, will do the following things with regard to the Confidential Information of the other party:

i. Prevent the disclosure of the Confidential Information by the receiving party and each of the receiving party’s employees, agents, and/or professionals to any third party other than as permitted under this Agreement;
ii. Use, and permit the use of, the Confidential Information only for the purposes of providing, or enjoying the benefit of, the goods, services, and/or software provided for in this Agreement (the “Purpose”);
iii. Disclose the Confidential Information only to such of the receiving party’s employees, agents, and professionals as have a bona fide need to possess or know the Confidential Information in the course of accomplishing, or advising the disclosing party with regard to, the Purpose;
iv. Cause each employee, agent, or professional to whom the receiving party discloses the Confidential Information to be bound by an obligation of confidentiality that is at least as rigorous as the obligations contained in this Agreement; and,
v. Return or destroy all written or other tangible copies of Confidential Information in the receiving party’s possession or direct or indirect control, including all extracts and copies thereof, within a reasonable time after, and in accordance with, the disclosing party’s request.

B. Nothing in this Agreement will prevent the receiving party from disclosing or using Confidential Information to the extent that:

i. It is or becomes readily ascertainable by proper means by the public without any breach of a confidentiality obligation of the receiving party;
ii. It is received from a third party that is not under an obligation of confidentiality of which the receiving party knew or had reason to know;
iii. It was independently developed by the receiving party without use of the Confidential Information; or.
iv. It is required by law to be disclosed, provided that the receiving party provides to the disclosing party as much notice as is practicable under the circumstances of such requirement prior to disclosure and provides to the disclosing party, at the disclosing party’s expense, such reasonable assistance as the disclosing party requests in seeking confidential treatment, protective orders, nondisclosure, and/or similar measures.

For the avoidance of doubt, none of the requirements of this Section shall prohibit City from disclosing Confidential Information to the extent that such information is required to be disclosed pursuant to any open records law, open meetings law, or any other local public disclosure law applicable to City.

14. Cooperative Purchasing

City will allow any public agency located in the United States to purchase, and Passport to offer to such public agency or agencies, the Software at the same price and under the same conditions agreed upon in this Agreement without any competitive bidding on the part of such public agency or agencies, to the extent permitted by law. Each such public agency will execute its own contract directly with Passport and City shall not incur any responsibility—financial or otherwise—in connection therewith.

15. Force Majeure

Neither Passport nor City will be held liable for any delay or omission in performance of their duties under this Agreement resulting from causes beyond their reasonable control, including, for the sake of illustration and not limitation, labor strikes, acts of god, acts of the public enemy, fires, natural disasters, wars, or riots (each a “force majeure event”).

16. Contractual Silence

To the extent this Agreement fails to address a condition, obligation, benefit, or other term necessary to sufficiently define the relationship between the parties or a disagreement or conflict regarding the interpretation or construction of this Agreement arises, the parties agree to reasonably cooperate to draft a mutually agreeable amendment that clarifies the duties, rights, and obligations of the parties under this Agreement.

17. Third Party Providers

In order to expand the management data available to City and to improve access and the user experience for a broader group of individuals wishing to pay for parking and engage in related transactions via channels other than the MPP provided by Passport, Passport may, at its option, allow the use of third-party provider’s (each a “Third Party Provider”) interfaces for initiating parking transactions or to enhance the mobility experience, including any and all possible methods available to parkers to request the right to access and occupy a parking space or otherwise-denominated curb space for any period of time (in accordance with City’s applicable rates, rules, ordinances, and regulations). Passport shall notify the City of which Third Party Provider it is working with. Such interfaces will include, but not be limited to, in-dash vehicle systems, navigation systems (whether in-dash or smartphone-based), business intelligence
solutions, and mobile payments for parking applications other than Passport’s MPP (each an “Interface”).

Should Passport exercise this option, such Third Party Provider(s) shall contract directly with Passport to establish the integrations necessary for Passport to facilitate all mobile payments for parking sessions and related transactions for the Third Party Provider(s) and its end users. The term “facilitate” includes, but is not limited to: (a) all tasks related to parking rights management, including the calculation of parking session prices, (b) the management of rates, rules, and restrictions and zones, spaces, or other units of parking or curbside inventory; (c) transactional reporting; (d) tasks related to transmission of parking rights data to parking enforcement systems and any data processing systems; (e) tasks related to refund issuance, parking rule management, reconciliation of funds, invoicing, and other administrative functions; and (f) all back-office management interfacing necessary to manage the foregoing and all other tasks necessary or desirable for Passport to effectively manage the issuance and processing of parking rights on behalf of City (the “Shared Services”). For parking transactions initiated via a Third Party Provider’s Interface, payment processing must be conducted by Passport.

Notwithstanding anything to the contrary in the Agreement, Passport may share Operational Data with Third Party Providers to the extent necessary to enable the Shared Services.

City acknowledges and agrees that a Third Party Provider may configure and control the feature set of its own Interface so long as it is capable of performing the functions required to interact with Passport’s platform and execute parking transactions as designated in the scope of work. City further acknowledges and agrees that certain data received from Third Party Providers may be more limited than what Passport can provide to City as City’s MPP provider and may need to be provided, if at all, on an aggregated and/or anonymized basis; Passport shall, however, use commercially reasonable efforts to supply such data as may be reasonably requested by City for its internal purposes.

To utilize the Shared Services, each Third Party Provider will be required to integrate with application programming interface endpoints provided by Passport, which cannot be accessed or utilized by such Third Party Provider prior to the execution of a standalone contract with Passport governing the access, use, pricing, disclosure, and governance of the Shared Services consistent with the foregoing paragraphs and as otherwise determined by Passport in its sole discretion.

Except in the case of Third-Party Providers pursuant to the foregoing paragraphs, Passport shall be the exclusive mobile payments for parking service provider for City during the term of this Agreement.

18. Additional Terms.

All security breaches that exposes data identified as private or sensitive must be reported within twelve (12) hours of the incident along with steps to fully resolve and limit any issues directly or indirectly resulting from the breach incident(s). Passport will be responsible for full restoration, recovery and repair of any damages attributable to any security breaches of their product or services provided. In addition, Passport must maintain insurance in an amount deemed sufficient by the City of Dayton for full restoration and repair of any damages attributable to any such
security breach(s). The provided service, system and/or application must have the capability to extract data in a timely manner in order to respond to all Public Information requests.

INTERGOVERNMENTAL AGREEMENT

THIS INTERGOVERNMENTAL AGREEMENT (the “Agreement”) is entered into as of the date when the authorized representatives of each of the parties hereto have executed this Agreement, between the CITY OF DAYTON, OHIO (the “City”) and the DAYTON-MONTGOMERY COUNTY PORT AUTHORITY, a port authority and a body both corporate and politic, organized pursuant to the Ohio Revised Code (the “Port Authority”) under the following circumstances:

A. In order to promote and assist in the creation and retention of jobs in the City, the City and the Port Authority have worked cooperatively together on multiple projects. From time to time the City may request that the Port Authority provide certain services related to parcels of real property located in the City, (the “Parcels”).

B. In order for the Port Authority to provide such services, the Port Authority will require the assistance and support of the City.

NOW THEREFORE, in consideration of the mutual benefits and obligations contained herein, the receipt and sufficiency of which are hereby acknowledged by the parties, the parties hereto hereby agree as follows:

1. Parcel(s) Identified. On each occasion when the City locates a Parcel that it wishes to have the Port Authority secure an option to purchase (“Option”), the City will notify the Port Authority in writing, providing information about the Parcel, including:

   A. The location of the Parcel;

   B. The size of the Parcel, including a legal description of the Parcel;

   C. The current owner(s) of the Parcel;

   D. All due diligence type information available on the Parcel, including, but not limited to: environmental reports, title information, photographs, history of the uses of the Parcel and any other information about the Parcel in the City’s possession;

   E. The agreed upon price for the Option one has already been negotiated; and,

   F. An agreed upon budget of costs that are estimated to occur by Port necessary to execute a project.
2. **Obtaining Options**

A. As to each Parcel, after its receipt and review of the information and materials described in Section 1 above, the Port Authority will advise the City in writing if it is willing to secure an Option to purchase the Parcel in question.

B. If a price to be paid to secure an Option on the Parcel has not been agreed in advance between the City and the Parcel owner(s), the City will advise the Port what price to offer to the Parcel’s owner(s) for an Option to purchase, and what, if any due diligence the Port Authority is to perform on the Parcel before taking an Option to purchase it.

C. If the Port Authority is able to come to an agreement with the owner(s) of the Parcel, the Port Authority will proceed to secure an Option as expeditiously as is reasonably possible. In order to effect the purchase of the Option, the City will transfer the option to the Port Authority.

D. The Port Authority will advise the City in writing when the Option is secured.

3. **Assignment of Options** The parties anticipate that any Option obtained by the Port Authority will be assigned to the City or another entity prior to the transfer of any Parcel. The Port Authority will not assign an Option to the City or another entity, except as directed by the City. If the City directs the Port Authority in writing to transfer an Option, it will do so as expeditiously as possible at the price and on the terms directed by the City.

4. **Compensation**

A. Total remuneration in this Agreement shall not exceed Fifty Thousand Dollars and Zero Cents ($50,000.00) for the services provided. The City shall pay the Port Authority as further described below.

B. The City will support the Port Authority by fully funding all costs and expenses of the Port Authority, provided, however, that the Port Authority will not incur any single expense in excess of $500.00 without the prior approval of the City, as legally allowable as the result of its fulfillment of its obligations as described herein, including, but not limited to:

   (i) Any liability for any payments associated with the Parcels;

   (ii) Any liability to any governmental unit for taxes or assessments of any kind levied against the Parcels or against the Port Authority by reason of its involvement with the Parcels;

   (iii) Any costs or expenses incurred by the Port Authority related to environmental conditions on the Parcels;

   (v) The Port Authority’s reasonable counsel fees and costs, associated with the preparation and negotiation of this Agreement and, its reasonable counsel fees and costs
accounting professional fees and the fees and costs incurred by the Port Authority for the services of any independent contractors engaged by the Port Authority related to the process of securing an Option to purchase.

(vi) Any reasonable out-of-pocket costs or expenses incurred by the Port Authority, beyond its counsel fees and costs and independent contractor fees and costs, in performing its obligations as set forth herein.

(vii) Any other costs including but not limited to property and casualty insurance, utilities, maintenance, security, information technology and other incurred costs related to the project.

(viii) In addition to its cost as set forth above, the City will pay to the Port Authority an hourly fee of $150 per hour for actual time incurred by the Port staff for its efforts under this Agreement in managing any projects.

C. In the event that the City proposes to secure an Option for which the negotiated cost of the Option to purchase is Ten Thousand Dollars ($10,000.00) or more, then the City and Port Authority agree the proposed Option Agreement (or similar document) shall be presented to the Dayton City Commission for approval prior to execution. Following such approval, the City shall then pay the either the Port Authority or the Owner/Seller of said property for the Option directly through the City’s customary payment process. The City shall pay the Port Authority for any eligible expenses related to the proposed Option under this Agreement, as described herein.

6. **Invoicing** The Port Authority will submit, not more frequently than monthly, invoices for payment of the Services provided. The invoices shall specify the invoice period, state the total amount requested, detail the work and services performed and hours dedicated to performance of same, and be accompanied by supporting information and records that substantiate the invoice amount. The Port Authority will make available to the City itemized invoices from its counsel and other independent contractors. The City shall pay the invoices within thirty (30) days from receipt thereof, unless disputed.

7. **Assignment** The Port Authority may not assign, directly or indirectly, any of its rights, duties or obligations under this Agreement without the written consent of the City, which may be withheld for any reason. The City may not assign its rights, duties or obligations under this Agreement.

8. **Notices** Any notice required or permitted to be given under the provisions of this Agreement shall be in writing, including by facsimile, and shall be deemed to have been duly delivered and received on the date of personal delivery, on the third day after deposit in the U.S. mail if mailed by registered or certified mail, postage prepaid and return receipt requested, on the day after delivery to a nationally recognized overnight courier service if sent by an overnight delivery service for next day delivery or when dispatched by facsimile transmission (with the facsimile transmission confirmation being deemed conclusive evidence of such dispatch) and shall be

9. Miscellaneous

A. Captions. All titles, captions, and headings contained in this Agreement are for convenience only and shall not be deemed a party of this Agreement.

B. Conflict of Interest: Representatives of City and the Port Authority Not Individually Liable. No official or employee of the City or the Port Authority shall have any personal interest, direct or indirect, in this Agreement, nor shall any such official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interest of any corporation, partnership, or association in which he or she is, directly or indirectly interested. No official or employee of the City or the Port Authority shall be personally liable to any person or entity, in the event of any default or breach by the City or the Port Authority or for any amount or amounts which may become due to any person or entity or any successor or on any obligations under the terms and conditions of this Agreement.
C. **No Waiver.** Any waiver by the parties of any breach of this Agreement shall only be effective if delivered in writing. Such a waiver shall be effective only in the specific instance and for the specific purpose for which it is given and shall not affect the waiving party's rights with respect to any other or further breach.

D. **Time of Essence.** Time is of the essence for all matters of this Agreement herein and the parties shall diligently pursue and complete their obligations hereunder.

E. **Severability.** If any provision of this Agreement is or should become wholly or partially invalid or unenforceable for any reason whatsoever or violate any applicable law, this Agreement is to be considered divisible as to such provision and such provision is to be deleted from this Agreement, and the remainder of this Agreement shall be deemed valid and binding as if such provision were not included herein. There shall be substituted for any such provision deemed to be deleted a suitable provision which, as far as is legally possible, comes nearest to what the parties desired or would have desired according to the sense and purpose of this Agreement had this point been considered when concluding this Agreement.

F. **Governing Law and Venue.** This Agreement shall be governed by the laws of the State of Ohio. By execution hereof, the parties irrevocably submit to the original jurisdiction of the courts located within the County of Montgomery, State of Ohio, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement.

G. **Relationship to the Parties.** Except as expressly stated and provided for herein, neither anything contained in this Agreement nor any acts of the parties hereto shall be deemed or construed by the parties hereto, or any of them, or by an third person, to create the relationship of principal and agent, or of partnership or of joint venture, or of association between the parties to this Agreement.

H. **Third-Party Beneficiaries.** The provisions of this Agreement are for the exclusive benefit of the parties, and their successors and permitted assigns, and not for the benefit of any other person or entity, nor shall this Agreement be deemed to have conferred any rights, express or implied, upon any person or entity.

I. **Binding Effect.** This Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

J. **Entire Agreement.** This Agreement expresses the entire understanding and agreement between the parties hereto pertaining to the subject matter hereof and supersedes all prior agreements, and all understandings, negotiations, or discussions of the parties, whether oral or written, and there are no warranties, representations, or agreements between the parties in connection with the subject matter hereof except those expressly set forth herein.
K. **Amendment.** This Agreement may be amended by mutual agreement between the parties. No amendment shall be effective unless it is reduced to writing and executed by a duly authorized representative of the parties.

L. **Rules of Construction.** The language in all parts of this Agreement shall in all cases be construed as a whole according to its fair meaning and not strictly for nor against any party.

M. **Further Cooperation.** The parties agree that at any time, or from time to time, they will, on request of the other, execute and deliver such further documents and do such other acts and things as such other party may reasonably request in order fully to effectuate the purposes of this Agreement.

N. **Counterparts.** This Agreement may be executed in any number of counterparts with the same effect as if all parties hereto had signed the document. All counterparts shall be construed together and constitute one agreement. Execution transmitted by facsimile or by pdf document attached to an e-mail shall have the same effect as an original signature.

O. **Term and Termination.** The term of this Agreement shall commence upon execution and expire December 31, 2023 (“Term”), unless terminated earlier as provided herein. Either party may terminate this Agreement for any reason upon providing written notice to the other party. In the event that the City elects to terminate this Agreement, it shall pay to the Port Authority all sums due pursuant to this Agreement within thirty (30) days of its notice to terminate.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

AN ORDINANCE

Determining to Proceed with the Acquisition, Construction, and Improvement of Certain Public Improvements in the City of Dayton, Ohio in Cooperation with the Dayton Regional Energy Special Improvement District, and Declaring an Emergency.

WHEREAS, The Commission ("Commission") of the City of Dayton, Ohio (the "City") duly adopted Resolution No. __________ on ______________, 2021, (the "Resolution of Necessity"), (i) declaring the necessity of acquiring, constructing, and improving the special energy improvement Project defined in the Resolution of Necessity as the Project, located on real property owned by Dayton-Phoenix Group, Inc. (the "Owner") at 1619 Kuntz Road within the City (the "Property", as more fully described in Exhibit A to the Project Petition); (ii) providing for the acquisition, construction, and improvement of the Project by the Owner, as set forth in the Owners’ Project Petition and Supplemental Plan (each as defined in the Resolution of Necessity), including by levying and collecting the Special Assessments (as defined in the Resolution of Necessity) to be assessed upon the Property in a maximum amount sufficient to pay the costs of the Project, which is estimated to be $11,693,878.00, together with other related costs of financing the Project, which include, without limitation, the payment of principal of and interest on nonprofit corporate obligations issued to pay the costs of the Project and other interest, financing, credit enhancement, and issuance expenses and ongoing trustee fees and Dayton Regional Energy Special Improvement District ("ESID") administrative fees and expenses; and (iii) determining that the Project will be treated as a special energy improvement project to be undertaken cooperatively by the City and the ESID; and,

WHEREAS, The claims for damages alleged to result from and objections to the Project have been waived by one hundred percent (100%) of the affected property owners and no claims for damages have been filed with this Commission; and,

WHEREAS, It is necessary for the immediate preservation of public peace, property, health and safety, that this Ordinance take effect at the earliest possible date in order to allow the Owner to begin work on the special energy improvement project on the Property, and the ESID to take advantage of financing available to it for a limited time; now, therefore,

BE IT ORDAINED BY THE COMMISSION OF THE CITY OF DAYTON:

Section 1. Definitions. That each capitalized term not otherwise defined in this Ordinance or by reference to another document shall have the meaning assigned to it in the Resolution of Necessity.

Section 2. Determination to Proceed. That this Commission declares that its intention is to proceed with the acquisition, construction, and improvement of the Project described in the Project Petition and the Resolution of Necessity. The Project shall be made in accordance with
the provisions of the Resolution of Necessity and with the plans, specifications, profiles, and estimates of cost previously approved and now on file with the Director of the Department of Finance and the Clerk of the Commission.

Section 3. **Special Assessments.** That the Special Assessments to pay costs of the Project, which are estimated to be $11,693,878.00, together with other related financing costs incurred in connection with the issuance, sale, and servicing of securities, nonprofit corporate obligations, or other obligations issued to provide a loan to the Owner and its affiliates or otherwise to pay costs of the Authorized Improvements in anticipation of the receipt of the Special Assessments, capitalized interest on, and financing reserve funds for, such securities, nonprofit corporate obligations, or other obligations so issued, including any credit enhancement fees, trustee fees, and ESID administrative fees and expenses, shall be assessed against the Property in the manner and in the number of semi-annual installments provided in the Project Petition and the Resolution of Necessity. Each semi-annual Special Assessment payment represents the payment of a portion of the principal of and interest on obligations issued to pay the costs of the Project and the scheduled amounts payable as the ESID administrative fee. The Special Assessments shall be assessed against the Property commencing in tax year 2022 for collection in calendar year 2023 and shall continue through tax year 2035 for collection in calendar year 2036. In addition to the Special Assessments, the Auditor of Montgomery County, Ohio may impose a special assessment collection fee with respect to each semi-annual payment, which amount, if imposed, will be added to the Special Assessments by the Auditor of Montgomery County, Ohio.

Section 4. **Amount of Assessments.** That the estimated Special Assessments for costs of the Project prepared and filed in the office of the Clerk of the Commission and in the office of the Finance Director, in accordance with the Resolution of Necessity, are adopted.

Section 5. **Certification to County Auditor.** That in compliance with Ohio Revised Code Section 319.61, the Clerk of the Commission is directed to deliver a certified copy of this Ordinance to the Auditor of Montgomery County, Ohio within fifteen (15) days after the date of its passage.

Section 6. **Contracts.** That all contracts for the construction of the Project will be let in the manner provided by law, subject to the provisions of the Ohio Revised Code, the Project Petition, and the Supplemental Plan, and the costs of the Project shall be financed as provided in the Resolution of Necessity.

Section 7. **Compliance with Open Meetings Requirements.** That this Commission finds and determines that all formal actions of this Commission concerning and relating to the passage of this Ordinance were taken in an open meeting of this Commission, and that all deliberations of this Commission and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements including Ohio Revised Code Section 121.22.

Section 8. **Effective Date.** That for the reasons stated in the preamble hereof, this Ordinance is declared to be an emergency measure and shall take effect immediately upon its passage.

ACCESS AND UTILITY EASEMENT

THIS AGREEMENT ("Agreement") is made as of the __________ day of __________, 2021, by and between the City of Dayton, Ohio (hereinafter referred to as "Grantor") and NP Dayton Building VIII, LLC, a Delaware limited liability company, or any successor thereof, with an address of 4825 NW 41st Street, Suite 500, Riverside, Missouri 64150 ("Grantee").

RECITALS:

WHEREAS, Grantor is the fee simple owner of the real property located in Montgomery County, Ohio, as legally described in Exhibit A attached hereto (the "Grantor Property");

WHEREAS, Grantee is the fee simple owner of the real property located in Montgomery County, Ohio as legally described in Exhibit B attached hereto (the "Grantee Property");

WHEREAS, Grantor desires to grant to Grantee and Grantee desires to obtain from Grantor a perpetual, non-exclusive easement ("Easement") for access and utility installation, including ingress and egress, across those portions of the Grantor Property legally described on Exhibit C attached hereto and depicted on Exhibit D attached hereto (the "Easement Area").

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00) and for other good and valuable consideration, the receipt of which is acknowledged, Grantor and Grantee agree as follows:

1. The Recitals set forth above are true and correct and are incorporated herein by reference.

2. Grantor, the fee simple owner of the Easement Area, for itself, its successors and assigns, does hereby grant to and for the benefit of Grantee a perpetual, non-exclusive right, privilege, easement, and right of way, over, through, and across the Easement Area for the installation of and use of a private access drive known as Tuskegee Airmen Drive, to and from North Dixie Drive, and for the installation of utilities serving the Grantee Property. Grantee shall be responsible for obtaining all governmental approvals necessary for its activities on the Easement Area, if any.

3. Grantee shall have the right, but not the obligation, to install a vehicular and pedestrian access drive and utilities over and within the Easement Area (the "Improvements"). Improvements constructed by Grantee shall be in compliance with applicable governmental laws, rules, regulations, and ordinances with respect to the same.

4. This Easement grant shall include, but not be limited to, the following respective rights and duties of Grantor and Grantee:

   a. Grantee shall have the right to cut down, clear, trim, remove, and otherwise control any trees, shrubs, overhanging branches, and/or other vegetation upon, over or adjacent to the Easement Area.

   b. Grantee shall have the right to allow third parties to construct and install the Improvements.

   c. Grantor shall not place, or permit the placement of, any obstructions, which may interfere with the Easement or the exercise of the rights granted herein to Grantee. Grantee shall have the right to remove any such obstruction.

   d. Grantor shall not authorize any use of the Easement Area which is inconsistent with or interferes with the uses authorized herein.
e. Grantor shall not construct, install, or permit the construction or installation of any building or other above-ground structure, or portion thereof, upon the Easement Area.

5. Grantee shall perform all maintenance required of the Improvements, at Grantee’s sole cost.

6. The provisions hereof are not intended to and do not constitute a dedication for public use, and the rights and easements herein created are private and for the benefit of the parties designated herein, their successors or assigns, or others entitled to such use by law or agreement.

7. Any notice to be served upon any party must be in writing and sent by registered or certified mail, return receipt requested, postage prepaid, or by a national recognized courier, unless another address is provided, as follows:

8. Grantor and Grantee hereby agree that this Agreement constitutes the entire agreement between the parties hereto and no representation or statements, oral or written, have been made that modify, add to, or change the terms of this Agreement.

9. This Agreement is binding upon and shall inure to the benefit of the respective successors and assigns of Grantor and Grantee.

10. It is the intention of the parties hereto that all questions of construction and interpretation of this Agreement and the rights and obligations of the parties hereunder shall be determined in accordance with the laws of the State of Ohio.

11. Grantor warrants that it has the necessary authority and title to the Easement Area to grant the Easement to Grantee and shall defend and hold Grantee harmless from the claim of any third party that Grantor does not have such authority or title.
12. The respective rights and duties herein of Grantor and Grantee shall inure to the benefit of, and shall be binding upon the respective successors, assigns, heirs, personal representatives, lessees, licensees, and/or tenants of Grantor and Grantee. Grantor and Grantee, as used herein, shall be deemed to be plural, when required to be so. The exercise of any or all of the rights and privileges of Grantee set forth herein, shall be at the sole discretion of Grantee.

13. The Easement is for the benefit of, and shall be appurtenant to, the Grantee Property and shall bind and inure to the benefit of the parties hereto and their respective heirs, successors and assigns, including, without limitation, all subsequent owners of all or any part of the Grantee Property and the Easement Area, and all persons or entities claiming under or through them. Any person or entity acquiring fee ownership of all or any portion of the Grantee Property or the Easement Area shall be bound by this Agreement, but only as to the tract or portion of a tract acquired by such person or entity. In addition, notwithstanding anything contained herein to the contrary, such person or entity shall be bound by this Agreement only during the period such person or entity has such fee interest in such tract or portion of a tract, and only as to those obligations, liabilities or responsibilities that accrue during such period. Although persons and entities may be released under this paragraph, the easements, covenants, and restrictions set forth herein shall continue to be a benefit to and a servitude upon said tracts running with the land.

14. The parties hereto agree that any modification of this Agreement shall be effective only when made in writing signed by both Grantor and Grantee, their respective successors or assigns, and recorded with the Montgomery County, Ohio Recorder’s Office.

15. If any provision of this Agreement shall be deemed invalid or prohibited under applicable law, such provision shall be ineffective to the extent of such invalidity or prohibition without invalidating the remaining provisions of this Agreement.

16. This Agreement may be executed in multiple, separate counterparts.

SUBJECT: AN ORDINANCE - Authorizing the Grant of an Access and Utility Easement for the Benefit of Parcels of Land Located at the Dayton International Airport and Declaring an Emergency.

The Department of Aviation requests the attached Ordinance be placed on the September 8, 2021 City Commission calendar for approval.

The Ordinance authorizes the City Manager to execute an agreement to grant an easement to NP Dayton Building VIII, LLC to enter onto City-owned land for the purposes of relocating Tuskegee Airman Drive. The relocation is required as a condition of the development NP Dayton Building VIII, LLC is constructing at the airport. The improvements will be constructed at NP Dayton Building VIII, LLC’s expense.

The Department of Law has approved the Ordinance and the Access and Utility Easement. If you have any questions or would like additional information please contact me at 454-8212.
