- If Option 2 (WAIVER REQUEST) is selected, you must also submit documentation of your Good Faith Efforts to the City of Dayton Human Relations Council (HRC) within two (2) business days of the Bid Opening / Proposal Due Date. Bidders/Proposers will receive no further reminders about this deadline.

The undersigned affirms that the Bidder/Proposer has satisfied the requirements of the Bid/RFP Specification in the following manner: (Check the box for Option 1 and/or Option 2, complete the appropriate spaces, and sign below.)

☐ Option 1. The Bidder/Proposer has secured enough commitment(s) from one or more PEP-Certified Firms to meet or exceed the project's PEP participation goal(s). The Bidder/Proposer is committed to a minimum of:

<table>
<thead>
<tr>
<th>% SBE</th>
<th>% MBE</th>
<th>% WBE</th>
<th>% DLSB</th>
</tr>
</thead>
</table>

participation on this contract, as detailed on the executed PEP-Certified SBE/MBE/WBE/DLSB Participation Form(s) submitted with this Bid/Proposal.

☐ Option 2 (WAIVER REQUEST). The Bidder/Proposer is unable to meet the project's PEP participation goal(s) and requests that the following goal(s) be waived: (Check all that apply.)

☐ SBE  ☐ MBE  ☐ WBE  ☐ DLSB

The Bidder/Proposer's documentation of Good Faith Efforts to meet the participation goal(s) checked above must be submitted to the HRC within two (2) business days of the Bid Opening / Proposal Due Date. The Bidder/Proposer will receive no further reminders about this deadline.

A waiver will be granted based on a Bidder/Proposer's documented Good Faith Efforts, and only when the HRC determines that the Bidder/Proposer has completed all of the following activities:

1. Solicited the interest of all PEP-Certified Firms having the capability to perform the work of the contract. The Bidder/Proposer must solicit this interest at least ten (10) business days prior to the Bid Opening / Proposal Due Date in order to allow the PEP-Certified Firm sufficient time to respond to the solicitation. Electronic communication will not be deemed as sufficient Good Faith Efforts, if it is the sole method of communication used.

2. Divided contract work items into economically feasible units to facilitate PEP participation, even when the Bidder/Proposer might otherwise prefer to perform these work items with its own forces.

3. Negotiated in good faith with PEP-Certified Firms, and considered the firms' prices and capabilities as well as the contract goals. Rejected PEP-Certified Firms as being unqualified only for reasons based on a diligent investigation of their capabilities. The Bidder/Proposer's standing within its industry; membership in specific groups, organizations, or associations; and political or social affiliations (for example, union vs. non-union employee status) are not legitimate causes to reject or not solicit bids from particular PEP-Certified Firms.

4. Provided interested PEP-Certified Firms with plans and specifications at no cost, or directed them to the Greater Dayton Minority Business Assistance Center (Dayton MBAC) for information about the project's plans, specifications, and requirements at least ten (10) business days prior to the Bid Opening / Proposal Due Date in order to assist them in responding to a solicitation.

5. Sought the Dayton MBAC's assistance or used the services of community organizations; contractors' groups; local, state or federal business assistance offices; or similar organizations to find PEP-Certified Firms. Contacting the HRC for a list of certified companies will not be deemed as sufficient Good Faith Efforts.

NOTE: In determining whether a Bidder/Proposer has made Good Faith Efforts, the HRC may take into account the performance of other Bidders/Proposers in meeting the goal(s). For example, when the apparent low bidder fails to meet a participation goal but others meet it, the HRC may reasonably raise the question of whether, with additional reasonable efforts, the apparent low bidder could have met the goal.

AFFIRMATIVE ACTION PROGRAM
EQUAL EMPLOYMENT OPPORTUNITY

PROJECT: City of Dayton Water Distribution Building Restroom Renovation 945 Ottawa St. Dayton, Ohio 45402

NAME

LOCATION

During the performance of this contract:

Becker Construction, Inc. 525 Gargrave Rd. Dayton, Ohio 45449 (937) 859-8308 (937)859-8306

CONTRACTOR ADDRESS TELEPHONE / FAX

being the general contractor, assumes the responsibility and obligation to institute an Affirmative Action Program which complies with revised City Ordinances 24059 and 26090 and Executive Order 11246 on any city, federal or federally-assisted construction project, to insure Equal Employment Opportunity regardless of race, color, religion, sex, national origin, ancestry, place of birth, age, or marital status.

The successful contractor using one or more trades of construction employees must comply with Part I of these Affirmative Actions Program conditions to each such trade.

Part I: Requirements. To be eligible for award of a contract under this Invitation to Bid, contractors must certify as prescribed in Paragraph 1a, of the certification specified in Part II hereof that it adopts the minimum goals and timetables of minority and female worker utilization, and specific Affirmative Action steps set forth in Sections 1 and 2 of this Part I.

1.) Goals & Timetables. The goals of minority and female worker utilization required of the contractor are applicable to each trade which will be used on any project in Greene, Miami, Montgomery, and Preble Counties, OH (hereinafter the Economic Area).

The required goals and timetables are as follows:

<table>
<thead>
<tr>
<th>From 1/1/2000 to Present</th>
<th>Goals of Minority Worker Utilization Expressed in Percentage Terms</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>11.5%</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>From 4/1/80 to Present</th>
<th>Goals of Female Worker Utilization Expressed in Percentage Terms</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>6.9%</td>
</tr>
</tbody>
</table>
The percentage goals of minority and female worker utilization are expressed in terms of working hours of training and employment as a proportion of the total working hours to be worked by the contractor's entire work force in that trade on all projects (both federal and non-federal) in the Economic Area during the performance of this contract. The working hours for minority and female work and training must be uniform throughout the length of this contract, on all projects and for each of the trades. Further, the transfer of minority and/or female or trainee from employer-to-employer or from project-to-project for the sole purpose of meeting the contractor's goals shall be a violation of this Affirmative Action Program.

In reaching the goals for minority and female utilization, every effort shall be made to find and employ qualified journey-persons. Provided, however, and pursuant to the requirements of the Department of Labor Regulations, 29 CFR 5a.3, twenty-five percent (25%) of apprentices or trainees shall be employed on all projects and shall be in their first year of training, where feasible.

In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the contractor during the training period, and the contractor must have made a commitment to employ the apprentices and/or trainees at the completion of the training subject to the availability of employment opportunities. Apprentices and trainees must be trained pursuant to programs which have been approved by The U.S. Department of Labor and/or The State of Ohio.

A contractor shall be deemed to be in compliance with the terms and requirements of this Part I by the employment and training of minorities and females in the appropriate percentage of the contractor's aggregate work force in the Economic Area for each trade for which it is committed to the goals under Part I.

However, no contractor shall be found to be in noncompliance solely on account of the contractor's failure to meet the goals and timetables, but such contractor shall be given the opportunity to demonstrate that all of the specific Affirmative Action steps specified in Part I have been instituted and has made every "good faith" effort to make these steps work towards the attainment of the goals and timetables.

2.) Specific Affirmative Action Steps. A contractor subject to Part I, must engage in Affirmative Action directed at increasing minority and female utilization, which is at least as extensive and as specific as the following steps:

a) The contractor shall notify community organizations that the contractor has employment opportunities available and shall maintain records of the organizations' responses.

b) The contractor shall maintain a file of the names and addresses of each minority and female referred and what action was taken with respect to each referred worker. If the worker was not employed, the reason therefor. If the worker was not sent to the union hiring hall for referral, the contractor's file shall document this and the reasons therefore.

c) The contractor shall promptly notify the Dayton Human Relations Council (HRC) when the union or unions with which the contractor has a collective bargaining agreement has not referred to the contractor a minority and/or female, or when the contractor has other information that the union referral process has impeded the contractor's efforts to meet its obligations.

d) The contractor should participate in training programs in the area; especially those approved by the U.S. Department of Labor and/or the State of Ohio.
e) The contractor shall disseminate the EEO Policy within the organization by including it in any policy manual, by publicizing it in company newspapers, annual reports, etc.; by conducting staff, employee and union representatives' meetings to explain and discuss the policy; by posting of the policy; and by specific review of the policy with minority and female employees.

f) The contractor shall ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites and in all facilities at which the contractor's employees are assigned to work. The contractor, where possible, will assign two or more women to all projects (both federal and non-federal) in the Economic Area during the performance of its contract or subcontract.

g) The contractor shall make specific and constant personal (both written and oral) recruitment efforts directed at all minority and female organizations, schools, minority and female recruitment training organizations with the Dayton Economic Area.

h) The contractor shall make specific efforts to encourage present minority and female employees to recruit other minorities and females.

i) The contractor shall validate all tests and other selection requirements.

j) The contractor should develop on-the-job training opportunities; participate and assist in any association or employer-group training programs relevant to the contractor's employees needs consistent with its obligations under Part I.

k) The contractor shall evaluate all minority and female personnel for promotional opportunities and encourage employees to seek such opportunities.

l) The contractor shall ensure that seniority practices, job classifications, etc., do not have a discriminatory effect.

m) The contractor shall make certain that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

n) The contractor will monitor all personnel activities to ensure that its EEO Policy is being carried out.

go) The successful contractor shall solicit bids for work to be performed on this project under a subcontract from minority and female contractors and other business associations.

3.) Nothing herein is intended to relieve any contractor during the term of this project from compliance with any other local bid requirements. Further, it shall be the responsibility of each contractor to comply with all terms, conditions, and provisions of the Affirmative Action Programs.
**Part II: Contractor's Certification.** A contractor will not be eligible for award of a contract under this Invitation to Bid, unless such contractor has submitted as a part of the bid the following certification, which will be deemed a part of the resulting contract:

---

**CONTRACTOR'S CERTIFICATION**

PEP PARTICIPATION COMMITMENT AND/OR WAIVER REQUEST FORM

Instructions for Bidders/Proposers: Submit one (1) executed copy of this form with your Bid/Proposal.

- If Option 1 is selected, you must also submit one (1) executed PEP-Certified SBE/MBE/WBE/DLSB Participation Form for each PEP-Certified Firm whose participation you plan to count toward the project/contract's participation goal(s).
- If Option 2 (WAIVER REQUEST) is selected, you must also submit documentation of your Good Faith Efforts to the City of Dayton Human Relations Council (HRC) within two (2) business days of the Bid Opening / Proposal Due Date. Bidders/Proposers will receive no further reminders about this deadline.

The undersigned affirms that the Bidder/Proposer has satisfied the requirements of the Bid/RFP Specification in the following manner: (Check the box for Option 1 and/or Option 2, complete the appropriate spaces, and sign below.)

☑ Option 1. The Bidder/Proposer has secured enough commitment(s) from one or more PEP-Certified Firms to meet or exceed the project’s PEP participation goal(s). The Bidder/Proposer is committed to a minimum of:

<table>
<thead>
<tr>
<th>% SBE</th>
<th>% MBE</th>
<th>% WBE</th>
<th>% DLSB</th>
</tr>
</thead>
</table>

participation on this contract, as detailed on the executed PEP-Certified SBE/MBE/WBE/DLSB Participation Form(s) submitted with this Bid/Proposal.

☐ Option 2 (WAIVER REQUEST). The Bidder/Proposer is unable to meet the project’s PEP participation goal(s) and requests that the following goal(s) be waived: (Check all that apply.)

☐ SBE  ☐ MBE  ☐ WBE  ☐ DLSB

The Bidder/Proposer’s documentation of Good Faith Efforts to meet the participation goal(s) checked above must be submitted to the HRC within two (2) business days of the Bid Opening / Proposal Due Date. The Bidder/Proposer will receive no further reminders about this deadline.

A waiver will be granted based on a Bidder/Proposer’s documented Good Faith Efforts, and only when the HRC determines that the Bidder/Proposer has completed all of the following activities:

1. Solicited the interest of all PEP-Certified Firms having the capability to perform the work of the contract. The Bidder/Proposer must solicit this interest at least ten (10) business days before the Bid Opening / Proposal Due Date in order to allow the PEP-Certified Firm sufficient time to respond to the solicitation. Electronic communication will not be deemed as sufficient Good Faith Efforts, if it is the sole method of communication used.

2. Divided contract work items into economically feasible units to facilitate PEP participation, even when the Bidder/Proposer might otherwise prefer to perform these work items with its own forces.

3. Negotiated in good faith with PEP-Certified Firms, and considered the firms’ prices and capabilities as well as the contract goals. Rejected PEP-Certified Firms as being unqualified only for reasons based on a diligent investigation of their capabilities. The Bidder/Proposer’s standing within its industry; membership in specific groups, organizations, or associations; and political or social affiliations (for example, union vs. non-union employee status) are not legitimate causes to reject or not solicit bids from particular PEP-Certified Firms.

4. Provided interested PEP-Certified Firms with plans and specifications at no cost, or directed them to the Greater Dayton Minority Business Assistance Center (Dayton MBAC) for information about the project’s plans, specifications, and requirements at least ten (10) business days prior to the Bid Opening / Proposal Due Date in order to assist them in responding to a solicitation.

5. Sought the Dayton MBAC’s assistance or used the services of community organizations, contractors’ groups; local, state or federal business assistance offices; or similar organizations to find PEP-Certified Firms. Contacting the HRC for a list of certified companies will not be deemed as sufficient Good Faith Efforts.

NOTE: In determining whether a Bidder/Proposer has made Good Faith Efforts, the HRC may take into account the performance of other Bidders/Proposers in meeting the goal(s). For example, when the apparent low bidder fails to meet a participation goal but others meet it, the HRC may reasonably raise the question of whether, with additional reasonable efforts, the apparent low bidder could have met the goal.

being the general contractor, assumes the responsibility and obligation to institute an Affirmative Action Program which complies with revised City Ordinances 24059 and 26090 and Executive Order 11246 on any city, federal or federally-assisted construction project, to insure Equal Employment Opportunity regardless of race, color, religion, sex, national origin, ancestry, place of birth, age, or marital status.

The successful contractor using one or more trades of construction employees must comply with Part I of these Affirmative Actions Program conditions to each such trade.

Part I: Requirements. To be eligible for award of a contract under this Invitation to Bid, contractors must certify as prescribed in Paragraph 1a, of the certification specified in Part II hereof that it adopts the minimum goals and timetables of minority and female worker utilization, and specific Affirmative Action steps set forth in Sections 1 and 2 of this Part I.

1.) Goals & Timetables. The goals of minority and female worker utilization required of the contractor are applicable to each trade which will be used on any project in Greene, Miami, Montgomery, and Preble Counties, OH (hereinafter the Economic Area).

The required goals and timetables are as follows:

<table>
<thead>
<tr>
<th>Goals of Minority Worker Utilization Expressed in Percentage Terms</th>
</tr>
</thead>
<tbody>
<tr>
<td>From 1/1/2000 to Present</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Goals of Female Worker Utilization Expressed in Percentage Terms</th>
</tr>
</thead>
<tbody>
<tr>
<td>From 4/1/80 to Present</td>
</tr>
</tbody>
</table>
The percentage goals of minority and female worker utilization are expressed in terms of working hours of training and employment as a proportion of the total working hours to be worked by the contractor's entire work force in that trade on all projects (both federal and non-federal) in the Economic Area during the performance of this contract. The working hours for minority and female work and training must be uniform throughout the length of this contract, on all projects and for each of the trades. Further, the transfer of minority and/or female or trainee from employer-to-employer or from project-to-project for the sole purpose of meeting the contractor's goals shall be a violation of this Affirmative Action Program.

In reaching the goals for minority and female utilization, every effort shall be made to find and employ qualified journey-persons. Provided, however, and pursuant to the requirements of the Department of Labor Regulations, 29 CFR 5a.3, twenty-five percent (25%) of apprentices or trainees shall be employed on all projects and shall be in their first year of training, where feasible.

In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the contractor during the training period, and the contractor must have made a commitment to employ the apprentices and/or trainees at the completion of the training subject to the availability of employment opportunities. Apprentices and trainees must be trained pursuant to programs which have been approved by The U.S. Department of Labor and/or The State of Ohio.

A contractor shall be deemed to be in compliance with the terms and requirements of this Part I by the employment and training of minorities and females in the appropriate percentage of the contractor's aggregate work force in the Economic Area for each trade for which it is committed to the goals under Part I.

However, no contractor shall be found to be in noncompliance solely on account of the contractor's failure to meet the goals and timetables, but such contractor shall be given the opportunity to demonstrate that all of the specific Affirmative Action steps specified in Part I have been instituted and has made every "good faith" effort to make these steps work towards the attainment of the goals and timetables.

2.) **Specific Affirmative Action Steps.** A contractor subject to Part I, must engage in Affirmative Action directed at increasing minority and female utilization, which is at least as extensive and as specific as the following steps:

a) The contractor shall notify community organizations that the contractor has employment opportunities available and shall maintain records of the organizations' responses.

b) The contractor shall maintain a file of the names and addresses of each minority and female referred and what action was taken with respect to each referred worker. If the worker was not employed, the reason therefor. If the worker was not sent to the union hiring hall for referral, the contractor's file shall document this and the reasons therefore.

c) The contractor shall promptly notify the Dayton Human Relations Council (HRC) when the union or unions with which the contractor has a collective bargaining agreement has not referred to the contractor a minority and/or female, or when the contractor has other information that the union referral process has impeded the contractor's efforts to meet its obligations.

d) The contractor should participate in training programs in the area; especially those approved by the U.S. Department of Labor and/or the State of Ohio.
e) The contractor shall disseminate the EEO Policy within the organization by including it in any policy manual, by publicizing it in company newspapers, annual reports, etc.; by conducting staff, employee and union representatives' meetings to explain and discuss the policy; by posting of the policy; and by specific review of the policy with minority and female employees.

f) The contractor shall ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites and in all facilities at which the contractor's employees are assigned to work. The contractor, where possible, will assign two or more women to all projects (both federal and non-federal) in the Economic Area during the performance of its contract or subcontract.

g) The contractor shall make specific and constant personal (both written and oral) recruitment efforts directed at all minority and female organizations, schools, minority and female recruitment training organizations with the Dayton Economic Area.

h) The contractor shall make specific efforts to encourage present minority and female employees to recruit other minorities and females.

i) The contractor shall validate all tests and other selection requirements.

j) The contractor should develop on-the-job training opportunities; participate and assist in any association or employer-group training programs relevant to the contractor's employees needs consistent with its obligations under Part I.

k) The contractor shall evaluate all minority and female personnel for promotional opportunities and encourage employees to seek such opportunities.

l) The contractor shall ensure that seniority practices, job classifications, etc., do not have a discriminatory effect.

m) The contractor shall make certain that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

n) The contractor will monitor all personnel activities to ensure that its EEO Policy is being carried out.

o) The successful contractor shall solicit bids for work to be performed on this project under a subcontract from minority and female contractors and other business associations.

3.) Nothing herein is intended to relieve any contractor during the term of this project from compliance with any other local bid requirements. Further, it shall be the responsibility of each contractor to comply with all terms, conditions, and provisions of the Affirmative Action Programs.
(Contractor) certifies that:

1. The following listed construction trades will be used in performance of this project.

   Labors

   Truck Driver

   Operator

a) as to those trades set forth in the preceding paragraph one hereof, it adopts the minimum minority and female utilization goals and the specific Affirmative Action steps contained in this Affirmative Action Program. Compliance is measured in each trade of the contractor's aggregate work force for all construction work (both federal and non-federal) in the four Counties (Greene, Miami, Montgomery and Preble) subject to this Affirmative Action Program; and

b) the successful contractor will obtain from each subcontractor and submit to the contracting or administering agency prior to the award of any subcontract under this contract, the subcontractor certification required by the Affirmative Action Program.

participation on this contract, as detailed on the executed PEP-Certified SBE/MBE/WBE/DLSB Participation Form(s) submitted with this Bid/Proposal.

☐ Option 2 (WAIVER REQUEST). The Bidder/Proposer is unable to meet the project's PEP participation goal(s) and requests that the following goal(s) be waived: (Check all that apply.)

A waiver will be granted based on a Bidder/Proposer's documented Good Faith Efforts, and only when the HRC determines that the Bidder/Proposer has completed all of the following activities:

1. Solicited the interest of all PEP-Certified Firms having the capability to perform the work of the contract. The Bidder/Proposer must solicit this interest at least ten (10) business days before the Bid Opening / Proposal Due Date in order to allow the PEP-Certified Firm sufficient time to respond to the solicitation. Electronic communication will not be deemed as sufficient Good Faith Efforts, if it is the sole method of communication used.

2. Divided contract work items into economically feasible units to facilitate PEP participation, even when the Bidder/Proposer might otherwise prefer to perform these work items with its own forces.

3. Negotiated in good faith with PEP-Certified Firms, and considered the firms' prices and capabilities as well as the contract goals. Rejected PEP-Certified Firms as being unqualified only for reasons based on a diligent investigation of their capabilities. The Bidder/Proposer's standing within its industry; membership in specific groups, organizations, or associations; and political or social affiliations (for example, union vs. non-union employee status) are not legitimate causes to reject or not solicit bids from particular PEP-Certified Firms.

4. Provided interested PEP-Certified Firms with plans and specifications at no cost, or directed them to the Greater Dayton Minority Business Assistance Center (Dayton MBAC) for information about the project's plans, specifications, and requirements at least ten (10) business days prior to the Bid Opening / Proposal Due Date in order to assist them in responding to a solicitation.

5. Sought the Dayton MBAC's assistance or used the services of community organizations; contractors' groups; local, state or federal business assistance offices; or similar organizations to find PEP-Certified Firms. Contacting the HRC for a list of certified companies will not be deemed as sufficient Good Faith Efforts.

NOTE: In determining whether a Bidder/Proposer has made Good Faith Efforts, the HRC may take into account the performance of other Bidders/Proposers in meeting the goal(s). For example, when the apparent low bidder fails to meet a participation goal but others meet it, the HRC may reasonably raise the question of whether, with additional reasonable efforts, the apparent low bidder could have met the goal.

Description

BROADWAY PUMP STATION MOTOR REPLACEMENT PURCHASE AGREEMENT

The Department of Water requests permission to enter into a Purchase Agreement with Siemens Industrial Inc. in the amount of $1,172,500.00 to replace the (7) existing Siemens Motors at the Broadway Pump Station. The Broadway Pump Station pumps 95%+ of the City of Dayton’s wastewater flows to the Water Reclamation Facility (WRF). This pump station is a critical asset as it is used not only to convey the wastewater to the WRF Division, but the pump station also helps to prevent basement flooding and property damage.

Siemens, as the original equipment manufacturer, designed the original motors specifically for the Broadway Pump Station and installed them in 1989. Siemens still has the original specifications for these motors and can provide a direct replacement, thus, reducing time for hiring a consultant to design and create new specifications. Two of the motors were recently rebuilt, and at that time it was determined that the motors are now experiencing end of life issues. Rebuilding the motors will not extend their useful life.

This project is being fully funded using 2020 and 2021 Sanitary Capital Funds.

The Purchase Agreement shall commence upon execution by the City and it shall expire upon expenditure of all funds provided herein or on December 31, 2021.

The Purchase Agreement has been reviewed by the Law Department as to form and correctness.

A Certificate of Funds in the amount of $640,000.000 for the 2020 fiscal year, and a copy of the Purchase Agreement are attached.

WITNESSETH THAT:

ARTICLE 1. TERM
The Agreement shall commence upon execution by the City and it shall terminate upon expenditure of all funds provided herein or on December 31, 2021 whichever date is earlier. The City, however, reserves the right to extend the term of this Agreement to a later date by mutual written agreement, as described in Article 11, J.

The Vendor shall submit invoices, not more frequently than monthly, for payment of the Services actually provided. Such invoices shall state the invoice period, total amount requested, and Services provided during the invoice period. Invoicing will be in accordance with Attachment A. The City will, unless disputed, remit payment of all undisputed amounts of invoices within thirty (30) days from receipt thereof.

Refer to Attachment B, “Price & Payment Addendum”, for details of payment schedule attached hereto.

ARTICLE 4. CITY’S RESPONSIBILITIES
The City will furnish Vendor, at no cost or expense, all reports, records, and data that might be necessary or useful to complete the Services required under this Agreement.
ARTICLE 5. STANDARD OF CARE
Vendor shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by a professional under similar circumstances. Vendor shall have no liability for defects in the Services attributable to Vendor’s reliance upon or use of data or other information furnished by the City or third parties retained by the City.

If, during the one year period following completion of the Services, it is shown there is an error in the Services caused by Vendor/Contractor/Consultant’s failure to meet such standards and the City has notified Vendor in writing of any such error within that period, Vendor shall perform, at no additional cost to the City, such Services within the original Project as may be necessary to remedy such error.

The Warranties do not apply to software furnished by Vendor. The sole and exclusive warranties for any software are set forth in the applicable Software License/Warranty Addendum.

b. Remedies. If the Services or Product fail to meet the warranty standards set forth in Article 5(a) within the applicable Warranty period defined in Article 5(c), and City promptly reports such non-conformance to Vendor during the above mentioned Warranty period, Vendor shall at its own expense as City’s sole and exclusive remedies for breach of the Warranties: (i) for Services, re-perform the relevant Services or, in Vendors’ sole discretion, refund City the pro rata portion of the fees paid to Vendor under this Agreement allocable to the nonconforming Services; and (ii) for Product, at Vendors’ discretion, repair or replace the Product, or its non-conforming parts, within a reasonable time period, or refund of all or part of the purchase price. Unless Vendor agrees otherwise in writing, City will be responsible for any costs associated with: (i) gaining access to the Product or Services; (ii) removal, disassembly, replacement, installation, or reinstallation of any equipment, materials or structures to permit Vendor to perform its warranty obligations; (iii) transportation to and from the Vendor factory or repair facility; and (iv) damage to equipment components or parts resulting in whole or in part from non-compliance by the City with Article 5(d) or from their deteriorated condition. All exchanged Products replaced under this Warranty will become the property of Vendor.

c. Warranty Period. City must provide written notice of any claims for breach of the Warranties by: (i) for Services, within three (3) months from completion of the Services; and (ii) for Product, the earlier of twelve (12) months from initial operation. Additionally, absent written notice within the applicable Warranty period, any use or possession of the Product or Services after expiration of the applicable Warranty period is conclusive evidence that the applicable Warranties have been satisfied.

d. Conditions to the Warranties. The Warranties are conditioned on: (i) no repairs, modifications or alterations being made to the Product and Equipment other than by Vendor or its authorized representatives; (ii) City handling, using, storing, installing, operating and maintaining the Product and Equipment in compliance with any parameters or instructions in any specifications attached to, or incorporated into this Agreement, (iii) or in the absence of such conditions, parameters or instructions or to the extent not applicable, in accordance with the generally accepted industry standards applicable in the locale where the Services are being performed and

Vendor to perform the Services; (vi) City providing prompt written notice of any warranty
claims within the Warranty Period; (vii) at Vendors’ discretion, City either removing and
shipping Product or Equipment or non-conforming part thereof to Vendor, at City’s expense, or
granting Vendor reasonable access to Products or Equipment to assess the warranty claims;

alteration, abuse or misuse; and (ix) City not being in default of any payment obligation. City
shall provide, without cost to Vendor, access to the nonconformity by disassembling,
removing, replacing and reinstalling any Equipment, materials or structures to the extent
necessary to permit Vendor to perform its warranty obligations.

by Vendor; (ii) any Third-Party Parts or Equipment; or (iii) services not performed by Vendor
pursuant to this Agreement. Vendor will have no liability to City under any legal theory for
such products, Third Party Parts, Equipment, services or any related assignment of warranties.
Any Product that is described as being experimental, developmental, prototype, or pilot is
specifically excluded from the Warranties and is provided to City “as is” with no warranties of

All policies of insurance required hereunder shall contain a provision requiring a minimum of thirty (30) days advance written notice to the City in the event of cancellation or diminution of coverage. In the event of a claim, Vendor shall make copies of applicable insurance policies available for review by the City. ARTICLE 9. OWNERSHIP OF DOCUMENTS & INTELLECTUAL PROPERTY
Except as otherwise provided in this Agreement, documents and reports prepared by Vendor as part of the Services shall become the sole and exclusive property of the City upon payment. However, Vendor shall have the unrestricted right to use their.

Vendor shall retain its rights in pre-existing and standard scripts, databases, computer software, models, and other proprietary property. Rights to intellectual property that is not specifically designed or created exclusively for the City in the performance of this Agreement shall also remain the property of Vendor.

ARTICLE 10. TERMINATION

NOVEL CORONAVIRUS (2019-nCoV/SARS-CoV-2) IMPACT:
The worldwide outbreak of the novel coronavirus (2019-nCoV/SARS-CoV-2) may affect the execution of this contract. Therefore, Vendor shall be entitled to reasonable adjustments of the delivery and service time/schedule to the extent the delay is directly related to the outbreak of the novel coronavirus (2019-nCoV/SARS-CoV-2).

It is expressly agreed and understood that Section 35.14 of the Revised Code of General Ordinances of the City of Dayton constitutes a material condition of this Agreement as fully and as if specifically rewritten herein and that failure to comply therewith shall constitute a breach thereof entitling the City to terminate this Agreement at its option.

E. WAIVER

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at one-hundred percent (100%) of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered, redeemed, purchased or canceled.

(ii) Optional Redemption. The Bonds of the maturities (and interest rate within a maturity) specified in the Certificate of Award may be subject to optional redemption by and at the sole option of the City, in whole or in part in whole multiples of $5,000 on the dates and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Director of Finance in the
Certificate of Award; provided that the earliest optional redemption date shall not be later than ten and one-half years from the Closing Date, and the highest redemption price shall not be greater than 102% of the principal amount redeemed plus accrued interest to the redemption date. The Director of Finance may determine in the Certificate of Award that it is in the best interests of the City for some or all of the Bonds not to be callable prior to their stated maturity.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Director of Finance to the Bond Registrar, given upon the direction of this Commission through a resolution or an ordinance. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least forty-five (45) days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities selected by the City. If fewer than all of the Bonds of a single maturity are to be redeemed, the selection of Bonds of that maturity to be redeemed, or portions thereof in amounts of $5,000 or any whole multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than $5,000 are then outstanding, each $5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of $5,000. If it is determined that one or more, but not all, of the $5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a $5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (i) for payment of the redemption price of the $5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (ii) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (a) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (b) the redemption price to be paid, (c) the date fixed for redemption, and (d) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least thirty (30) days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner’s address then shown on the Bond Register maintained by the Bond Registrar. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.
(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

(vi) Purchase in Lieu of Redemption. If and to the extent provided in the Certificate of Award, the City may have the option to purchase any Bond that is redeemable by optional redemption at a purchase price not less than the redemption price that would be payable if that Bond were called for optional redemption on the date of the proposed purchase. That election shall be exercised by written direction from the Director of Finance to the Bond Registrar given within the same time period specified for the City’s giving notice of optional redemption of Bonds. That written direction shall identify the Bonds to be purchased by their maturity date and shall specify the principal amount of each maturity to be purchased in lieu of redemption. The purchase price of the Bonds to be purchased in lieu of redemption shall be equal to the principal of, any accrued but unpaid interest on, and any premium that would have been payable on the Bonds if the Bonds had been optionally redeemed instead of being purchased. Notice of the purchase of Bonds in lieu of redemption shall be given by the Bond Registrar to the owners of the Bonds in the same manner as notice of redemption is required by this Ordinance to be given. The Bond Registrar, as paying agent, shall not purchase Bonds if sufficient moneys have not been deposited with the Bond Registrar for the purpose. If fewer than all of the outstanding Bonds of a maturity are to be purchased in lieu of redemption, the selection of Bonds to be purchased shall be made in the same manner as is required by this Ordinance for the partial redemption of Bonds. On the date established for the purchase of any Bonds, the Registrar shall pay the purchase price to the registered owners against delivery and shall cause the purchased Bonds to be registered in the name as specified by the Director of Finance.

Section 4. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Mayor or the City Manager and the Director of Finance, in the name of the City and in their official capacities; provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Underwriter and approved by the Director of Finance, shall be numbered as determined by the
Director of Finance in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance.

The Director of Finance shall appoint, in the Certificate of Award, a bank or trust company located in Ohio to act as the authenticating agent, Bond Registrar, transfer agent and paying agent for the Bonds, and to appoint a bank or trust company as necessary to act as successor thereto, after determining that the bank or trust company appointed will not endanger the funds or securities of the City and that proper safeguards are available for that purpose and that appointment shall be confirmed in the Certificate of Award. The Director of Finance shall sign and deliver, in the name and on behalf of the City, the Registrar Agreement in substantially the form now on file with the Clerk, and any amendments to or restatements of the Registrar Agreement. The Registrar Agreement is approved, together with any changes or amendments that are not materially adverse to the City and not inconsistent with this Ordinance and that are approved by the Director of Finance on behalf of the City and approved as to form by the City Attorney. Those approvals shall be conclusively evidenced by the signing of the Registrar Agreement or amendments thereto or restatements thereof. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Registrar Agreement, except to the extent paid or reimbursed by the Bond Registrar in accordance with the Registrar Agreement, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Director of Finance on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5. Registration; Transfer and Exchange; Book-Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at the office satisfactory to the Director of Finance and the Bond Registrar. Subject to the provisions of subsection (c) below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City’s liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the designated corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond
Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the registered owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the fifteenth (15th) day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) Book-Entry System. Notwithstanding any other provisions of this Ordinance, if the Director of Finance determines in the Certificate of Award that it is in the best interest of and financially advantageous to the City, the Bonds may be issued in book-entry form in accordance with the following provisions of this Section.

The Bonds may be issued to a Depository for use in a book-entry system and, if and as long as a book-entry system is utilized: (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity, and, if applicable, each interest rate within a maturity, and registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository or its designated agent for that purpose, which may be the Bond Registrar; (ii) the Beneficial Owners of Bonds in book-entry form shall have no right to receive Bonds in the form of physical securities or certificates; (iii) ownership of beneficial interests in book-entry form shall be shown by book entry on the system maintained and operated by the DTC Participant, and transfers of the ownership of beneficial interests shall be made only by book entry by the DTC Participant; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book-entry system, the Director of Finance may attempt to establish a securities depository/book-entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the Beneficial Owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form and Authorized Denominations to be authenticated by the Bond Registrar and delivered to the assignees of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the City, that the Director of Finance determines to be necessary in connection with a book-entry system for the Bonds.

(a) Sale. That the Bonds shall first be offered for purchase to the Treasury Investment Account of the City for purchase and, if not purchased for that Account, shall be awarded and sold, at a public or private sale, to the Underwriter. The Director of Finance is authorized to approve the final principal amount of the Bonds and to determine the terms of the Bonds as required or authorized in Section 3 and to specify that principal amount and those terms in the Certificate of Award, in accordance with law and the provisions of this Ordinance and the Purchase Agreement. The Certificate of Award shall be incorporated in and form a part of this Ordinance.

At the time of the signing of the Certificate of Award, the Director of Finance is authorized to sell the Bonds to the Underwriter at a purchase price of not less than ninety-seven percent (97%) of the amount equal to (a) the principal amount of the Bonds, (b) plus any original issue premium, and (c) minus any original issue discount, as shall be determined in the Certificate of Award, plus accrued interest on the aggregate principal amount of the Bonds from their date to the date of delivery and payment for them.

The Director of Finance is authorized and directed to sign and deliver the Certificate of Award selling the Bonds to the Underwriter at the purchase price established therein and in accordance with this Ordinance, and to evidence that sale and the further terms and provisions of that sale and the Bonds by completing, signing and delivering that Certificate of Award and the Purchase Agreement substantially in the form now on file with the Clerk. The form of the Purchase Agreement is hereby approved with such changes in it as are not materially inconsistent with this Ordinance and not substantially adverse to the City and as shall be approved by the Director of Finance and approved as to form by the City Attorney. The approval of those changes, and the determination that those changes are not substantially adverse to the City, shall be conclusively evidenced by that signing.

The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Revised Code to be designated as provided in the Certificate of Award, in which case a single Certificate of Award and a single Purchase Agreement may be utilized for the consolidated bond issue if appropriate and consistent with the terms of this Ordinance.

It is hereby determined by this Commission that the parameters for the purchase price for and the terms of the Bonds and the sale procedures for their sale, all as established in accordance with this Ordinance, are in the best interest of the City and in compliance with all legal requirements.

The City Manager, the Director of Finance, the City Attorney and the Clerk are directed to make the necessary arrangement on behalf of the City to establish the date, location, procedure and conditions for the delivery of the Bonds to the Underwriter and to take all actions necessary to effect due signing, authentication and delivery of the Bonds under the terms of the this Ordinance and the Purchase Agreement.

The Director of Finance shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds to the Underwriter upon payment of the purchase price.

In addition, the City Manager, the Director of Finance, the City Attorney and the Clerk and other City officials as appropriate each are authorized to give appropriate notices and certificates to sign any transcript certificates, financial statements and other documents and instruments and to take
such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

Section 7. Official Statement; Continuing Disclosure; Rating; Credit Support Instrument.

(a) Primary Offering Disclosure -- Official Statement. If in the judgment of the Director of Finance an Official Statement relating to the Bonds is appropriate, that officer, together with the City Manager, each are authorized, on behalf of the City and in their respective official capacities, is authorized (i) to prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, such an Official Statement, (ii) to determine, and to certify or otherwise represent, when the Official Statement is to be “deemed final” (except for permitted omissions) by the City or is a final Official Statement within the meaning of the Rule, (iii) to use and distribute, or authorize the use and distribution of the Official Statement and any supplements thereto in connection with the issuance of the Bonds, and (iv) to complete and sign the Official Statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of the Official Statement as may in that officer’s judgment be necessary or appropriate.

(b) Agreement to Provide Continuing Disclosure. For the benefit of the holders and Beneficial Owners from time to time of the Bonds, the City agrees, in accordance with and as the only obligated person with respect to the Bonds under the Rule, to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner, as may be required for purposes of the Rule. In order to describe and specify certain terms of the City’s continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the City Manager and the Director of Finance are authorized to sign and deliver, in the name and on behalf of the City, the Continuing Disclosure Agreement, in substantially the form as is now on file with the Clerk, with any amendments that are not materially inconsistent this Ordinance and not substantially adverse to the City and that are approved by the City Manager and the Director of Finance on behalf of the City and approved as to form by the City Attorney, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement or amendments to it. As to the Bonds, the Continuing Disclosure Agreement shall be the City’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the City would be required to incur to perform it.

The Director of Finance is further authorized to establish procedures in order to ensure compliance by the City with the Continuing Disclosure Agreement, including timely provision of information and notices. Prior to making any filing in accordance with that agreement or providing notice of the occurrence of any other events, the Director of Finance shall consult with and obtain legal advice from, as appropriate, the City Attorney and bond or other qualified independent special counsel selected by the City. The Director of Finance, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made.

(c) Application for Ratings or Credit Support Instrument. If, in the judgment of the Director of Finance, the filing of an application for (i) a rating on the Bonds by one or more nationally-recognized rating agencies, or (ii) a policy of insurance or other Credit Support Instrument from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to the City, the Director of Finance is authorized to prepare and submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or Credit Support Instrument, except to the extent paid by the Underwriter in accordance
with the Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or to be appropriated for that purpose. The Director of Finance is hereby authorized, to the extent necessary or required, to enter into any agreements, in the name of and on behalf of the City, which the Director of Finance determines to be necessary in connection with the obtaining of that Credit Support Instrument.

Section 8. Application of Proceeds of Sale of the Bonds. The proceeds from the sale of the Bonds, except any accrued interest and any proceeds to be used to pay Financing Costs as determined by the Director of Finance, shall be paid into the proper fund or funds, and those proceeds are appropriated and shall be used for the purpose for which the Bonds are being issued. The expenditure of funds for the foregoing purpose is hereby authorized. Proceeds in the amount of any temporary advances as certified by the Director of Finance are to be credited to the fund from which temporary advances were made to reimburse it for temporary advances made to pay capital expenditures previously made for the foregoing purpose, and such amount is charged against those proceeds. Immediately following the issuance of the Bonds, the appropriate officers are directed further to reflect such reimbursement, together with reimbursement of any additional amounts eligible for reimbursement under U.S. Treasury Regulations Section 1.150-2, on the appropriate accounting records of the City. Any portion of those proceeds representing accrued interest shall be paid into the Bond Retirement Fund. Any portion of those proceeds received by the City representing premium (after payment of any Financing Costs identified in the Certificate of Award and the Registrar Agreement) shall be paid into the Bond Retirement Fund. The expenditure of amounts necessary to pay Financing Costs is authorized and approved.

Section 9. Security for the Bonds and Provisions for Tax Levy. That the Bonds shall be the general obligations of the City, and the full faith, credit and revenue of the City are hereby pledged for the prompt payment of the same.

There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the ten-mill limitation prescribed by Section 171 of the Charter of the City, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due.

In each year to the extent the income from the City income tax is available for the payment of the debt charges on the Bonds and is appropriated for that purpose, the amount of the tax shall be reduced by the amount of the income so available and appropriated in compliance with the following covenant. To the extent necessary, the debt charges on the Bonds shall be paid from municipal income taxes lawfully available therefor under the Constitution and laws of the State of Ohio and the Charter of the City; and the City hereby covenants, subject and pursuant to such authority, including particularly Section 133.05(B)(7), Revised Code, to appropriate annually from such municipal income taxes as is necessary to meet such annual debt charges. Nothing in this paragraph in any way diminishes the pledge of the full faith and credit and property taxing power of the City to the prompt payment of the debt charges on the Bonds.
Section 10. Federal Tax Covenants. That the City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance, or any other officer of the City having responsibility for issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds.

The Bonds are not designated “qualified tax-exempt obligations” for the purposes set forth in Section 265(b)(3) of the Code.

Section 11. Certification and Delivery of Ordinance and Certificate of Award. That the Clerk is directed to deliver a certified copy of this Ordinance and the Certificate of Award to the County Auditor.

Section 12. Officers. That in the event of the absence, unavailability or inability to act of, or a vacancy in the office of, the City Manager, the Director of Finance, the City Attorney, or the Clerk, any assistant, deputy or interim City Manager, any assistant, deputy or interim Director of Finance, any assistant or acting City Attorney, or any assistant or acting Clerk are each authorized and empowered to take all actions, and to execute all documents and instruments and to deliver the same, as are herein authorized to be taken or executed and delivered by the City Manager, the Director of Finance, the City Attorney, or the Clerk, as the case may be.
authorized to be taken or executed and delivered by the City Manager, the Director of Finance, the City Attorney, or the Clerk, as the case may be.

Section 13. Severability. That each section of this Ordinance and each subdivision of any section hereof is hereby declared to be independent, and the finding or holding of any section or subdivision of any section hereof to be invalid or void shall not be deemed nor held to affect the validity of any other section or subdivision of this Ordinance.

Section 14. Findings and Recitals of Validity. That this Commission determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation is applicable to the Bonds or their issuance. It is further found and determined, and is hereby represented and recited, that the provisions of the City’s Charter, the rules of this Commission and its ordinances and resolutions have been fully complied with and that this Ordinance was passed in conformity therewith.

Section 15. Open Meetings. That this Commission finds and determines that all formal actions of this Commission concerning and relating to the passage of this Ordinance were taken in an open meeting of this Commission and that all deliberations of this Commission and of any of its committees that resulted in those formal actions, were in meetings open to the public in compliance with the law.

Section 16. Effective Date. That for reasons stated in the preambles hereof, this Ordinance is declared to be an emergency measure and shall take effect immediately upon its passage.

(f) **Redemption Provisions.** The Bonds shall be subject to redemption prior to stated maturity as follows:

(i) **Mandatory Sinking Fund Redemption of Term Bonds.** If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to Mandatory Sinking Fund Requirements, at a redemption price of one-hundred percent (100%) of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those Mandatory Redemption Dates, for which provision is made in the Certificate of Award (such Mandatory Redemption Dates and amounts being referred to as the “Mandatory Sinking Fund Redemption Requirements”).

The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on any Term Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that date the principal amount of Term Bonds payable on that date pursuant to Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as provided below).

The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered. That option shall be exercised by the City on or before the 15th day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Director of Finance, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Sinking Fund Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the Director of Finance, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered, redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at one-hundred percent (100%) of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) **Optional Redemption.** The Bonds of the maturities (and interest rate within a maturity) specified in the Certificate of Award may be subject to optional redemption by and at the sole option of the City, in whole or in part in whole multiples of $5,000 on the dates and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Director of Finance in the
Certificate of Award; provided that the earliest optional redemption date shall not be later than ten and one-half years from the Closing Date, and the highest redemption price shall not be greater than 102% of the principal amount redeemed plus accrued interest to the redemption date. The Director of Finance may determine in the Certificate of Award that it is in the best interests of the City for some or all of the Bonds not to be callable prior to their stated maturity.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Director of Finance to the Bond Registrar, given upon the direction of this Commission through a resolution or an ordinance. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least forty-five (45) days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities selected by the City. If fewer than all of the Bonds of a single maturity are to be redeemed, the selection of Bonds of that maturity to be redeemed, or portions thereof in amounts of $5,000 or any whole multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than $5,000 are then outstanding, each $5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of $5,000. If it is determined that one or more, but not all, of the $5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a $5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (i) for payment of the redemption price of the $5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (ii) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (a) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (b) the redemption price to be paid, (c) the date fixed for redemption, and (d) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least thirty (30) days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner’s address then shown on the Bond Register maintained by the Bond Registrar. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.
(v) **Payment of Redeemed Bonds.** In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

(vi) **Purchase in Lieu of Redemption.** If and to the extent provided in the Certificate of Award, the City may have the option to purchase any Bond that is redeemable by optional redemption at a purchase price not less than the redemption price that would be payable if that Bond were called for optional redemption on the date of the proposed purchase. That election shall be exercised by written direction from the Director of Finance to the Bond Registrar given within the same time period specified for the City’s giving notice of optional redemption of Bonds. That written direction shall identify the Bonds to be purchased by their maturity date and shall specify the principal amount of each maturity to be purchased in lieu of redemption. The purchase price of the Bonds to be purchased in lieu of redemption shall be equal to the principal of, any accrued but unpaid interest on, and any premium that would have been payable on the Bonds if the Bonds had been optionally redeemed instead of being purchased. Notice of the purchase of Bonds in lieu of redemption shall be given by the Bond Registrar to the owners of the Bonds in the same manner as notice of redemption is required by this Ordinance to be given. The Bond Registrar, as paying agent, shall not purchase Bonds if sufficient moneys have not been deposited with the Bond Registrar for the purpose. If fewer than all of the outstanding Bonds of a maturity are to be purchased in lieu of redemption, the selection of Bonds to be purchased shall be made in the same manner as is required by this Ordinance for the partial redemption of Bonds. On the date established for the purchase of any Bonds, the Registrar shall pay the purchase price to the registered owners against delivery and shall cause the purchased Bonds to be registered in the name as specified by the Director of Finance.

**Section 4.** **Execution and Authentication of Bonds; Appointment of Bond Registrar.** The Bonds shall be signed by the Mayor or the City Manager and the Director of Finance, in the name of the City and in their official capacities; provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Underwriter and approved by the Director of Finance, shall be numbered as determined by the
Director of Finance in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance.

The Director of Finance shall appoint, in the Certificate of Award, a bank or trust company located in Ohio to act as the authenticating agent, Bond Registrar, transfer agent and paying agent for the Bonds, and to appoint a bank or trust company as necessary to act as successor thereto, after determining that the bank or trust company appointed will not endanger the funds or securities of the City and that proper safeguards are available for that purpose and that appointment shall be confirmed in the Certificate of Award. The Director of Finance shall sign and deliver, in the name and on behalf of the City, the Registrar Agreement in substantially the form now on file with the Clerk, and any amendments to or restatements of the Registrar Agreement. The Registrar Agreement is approved, together with any changes or amendments that are not materially adverse to the City and not inconsistent with this Ordinance and that are approved by the Director of Finance on behalf of the City and approved as to form by the City Attorney. Those approvals shall be conclusively evidenced by the signing of the Registrar Agreement or amendments thereto or restatements thereof. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Registrar Agreement, except to the extent paid or reimbursed by the Bond Registrar in accordance with the Registrar Agreement, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Director of Finance on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5. Registration; Transfer and Exchange; Book-Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at the office satisfactory to the Director of Finance and the Bond Registrar. Subject to the provisions of subsection (c) below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City’s liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the designated corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond
Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the registered owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the fifteenth (15th) day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) **Book-Entry System.** Notwithstanding any other provisions of this Ordinance, if the Director of Finance determines in the Certificate of Award that it is in the best interest of and financially advantageous to the City, the Bonds may be issued in book-entry form in accordance with the following provisions of this Section.

The Bonds may be issued to a Depository for use in a book-entry system and, if and as long as a book-entry system is utilized: (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity, and, if applicable, each interest rate within a maturity, and registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository or its designated agent for that purpose, which may be the Bond Registrar; (ii) the Beneficial Owners of Bonds in book-entry form shall have no right to receive Bonds in the form of physical securities or certificates; (iii) ownership of beneficial interests in book-entry form shall be shown by book entry on the system maintained and operated by the DTC Participant, and transfers of the ownership of beneficial interests shall be made only by book entry by the DTC Participant; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book-entry system, the Director of Finance may attempt to establish a securities depository/book-entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the Beneficial Owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form and Authorized Denominations to be authenticated by the Bond Registrar and delivered to the assignees of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the City, that the Director of Finance determines to be necessary in connection with a book-entry system for the Bonds.

The Certificate of Award shall be incorporated in and form a part of this Ordinance.

At the time of the signing of the Certificate of Award, the Director of Finance is authorized to sell the Bonds to the Underwriter at a purchase price of not less than ninety-seven percent (97%) of the amount equal to (a) the principal amount of the Bonds, (b) plus any original issue premium, and (c) minus any original issue discount, as shall be determined in the Certificate of Award, plus accrued interest on the aggregate principal amount of the Bonds from their date to the date of delivery and payment for them.

The Director of Finance is authorized and directed to sign and deliver the Certificate of Award selling the Bonds to the Underwriter at the purchase price established therein and in accordance with this Ordinance, and to evidence that sale and the further terms and provisions of that sale and the Bonds by completing, signing and delivering that Certificate of Award and the Purchase Agreement substantially in the form now on file with the Clerk. The form of the Purchase Agreement is hereby approved with such changes in it as are not materially inconsistent with this Ordinance and not substantially adverse to the City and as shall be approved by the Director of Finance and approved as to form by the City Attorney. The approval of those changes, and the determination that those changes are not substantially adverse to the City, shall be conclusively evidenced by that signing.

The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Revised Code to be designated as provided in the Certificate of Award, in which case a single Certificate of Award and a single Purchase Agreement may be utilized for the consolidated bond issue if appropriate and consistent with the terms of this Ordinance.

It is hereby determined by this Commission that the parameters for the purchase price for and the terms of the Bonds and the sale procedures for their sale, all as established in accordance with this Ordinance, are in the best interest of the City and in compliance with all legal requirements.

The City Manager, the Director of Finance, the City Attorney and the Clerk are directed to make the necessary arrangement on behalf of the City to establish the date, location, procedure and conditions for the delivery of the Bonds to the Underwriter and to take all actions necessary to effect due signing, authentication and delivery of the Bonds under the terms of the this Ordinance and the Purchase Agreement.

The Director of Finance shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds to the Underwriter upon payment of the purchase price.

In addition, the City Manager, the Director of Finance, the City Attorney and the Clerk and other City officials as appropriate each are authorized to give appropriate notices and certificates to sign any transcript certificates, financial statements and other documents and instruments and to take
such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

Section 7. Official Statement; Continuing Disclosure; Rating; Credit Support Instrument.

(a) Primary Offering Disclosure -- Official Statement. If in the judgment of the Director of Finance an Official Statement relating to the Bonds is appropriate, that officer, together with the City Manager, each are authorized, on behalf of the City and in their respective official capacities, is authorized (i) to prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, such an Official Statement, (ii) to determine, and to certify or otherwise represent, when the Official Statement is to be “deemed final” (except for permitted omissions) by the City or is a final Official Statement within the meaning of the Rule, (iii) to use and distribute, or authorize the use and distribution of the Official Statement and any supplements thereto in connection with the issuance of the Bonds, and (iv) to complete and sign the Official Statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of the Official Statement as may in that officer’s judgment be necessary or appropriate.

(b) Agreement to Provide Continuing Disclosure. For the benefit of the holders and Beneficial Owners from time to time of the Bonds, the City agrees, in accordance with and as the only obligated person with respect to the Bonds under the Rule, to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner, as may be required for purposes of the Rule. In order to describe and specify certain terms of the City’s continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the City Manager and the Director of Finance are authorized to sign and deliver, in the name and on behalf of the City, the Continuing Disclosure Agreement, in substantially the form as is now on file with the Clerk, with any amendments that are not materially inconsistent this Ordinance and not substantially adverse to the City and that are approved by the City Manager and the Director of Finance on behalf of the City and approved as to form by the City Attorney, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement or amendments to it. As to the Bonds, the Continuing Disclosure Agreement shall be the City’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the City would be required to incur to perform it.

The Director of Finance is further authorized to establish procedures in order to ensure compliance by the City with the Continuing Disclosure Agreement, including timely provision of information and notices. Prior to making any filing in accordance with that agreement or providing notice of the occurrence of any other events, the Director of Finance shall consult with and obtain legal advice from, as appropriate, the City Attorney and bond or other qualified independent special counsel selected by the City. The Director of Finance, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made.

(c) Application for Ratings or Credit Support Instrument. If, in the judgment of the Director of Finance, the filing of an application for (i) a rating on the Bonds by one or more nationally-recognized rating agencies, or (ii) a policy of insurance or other Credit Support Instrument from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to the City, the Director of Finance is authorized to prepare and submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or Credit Support Instrument, except to the extent paid by the Underwriter in accordance
with the Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or to be appropriated for that purpose. The Director of Finance is hereby authorized, to the extent necessary or required, to enter into any agreements, in the name of and on behalf of the City, which the Director of Finance determines to be necessary in connection with the obtaining of that Credit Support Instrument.

Section 8. Application of Proceeds of Sale of the Bonds. The proceeds from the sale of the Bonds, except any accrued interest and any proceeds to be used to pay Financing Costs as determined by the Director of Finance, shall be paid into the proper fund or funds, and those proceeds are appropriated and shall be used for the purpose for which the Bonds are being issued. The expenditure of funds for the foregoing purpose is hereby authorized. Proceeds in the amount of any temporary advances as certified by the Director of Finance are to be credited to the fund from which temporary advances were made to reimburse it for temporary advances made to pay capital expenditures previously made for the foregoing purpose, and such amount is charged against those proceeds. Immediately following the issuance of the Bonds, the appropriate officers are directed further to reflect such reimbursement, together with reimbursement of any additional amounts eligible for reimbursement under U.S. Treasury Regulations Section 1.150-2, on the appropriate accounting records of the City. Any portion of those proceeds representing accrued interest shall be paid into the Bond Retirement Fund. Any portion of those proceeds received by the City representing premium (after payment of any Financing Costs identified in the Certificate of Award and the Registrar Agreement) shall be paid into the Bond Retirement Fund. The expenditure of amounts necessary to pay Financing Costs is authorized and approved.

Section 9. Security for the Bonds and Provisions for Tax Levy. That the Bonds shall be the general obligations of the City, and the full faith, credit and revenue of the City are hereby pledged for the prompt payment of the same.

There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the ten-mill limitation prescribed by Section 171 of the Charter of the City, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due.

In each year to the extent the income from the City income tax is available for the payment of the debt charges on the Bonds and is appropriated for that purpose, the amount of the tax shall be reduced by the amount of the income so available and appropriated in compliance with the following covenant. To the extent necessary, the debt charges on the Bonds shall be paid from municipal income taxes lawfully available therefor under the Constitution and laws of the State of Ohio and the Charter of the City; and the City hereby covenants, subject and pursuant to such authority, including particularly Section 133.05(B)(7), Revised Code, to appropriate annually from such municipal income taxes as is necessary to meet such annual debt charges. Nothing in this paragraph in any way diminishes the pledge of the full faith and credit and property taxing power of the City to the prompt payment of the debt charges on the Bonds.
Section 10. Federal Tax Covenants. That the City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance, or any other officer of the City having responsibility for issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds.

The Bonds are not designated “qualified tax-exempt obligations” for the purposes set forth in Section 265(b)(3) of the Code.

Section 11. Certification and Delivery of Ordinance and Certificate of Award. That the Clerk is directed to deliver a certified copy of this Ordinance and the Certificate of Award to the County Auditor.

Section 12. Officers. That in the event of the absence, unavailability or inability to act of, or a vacancy in the office of, the City Manager, the Director of Finance, the City Attorney, or the Clerk, any assistant, deputy or interim City Manager, any assistant, deputy or interim Director of Finance, any assistant or acting City Attorney, or any assistant or acting Clerk are each authorized and empowered to take all actions, and to execute all documents and instruments and to deliver the same, as are herein authorized to be taken or executed and delivered by the City Manager, the Director of Finance, the City Attorney, or the Clerk, as the case may be.
Section 13. Severability. That each section of this Ordinance and each subdivision of any section hereof is hereby declared to be independent, and the finding or holding of any section or subdivision of any section hereof to be invalid or void shall not be deemed nor held to affect the validity of any other section or subdivision of this Ordinance.

Section 14. Findings and Recitals of Validity. That this Commission determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation is applicable to the Bonds or their issuance. It is further found and determined, and is hereby represented and recited, that the provisions of the City’s Charter, the rules of this Commission and its ordinances and resolutions have been fully complied with and that this Ordinance was passed in conformity therewith.

Section 15. Open Meetings. That this Commission finds and determines that all formal actions of this Commission concerning and relating to the passage of this Ordinance were taken in an open meeting of this Commission and that all deliberations of this Commission and of any of its committees that resulted in those formal actions, were in meetings open to the public in compliance with the law.

Section 16. Effective Date. That for reasons stated in the preambles hereof, this Ordinance is declared to be an emergency measure and shall take effect immediately upon its passage.

A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the Director of Finance, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at one-hundred percent (100%) of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered, redeemed or purchased and canceled.
(ii) **Optional Redemption.** The Bonds of the maturities (and interest rate within a maturity) specified in the Certificate of Award may be subject to optional redemption by and at the sole option of the City, in whole or in part in whole multiples of $5,000 on the dates and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Director of Finance in the Certificate of Award; provided that the earliest optional redemption date shall not be later than ten and one-half years from the Closing Date, and the highest redemption price shall not be greater than 102% of the principal amount redeemed plus accrued interest to the redemption date. The Director of Finance may determine in the Certificate of Award that it is in the best interests of the City for some or all of the Bonds not to be callable prior to their stated maturity.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Director of Finance to the Bond Registrar, given upon the direction of this Commission through a resolution or an ordinance. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least forty-five (45) days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) **Partial Redemption.** If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities selected by the City. If fewer than all of the Bonds of a single maturity are to be redeemed, the selection of Bonds of that maturity to be redeemed, or portions thereof in amounts of $5,000 or any whole multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than $5,000 are then outstanding, each $5,000 unit of principal, thereof shall be treated as if it were a separate Bond of the denomination of $5,000. If it is determined that one or more, but not all, of the $5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a $5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (i) for payment of the redemption price of the $5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (ii) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.
(iv) **Notice of Redemption.** The notice of the call for redemption of Bonds shall identify (a) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (b) the redemption price to be paid, (c) the date fixed for redemption, and (d) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least thirty (30) days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner’s address then shown on the Bond Register maintained by the Bond Registrar. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) **Payment of Redeemed Bonds.** In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

(vi) **Purchase in Lieu of Redemption.** If and to the extent provided in the Certificate of Award, the City may have the option to purchase any Bond that is redeemable by optional redemption at a purchase price not less than the redemption price that would be payable if that Bond were called for optional redemption on the date of the proposed purchase. That election shall be exercised by written direction from the Director of Finance to the Bond Registrar given within the same time period specified for the City’s giving notice of optional redemption of Bonds. That written direction shall identify the Bonds to be purchased by their maturity date and shall specify the principal amount of each maturity to be purchased in lieu of redemption.
The purchase price of the Bonds to be purchased in lieu of redemption shall be equal to the principal of, any accrued but unpaid interest on, and any premium that would have been payable on the Bonds if the Bonds had been optionally redeemed instead of being purchased. Notice of the purchase of Bonds in lieu of redemption shall be given by the Bond Registrar to the owners of the Bonds in the same manner as notice of redemption is required by this Ordinance to be given. The Bond Registrar, as paying agent, shall not purchase Bonds if sufficient moneys have not been deposited with the Bond Registrar for the purpose. If fewer than all of the outstanding Bonds of a maturity are to be purchased in lieu of redemption, the selection of Bonds to be purchased shall be made in the same manner as is required by this Ordinance for the partial redemption of Bonds. On the date established for the purchase of any Bonds, the Registrar shall pay the purchase price to the registered owners against delivery and shall cause the purchased Bonds to be registered in the name as specified by the Director of Finance.

Section 4. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Mayor or the City Manager and the Director of Finance, in the name of the City and in their official capacities; provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Underwriter and approved by the Director of Finance, shall be numbered as determined by the Director of Finance in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance.

The Director of Finance shall appoint, in the Certificate of Award, a bank or trust company located in Ohio to act as the authenticating agent, Bond Registrar, transfer agent and paying agent for the Bonds, and to appoint a bank or trust company as necessary to act as successor thereto, after determining that the bank or trust company appointed will not endanger the funds or securities of the City and that proper safeguards are available for that purpose and that appointment shall be confirmed in the Certificate of Award. The Director of Finance shall sign and deliver, in the name and on behalf of the City, the Registrar Agreement in substantially the form now on file with the Clerk, and any amendments to or restatements of the Registrar Agreement. The Registrar Agreement is approved, together with any changes or amendments that are not materially adverse to the City and not inconsistent with this Ordinance and that are approved by the Director of Finance on behalf of the City and approved as to form by the City Attorney. Those approvals shall be conclusively evidenced by the signing of the Registrar Agreement or amendments thereto or restatements thereof. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Registrar Agreement, except to the extent paid or reimbursed by the Bond Registrar in accordance with the Registrar Agreement, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so
authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Director of Finance on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5. Registration; Transfer and Exchange; Book-Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at the office satisfactory to the Director of Finance and the Bond Registrar. Subject to the provisions of subsection (c) below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City’s liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the designated corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the registered owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the fifteenth (15th) day preceding the mailing of notice of Bonds to be

- 11 -
redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) Book-Entry System. Notwithstanding any other provisions of this Ordinance, if the Director of Finance determines in the Certificate of Award that it is in the best interest of and financially advantageous to the City, the Bonds may be issued in book-entry form in accordance with the following provisions of this Section.

The Bonds may be issued to a Depository for use in a book-entry system and, if and as long as a book-entry system is utilized: (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity, and, if applicable, each interest rate within a maturity, and registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository or its designated agent for that purpose, which may be the Bond Registrar; (ii) the Beneficial Owners of Bonds in book-entry form shall have no right to receive Bonds in the form of physical securities or certificates; (iii) ownership of beneficial interests in book-entry form shall be shown by book entry on the system maintained and operated by the DTC Participant, and transfers of the ownership of beneficial interests shall be made only by book entry by the DTC Participant; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book-entry system, the Director of Finance may attempt to establish a securities depository/book-entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the Beneficial Owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form and Authorized Denominations to be authenticated by the Bond Registrar and delivered to the assignees of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the City, that the Director of Finance determines to be necessary in connection with a book-entry system for the Bonds.

Section 6. Sale of the Bonds. That the Bonds shall first be offered for purchase to the Treasury Investment Account of the City for purchase and, if not purchased for that Account, shall be awarded and sold, at a public or private sale, to the Underwriter. The Director of Finance is authorized to approve the final principal amount of the Bonds and to determine the terms of the Bonds as required or authorized in Section 3 and to specify that principal amount and those terms in the Certificate of Award, in accordance with law and the provisions of this Ordinance and the Purchase Agreement. The Certificate of Award shall be incorporated in and form a part of this Ordinance.

At the time of the signing of the Certificate of Award, the Director of Finance is authorized to sell the Bonds to the Underwriter at a purchase price of not less than ninety-
seven percent (97%) of the amount equal to (a) the principal amount of the Bonds, (b) plus any original issue premium, and (c) minus any original issue discount, as shall be determined in the Certificate of Award, plus accrued interest on the aggregate principal amount of the Bonds from their date to the date of delivery and payment for them.

The Director of Finance is authorized and directed to sign and deliver the Certificate of Award selling the Bonds to the Underwriter at the purchase price established therein and in accordance with this Ordinance, and to evidence that sale and the further terms and provisions of that sale and the Bonds by completing, signing and delivering that Certificate of Award and the Purchase Agreement substantially in the form now on file with the Clerk. The form of the Purchase Agreement is hereby approved with such changes in it as are not materially inconsistent with this Ordinance and not substantially adverse to the City and as shall be approved by the Director of Finance and approved as to form by the City Attorney. The approval of those changes, and the determination that those changes are not substantially adverse to the City, shall be conclusively evidenced by that signing.

The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Revised Code to be designated as provided in the Certificate of Award, in which case a single Certificate of Award and a single Purchase Agreement may be utilized for the consolidated bond issue if appropriate and consistent with the terms of this Ordinance.

It is hereby determined by this Commission that the parameters for the purchase price for and the terms of the Bonds and the sale procedures for their sale, all as established in accordance with this Ordinance, are in the best interest of the City and in compliance with all legal requirements.

The City Manager, the Director of Finance, the City Attorney and the Clerk are directed to make the necessary arrangement on behalf of the City to establish the date, location, procedure and conditions for the delivery of the Bonds to the Underwriter and to take all actions necessary to effect due signing, authentication and delivery of the Bonds under the terms of the this Ordinance and the Purchase Agreement.

The Director of Finance shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds to the Underwriter upon payment of the purchase price.

In addition, the City Manager, the Director of Finance, the City Attorney and the Clerk and other City officials as appropriate each are authorized to give appropriate notices and certificates to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

**Section 7. Official Statement; Continuing Disclosure; Rating; Credit Support Instrument.**
(a) **Primary Offering Disclosure - Official Statement.** If in the judgment of the Director of Finance an Official Statement relating to the Bonds is appropriate, that officer, together with the City Manager, each are authorized, on behalf of the City and in their respective official capacities, is authorized (i) to prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, such an Official Statement, (ii) to determine, and to certify or otherwise represent, when the Official Statement is to be “deemed final” (except for permitted omissions) by the City or is a final Official Statement within the meaning of the Rule, (iii) to use and distribute, or authorize the use and distribution of the Official Statement and any supplements thereto in connection with the issuance of the Bonds, and (iv) to complete and sign the Official Statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of the Official Statement as may in that officer’s judgment be necessary or appropriate.

(b) **Agreement to Provide Continuing Disclosure.** For the benefit of the holders and Beneficial Owners from time to time of the Bonds, the City agrees, in accordance with and as the only obligated person with respect to the Bonds under the Rule, to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner, as may be required for purposes of the Rule. In order to describe and specify certain terms of the City’s continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the City Manager and the Director of Finance are authorized to sign and deliver, in the name and on behalf of the City, the Continuing Disclosure Agreement, in substantially the form as is now on file with the Clerk, with any amendments that are not materially inconsistent this Ordinance and not substantially adverse to the City and that are approved by the City Manager and the Director of Finance on behalf of the City and approved as to form by the City Attorney, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement or amendments to it. As to the Bonds, the Continuing Disclosure Agreement shall be the City’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the City would be required to incur to perform it.

The Director of Finance is further authorized to establish procedures in order to ensure compliance by the City with the Continuing Disclosure Agreement, including timely provision of information and notices. Prior to making any filing in accordance with that agreement or providing notice of the occurrence of any other events, the Director of Finance shall consult with and obtain legal advice from, as appropriate, the City Attorney and bond or other qualified independent special counsel selected by the City. The Director of Finance, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made.

(c) **Application for Ratings or Credit Support Instrument.** If, in the judgment of the Director of Finance, the filing of an application for (i) a rating on the Bonds by one or more nationally-recognized rating agencies, or (ii) a policy of insurance or other Credit Support Instrument from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to the City,
the Director of Finance is authorized to prepare and submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or Credit Support Instrument, except to the extent paid by the Underwriter in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or to be appropriated for that purpose. The Director of Finance is hereby authorized, to the extent necessary or required, to enter into any agreements, in the name of and on behalf of the City, which the Director of Finance determines to be necessary in connection with the obtaining of that Credit Support Instrument.

Section 8. Application of Proceeds of Sale of the Bonds. The proceeds from the sale of the Bonds, except any accrued interest and any proceeds to be used to pay Financing Costs as determined by the Director of Finance, shall be paid into the proper fund or funds, and those proceeds are appropriated and shall be used for the purpose for which the Bonds are being issued. The expenditure of funds for the foregoing purpose is hereby authorized. Proceeds in the amount of any temporary advances as certified by the Director of Finance are to be credited to the fund from which temporary advances were made to reimburse it for temporary advances made to pay capital expenditures previously made for the foregoing purpose, and such amount is charged against those proceeds. Immediately following the issuance of the Bonds, the appropriate officers are directed further to reflect such reimbursement, together with reimbursement of any additional amounts eligible for reimbursement under U.S. Treasury Regulations Section 1.150-2, on the appropriate accounting records of the City. Any portion of those proceeds representing accrued interest shall be paid into the Bond Retirement Fund. Any portion of those proceeds received by the City representing premium (after payment of any Financing Costs identified in the Certificate of Award and the Registrar Agreement) shall be paid into the Bond Retirement Fund. The expenditure of amounts necessary to pay Financing Costs is authorized and approved.

Section 9. Security for the Bonds and Provisions for Tax Levy. That the Bonds shall be the general obligations of the City, and the full faith, credit and revenue of the City are hereby pledged for the prompt payment of the same.

There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the ten-mill limitation prescribed by Section 171 of the Charter of the City, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due.

In each year to the extent the income from the City income tax is available for the payment of the debt charges on the Bonds and is appropriated for that purpose, the amount of the tax shall be reduced by the amount of the income so available and appropriated in
compliance with the following covenant. To the extent necessary, the debt charges on the Bonds shall be paid from municipal income taxes lawfully available therefor under the Constitution and laws of the State of Ohio and the Charter of the City; and the City hereby covenants, subject and pursuant to such authority, including particularly Section 133.05(B)(7), Revised Code, to appropriate annually from such municipal income taxes as is necessary to meet such annual debt charges. Nothing in this paragraph in any way diminishes the pledge of the full faith and credit and property taxing power of the City to the prompt payment of the debt charges on the Bonds.

In addition to the tax pledge contained above, this Commission covenants to appropriate annually from lawfully available stormwater system revenues amounts necessary to meet debt service charges on the Bonds. In any year to the extent that stormwater system revenues of the City are used to pay principal and interest charges on said Bonds and such amount is appropriated by this Commission to the payment of such interest and principal said tax shall not be levied.

**Section 10. Federal Tax Covenants.** That the City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance, or any other officer of the City having responsibility for issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City,
as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds.

The Bonds are not designated “qualified tax exempt obligations” for the purposes set forth in Section 265(b)(3) of the Code.

Section 11. Certification and Delivery of Ordinance and Certificate of Award. That the Clerk is directed to deliver a certified copy of this Ordinance and the Certificate of Award to the County Auditor.

Section 12. Officers. That in the event of the absence, unavailability or inability to act of, or a vacancy in the office of, the City Manager, the Director of Finance, the City Attorney, or the Clerk, any assistant, deputy or interim City Manager, any assistant, deputy or interim Director of Finance, any assistant or acting City Attorney, or any assistant or acting Clerk are each authorized and empowered to take all actions, and to execute all documents and instruments and to deliver the same, as are herein authorized to be taken or executed and delivered by the City Manager, the Director of Finance, the City Attorney, or the Clerk, as the case may be.

Section 13. Severability. That each section of this Ordinance and each subdivision of any section hereof is hereby declared to be independent, and the finding or holding of any section or subdivision of any section hereof to be invalid or void shall not be deemed nor held to affect the validity of any other section or subdivision of this Ordinance.

Section 14. Findings and Recitals of Validity. That this Commission determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation is applicable to the Bonds or their issuance. It is further found and determined, and is hereby represented and recited, that the provisions of the City’s Charter, the rules of this Commission and its ordinances and resolutions have been fully complied with and that this Ordinance was passed in conformity therewith.

Section 15. Open Meetings. That this Commission finds and determines that all formal actions of this Commission concerning and relating to the passage of this Ordinance were taken in an open meeting of this Commission and that all deliberations of this Commission and of any of its committees that resulted in those formal actions, were in meetings open to the public in compliance with the law.
Section 16. Effective Date. That for reasons stated in the preambles hereof, this Ordinance is declared to be an emergency measure and shall take effect immediately upon its passage.

The aggregate principal amount of Bonds to be issued shall not exceed the maximum principal amount specified in this Section and shall be an amount determined by the Director of Finance in the Certificate of Award to be the aggregate principal amount of Bonds that is required to be issued at this time for the purpose stated in this Section 2. The Bonds may be sold in one or more series and shall be designated as provided in the Certificate of Award. The Bonds are to be issued pursuant to the to the provisions of Article XVIII of the Constitution of Ohio, Chapter 133 and other applicable provisions of the Ohio Revised Code, the Charter of the City and this Ordinance.

Section 3. Denominations; Dating; Principal and Interest Payment and Redemption Provisions. That the Bonds shall be issued only as fully registered bonds, in Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The Bonds shall be dated the Closing Date or such earlier date as may be specified in the Certificate of Award, provided that such earlier date shall not be more than sixty (60) days prior to the Closing Date.

(a) Interest Rates and Payment Dates. The Bonds shall bear interest at the rate or rates per year (computed on the basis of a 360-day year consisting of twelve 30-day months), as shall be determined by the Director of Finance, subject to subsection (c) of this Section, in the Certificate of Award. Interest on the Bonds shall be payable at such rate or rates on the Interest Payment Dates until the principal amount has been paid or provided for. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

(b) Principal Payment Schedule. The Bonds shall mature or be payable pursuant to Mandatory Sinking Fund Redemption Requirements on the Principal Payment Dates in such principal amounts as shall be determined by the Director of Finance, subject to subsection (c) of this Section, in the Certificate of Award, consistent with that officer’s determination of the best interest of and financial advantages to the City.

Consistent with the foregoing and in accordance with the determination of the best interest of and financial advantages to the City, the Director of Finance shall specify in the Certificate of Award (i) the aggregate principal amount of Bonds to be issued as Serial Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date and (ii) the aggregate principal amount of Bonds to be issued as Term Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Date or Dates on which Term Bonds shall be subject to mandatory sinking fund
redemption (each a “Mandatory Redemption Date”) and the principal amount thereof that shall be payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Mandatory Redemption Date.

(c) **Conditions for Establishment of Interest Rates.** The true interest cost of the Bonds determined by taking into account the respective principal amounts of the Bonds and terms to maturity or Mandatory Sinking Fund Redemption Requirements of those principal amounts of the Bonds shall not exceed 4.50%.

(d) **Principal Payment Dates and Amounts.** The rate or rates of interest per year to be borne by the Bonds, and the principal amount of Bonds maturing or payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Principal Payment Date, shall be such that the total principal and interest payments on the Bonds in any fiscal year in which principal is payable is not more than three times the amount of those payments in any other such fiscal year.

(e) **Payment of Debt Charges.** The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of and any premium on the Bonds shall be payable when due upon presentation and surrender of the Bonds at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the designated corporate trust office of the Bond Registrar. Interest on a Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person’s address appearing, on the Bond Register at the close of business on the date provided in the Registrar Agreement. Notwithstanding the foregoing, if and so long as the Bonds are issued in a book-entry system, principal of and interest and any premium on the Bonds shall be payable in the manner provided in any agreement entered into by the Director of Finance, in the name and on behalf of the City, in connection with the book-entry system.

(f) **Redemption Provisions.** The Bonds shall be subject to redemption prior to stated maturity as follows:

(i) **Mandatory Sinking Fund Redemption of Term Bonds.** If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to Mandatory Sinking Fund Requirements, at a redemption price of one-hundred percent (100%) of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those Mandatory Redemption Dates, for which provision is made in the Certificate of Award (such Mandatory Redemption Dates and amounts being referred to as the “Mandatory Sinking Fund Redemption Requirements”).

The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on any Term Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that date the principal amount of Term Bonds payable on that date pursuant to Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as provided below).
The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered. That option shall be exercised by the City on or before the 15th day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Director of Finance, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Sinking Fund Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the Director of Finance, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at one-hundred percent (100%) of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Optional Redemption. The Bonds of the maturities (and interest rate within a maturity) specified in the Certificate of Award may be subject to optional redemption by and at the sole option of the City, in whole or in part in whole multiples of $5,000 on the dates and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Director of Finance in the Certificate of Award; provided that the earliest optional redemption date shall not be later than ten and one-half years from the Closing Date, and the highest redemption price shall not be greater than 102% of the principal amount redeemed plus accrued interest to the redemption date. The Director of Finance may determine in the Certificate of Award that it is in the best interests of the City for some or all of the Bonds not to be callable prior to their stated maturity.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions
thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Director of Finance to the Bond Registrar, given upon the direction of this Commission through a resolution or an ordinance. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least forty-five (45) days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities selected by the City. If fewer than all of the Bonds of a single maturity are to be redeemed, the selection of Bonds of that maturity to be redeemed, or portions thereof in amounts of $5,000 or any whole multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than $5,000 are then outstanding, each $5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of $5,000. If it is determined that one or more, but not all, of the $5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a $5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (i) for payment of the redemption price of the $5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (ii) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (a) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (b) the redemption price to be paid, (c) the date fixed for redemption, and (d) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least thirty (30) days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner’s address then shown on the Bond Register maintained by the Bond Registrar. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the
Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

(vi) Purchase in Lieu of Redemption. If and to the extent provided in the Certificate of Award, the City may have the option to purchase any Bond that is redeemable by optional redemption at a purchase price not less than the redemption price that would be payable if that Bond were called for optional redemption on the date of the proposed purchase. That election shall be exercised by written direction from the Director of Finance to the Bond Registrar given within the same time period specified for the City’s giving notice of optional redemption of Bonds. That written direction shall identify the Bonds to be purchased by their maturity date and shall specify the principal amount of each maturity to be purchased in lieu of redemption. The purchase price of the Bonds to be purchased in lieu of redemption shall be equal to the principal of, any accrued but unpaid interest on, and any premium that would have been payable on the Bonds if the Bonds had been optionally redeemed instead of being purchased. Notice of the purchase of Bonds in lieu of redemption shall be given by the Bond Registrar to the owners of the Bonds in the same manner as notice of redemption is required by this Ordinance to be given. The Bond Registrar, as paying agent, shall not purchase Bonds if sufficient moneys have not been deposited with the Bond Registrar for the purpose. If fewer than all of the outstanding Bonds of a maturity are to be purchased in lieu of redemption, the selection of Bonds to be purchased shall be made in the same manner as is required by this Ordinance for the partial redemption of Bonds. On the date established for the purchase of any Bonds, the Registrar shall pay the purchase price to the registered owners against delivery and shall cause the purchased Bonds to be registered in the name as specified by the Director of Finance.
Section 4. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Mayor or the City Manager and the Director of Finance, in the name of the City and in their official capacities; provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Underwriter and approved by the Director of Finance, shall be numbered as determined by the Director of Finance in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance.

The Director of Finance shall appoint, in the Certificate of Award, a bank or trust company located in Ohio to act as the authenticating agent, Bond Registrar, transfer agent and paying agent for the Bonds, and to appoint a bank or trust company as necessary to act as successor thereto, after determining that the bank or trust company appointed will not endanger the funds or securities of the City and that proper safeguards are available for that purpose and that appointment shall be confirmed in the Certificate of Award. The Director of Finance shall sign and deliver, in the name and on behalf of the City, the Registrar Agreement in substantially the form now on file with the Clerk, and any amendments to or restatements of the Registrar Agreement. The Registrar Agreement is approved, together with any changes or amendments that are not materially adverse to the City and not inconsistent with this Ordinance and that are approved by the Director of Finance on behalf of the City and approved as to form by the City Attorney. Those approvals shall be conclusively evidenced by the signing of the Registrar Agreement or amendments thereto or restatements thereof. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Registrar Agreement, except to the extent paid or reimbursed by the Bond Registrar in accordance with the Registrar Agreement, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Director of Finance on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5. Registration; Transfer and Exchange; Book-Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at the office satisfactory to the Director of Finance and the Bond Registrar. Subject to the provisions of subsection (e) below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary,
but the registration may be changed as provided in this Section. All such payments shall be
valid and effectual to satisfy and discharge the City’s liability upon the Bond, including
interest, to the extent of the amount or amounts so paid.

(b) **Transfer and Exchange.** Any Bond may be exchanged for Bonds of any
Authorized Denomination upon presentation and surrender at the office of the Bond Registrar
designated in the Certificate of Award or, if not so designated, then at the designated
corporate trust office of the Bond Registrar, together with a request for exchange signed by
the registered owner or by a person legally empowered to do so in a form satisfactory to the
Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and
surrender of the Bond at the designated office of the Bond Registrar together with an
assignment signed by the registered owner or by a person legally empowered to do so in a
form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall
complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or
Denominations requested by the registered owner equal in the aggregate to the unmatured
principal amount of the Bond surrendered and bearing interest at the same rate and maturing
on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall
undertake the exchange or transfer of Bonds only after the new Bonds are signed by the
authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall
sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the
provisions of the Bond proceedings. The exchange or transfer shall be without charge to the
owner, except that the City and Bond Registrar may make a charge sufficient to reimburse
them for any tax or other governmental charge required to be paid with respect to the
exchange or transfer. The City or the Bond Registrar may require that those charges, if any,
be paid before the procedure is begun for the exchange or transfer. All Bonds issued and
authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing
the same debt, and entitled to the same security and benefit under the Bond proceedings as the
Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar
shall be required to make any exchange or transfer of (i) Bonds then subject to call for
redemption between the fifteenth (15th) day preceding the mailing of notice of Bonds to be
redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in
part.

(c) **Book-Entry System.** Notwithstanding any other provisions of this Ordinance,
if the Director of Finance determines in the Certificate of Award that it is in the best interest
of and financially advantageous to the City, the Bonds may be issued in book-entry form in
accordance with the following provisions of this Section.

The Bonds may be issued to a Depository for use in a book-entry system and, if and as
long as a book-entry system is utilized: (i) the Bonds may be issued in the form of a single,
fully registered Bond representing each maturity, and, if applicable, each interest rate within a
maturity, and registered in the name of the Depository or its nominee, as registered owner,
and immobilized in the custody of the Depository or its designated agent for that purpose,
which may be the Bond Registrar; (ii) the Beneficial Owners of Bonds in book-entry form
shall have no right to receive Bonds in the form of physical securities or certificates; (iii)
ownership of beneficial interests in book-entry form shall be shown by book entry on the system maintained and operated by the DTC Participant, and transfers of the ownership of beneficial interests shall be made only by book entry by the DTC Participant; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book-entry system, the Director of Finance may attempt to establish a securities depository/book-entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the Beneficial Owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form and Authorized Denominations to be authenticated by the Bond Registrar and delivered to the assignees of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the City, that the Director of Finance determines to be necessary in connection with a book-entry system for the Bonds.

(a) Sale. That the Bonds shall first be offered for purchase to the Treasury Investment Account of the City for purchase and, if not purchased for that Account, shall be awarded and sold, at a public or private sale, to the Underwriter. The Director of Finance is authorized to approve the final principal amount of the Bonds and to determine the terms of the Bonds as required or authorized in Section 3 and to specify that principal amount and those terms in the Certificate of Award, in accordance with law and the provisions of this Ordinance and the Purchase Agreement. The Certificate of Award shall be incorporated in and form a part of this Ordinance.

At the time of the signing of the Certificate of Award, the Director of Finance is authorized to sell the Bonds to the Underwriter at a purchase price of not less than ninety-seven percent (97%) of the amount equal to (a) the principal amount of the Bonds, (b) plus any original issue premium, and (c) minus any original issue discount, as shall be determined in the Certificate of Award, plus accrued interest on the aggregate principal amount of the Bonds from their date to the date of delivery and payment for them.

The Director of Finance is authorized and directed to sign and deliver the Certificate of Award selling the Bonds to the Underwriter at the purchase price established therein and in accordance with this Ordinance, and to evidence that sale and the further terms and provisions of that sale and the Bonds by completing, signing and delivering that Certificate of Award and the Purchase Agreement substantially in the form now on file with the Clerk. The form of the Purchase Agreement is hereby approved with such changes in it as are not materially inconsistent with this Ordinance and not substantially adverse to the City and as shall be approved by the Director of Finance and approved as to form by the City Attorney. The
approval of those changes, and the determination that those changes are not substantially adverse to the City, shall be conclusively evidenced by that signing.

The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Revised Code to be designated as provided in the Certificate of Award, in which case a single Certificate of Award and a single Purchase Agreement may be utilized for the consolidated bond issue if appropriate and consistent with the terms of this Ordinance.

It is hereby determined by this Commission that the parameters for the purchase price for and the terms of the Bonds and the sale procedures for their sale, all as established in accordance with this Ordinance, are in the best interest of the City and in compliance with all legal requirements.

The City Manager, the Director of Finance, the City Attorney and the Clerk are directed to make the necessary arrangement on behalf of the City to establish the date, location, procedure and conditions for the delivery of the Bonds to the Underwriter and to take all actions necessary to effect due signing, authentication and delivery of the Bonds under the terms of the this Ordinance and the Purchase Agreement.

The Director of Finance shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds to the Underwriter upon payment of the purchase price.

In addition, the City Manager, the Director of Finance, the City Attorney and the Clerk and other City officials as appropriate each are authorized to give appropriate notices and certificates to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

Section 7. Official Statement; Continuing Disclosure; Rating; Credit Support Instrument.

(a) Primary Offering Disclosure -- Official Statement. If in the judgment of the Director of Finance an Official Statement relating to the Bonds is appropriate, that officer, together with the City Manager, each are authorized, on behalf of the City and in their respective official capacities, is authorized (i) to prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, such an Official Statement, (ii) to determine, and to certify or otherwise represent, when the Official Statement is to be “deemed final” (except for permitted omissions) by the City or is a final Official Statement within the meaning of the Rule, (iii) to use and distribute, or authorize the use and distribution of the Official Statement and any supplements thereto in connection with the issuance of the Bonds, and (iv) to complete and sign the Official Statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of the Official Statement as may be necessary or appropriate.
(b) Agreement to Provide Continuing Disclosure. For the benefit of the holders and Beneficial Owners from time to time of the Bonds, the City agrees, in accordance with and as the only obligated person with respect to the Bonds under the Rule, to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner, as may be required for purposes of the Rule. In order to describe and specify certain terms of the City’s continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the City Manager and the Director of Finance are authorized to sign and deliver, in the name and on behalf of the City, the Continuing Disclosure Agreement, in substantially the form as is now on file with the Clerk, with any amendments that are not materially inconsistent this Ordinance and not substantially adverse to the City and that are approved by the City Manager and the Director of Finance on behalf of the City and approved as to form by the City Attorney, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement or amendments to it. As to the Bonds, the Continuing Disclosure Agreement shall be the City’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the City would be required to incur to perform it.

The Director of Finance is further authorized to establish procedures in order to ensure compliance by the City with the Continuing Disclosure Agreement, including timely provision of information and notices. Prior to making any filing in accordance with that agreement or providing notice of the occurrence of any other events, the Director of Finance shall consult with and obtain legal advice from, as appropriate, the City Attorney and bond or other qualified independent special counsel selected by the City. The Director of Finance, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made.

(c) Application for Ratings or Credit Support Instrument. If, in the judgment of the Director of Finance, the filing of an application for (i) a rating on the Bonds by one or more nationally-recognized rating agencies, or (ii) a policy of insurance or other Credit Support Instrument from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to the City, the Director of Finance is authorized to prepare and submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or Credit Support Instrument, except to the extent paid by the Underwriter in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or to be appropriated for that purpose. The Director of Finance is hereby authorized, to the extent necessary or required, to enter into any agreements, in the name of and on behalf of the City, which the Director of Finance determines to be necessary in connection with the obtaining of that Credit Support Instrument.

Section 8. Application of Proceeds of Sale of the Bonds. The proceeds from the sale of the Bonds, except any accrued interest and any proceeds to be used to pay Financing Costs as determined by the Director of Finance, shall be paid into the proper fund or funds, and those proceeds are appropriated and shall be used for the purpose for which the Bonds are
being issued. The expenditure of funds for the foregoing purpose is hereby authorized. Proceeds in the amount of any temporary advances as certified by the Director of Finance are to be credited to the fund from which temporary advances were made to reimburse it for temporary advances made to pay capital expenditures previously made for the foregoing purpose, and such amount is charged against those proceeds. Immediately following the issuance of the Bonds, the appropriate officers are directed further to reflect such reimbursement, together with reimbursement of any additional amounts eligible for reimbursement under U.S. Treasury Regulations Section 1.150-2, on the appropriate accounting records of the City. Any portion of those proceeds representing accrued interest shall be paid into the Bond Retirement Fund. Any portion of those proceeds received by the City representing premium (after payment of any Financing Costs identified in the Certificate of Award and the Registrar Agreement) shall be paid into the Bond Retirement Fund. The expenditure of amounts necessary to pay Financing Costs is authorized and approved.

Section 9. **Security for the Bonds and Provisions for Tax Levy.** That the Bonds shall be the general obligations of the City, and the full faith, credit and revenue of the City are hereby pledged for the prompt payment of the same.

There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the ten-mill limitation prescribed by Section 171 of the Charter of the City, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due.

In each year to the extent the income from the City income tax is available for the payment of the debt charges on the Bonds and is appropriated for that purpose, the amount of the tax shall be reduced by the amount of the income so available and appropriated in compliance with the following covenant. To the extent necessary, the debt charges on the Bonds shall be paid from municipal income taxes lawfully available therefor under the Constitution and laws of the State of Ohio and the Charter of the City; and the City hereby covenants, subject and pursuant to such authority, including particularly Section 133.05(B)(7), Revised Code, to appropriate annually from such municipal income taxes as is necessary to meet such annual debt charges. Nothing in this paragraph in any way diminishes the pledge of the full faith and credit and property taxing power of the City to the prompt payment of the debt charges on the Bonds.

Section 10. **Federal Tax Covenants.** That the City covenants that it will use, and will restrict the use and investment of the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Bonds will not be an item of tax preference under Section 57 of the Code.
The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance, or any other officer of the City having responsibility for issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds.

The Bonds are not designated “qualified tax-exempt obligations” for the purposes set forth in Section 265(b)(3) of the Code.

Section 11. Certification and Delivery of Ordinance and Certificate of Award. That the Clerk is directed to deliver a certified copy of this Ordinance and the Certificate of Award to the County Auditor.

Section 12. Officers. That in the event of the absence, unavailability or inability to act of, or a vacancy in the office of, the City Manager, the Director of Finance, the City Attorney, or the Clerk, any assistant, deputy or interim City Manager, any assistant, deputy or interim Director of Finance, any assistant or acting City Attorney, or any assistant or acting Clerk are each authorized and empowered to take all actions, and to execute all documents and instruments and to deliver the same, as are herein authorized to be taken or executed and delivered by the City Manager, the Director of Finance, the City Attorney, or the Clerk, as the case may be.
Section 13. Severability. That each section of this Ordinance and each subdivision of any section hereof is hereby declared to be independent, and the finding or holding of any section or subdivision of any section hereof to be invalid or void shall not be deemed nor held to affect the validity of any other section or subdivision of this Ordinance.

Section 14. Findings and Recitals of Validity. That this Commission determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation is applicable to the Bonds or their issuance. It is further found and determined, and is hereby represented and recited, that the provisions of the City’s Charter, the rules of this Commission and its ordinances and resolutions have been fully complied with and that this Ordinance was passed in conformity therewith.

Section 15. Open Meetings. That this Commission finds and determines that all formal actions of this Commission concerning and relating to the passage of this Ordinance were taken in an open meeting of this Commission and that all deliberations of this Commission and of any of its committees that resulted in those formal actions, were in meetings open to the public in compliance with the law.

Section 16. Effective Date. That for reasons stated in the preambles hereof, this Ordinance is declared to be an emergency measure and shall take effect immediately upon its passage.

The Bonds shall bear interest at the rate or rates per year (computed on the basis of a 360-day year consisting of twelve 30-day months), as shall be determined by the Director of Finance, subject to subsection (c) of this Section, in the Certificate of Award. Interest on the Bonds shall be payable at such rate or rates on the Interest Payment Dates until the principal amount has been paid or provided for. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

(b) Principal Payment Schedule. The Bonds shall mature or be payable pursuant to Mandatory Sinking Fund Redemption Requirements on the Principal Payment Dates in such principal amounts as shall be determined by the Director of Finance, subject to subsection (c) of this Section, in the Certificate of Award, consistent with that officer’s determination of the best interest of and financial advantages to the City.

Consistent with the foregoing and in accordance with the determination of the best interest of and financial advantages to the City, the Director of Finance shall specify in the Certificate of Award (i) the aggregate principal amount of Bonds to be issued as Serial Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date and (ii) the aggregate principal amount of Bonds to be issued as Term Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Date or Dates on which Term Bonds shall be subject to mandatory sinking fund redemption (each a “Mandatory Redemption Date”) and the principal amount thereof that shall be payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Mandatory Redemption Date.

(c) Conditions for Establishment of Interest Rates. The true interest cost of the Bonds determined by taking into account the respective principal amounts of the Bonds and terms to maturity or Mandatory Sinking Fund Redemption Requirements of those principal amounts of the Bonds shall not exceed 4.500% per year for Tax-Exempt Bonds and 5.000% for Taxable Bonds and shall be such as to demonstrate net present value savings to the City due to the refunding of the Refunded Bonds with the issuance of the Bonds, taking into account all expenses related to that refunding and the Financing Costs related to the issuance of the Bonds.

(d) Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Bonds, and the principal amount of Bonds maturing or payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Principal Payment Date shall be determined by the Director of Finance, subject to subsection (c) of this Section, in the Certificate of Award. The final Principal Payment of the Bonds shall not be later than December 31, 2029.
(e) **Payment of Debt Charges.** The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of and any premium on the Bonds shall be payable when due upon presentation and surrender of the Bonds at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the designated corporate trust office of the Bond Registrar. Interest on a Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person’s address appearing, on the Bond Register at the close of business on the date provided in the Registrar Agreement. Notwithstanding the foregoing, if and so long as the Bonds are issued in a book-entry system, principal of and interest and any premium on the Bonds shall be payable in the manner provided in any agreement entered into by the Director of Finance, in the name and on behalf of the City, in connection with the book-entry system.

(f) **Redemption Provisions.** The Bonds shall be subject to redemption prior to stated maturity as follows:

(i) **Mandatory Sinking Fund Redemption of Term Bonds.** If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to Mandatory Sinking Fund Requirements, at a redemption price of one-hundred percent (100%) of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those Mandatory Redemption Dates, for which provision is made in the Certificate of Award (such Mandatory Redemption Dates and amounts being referred to as the “Mandatory Sinking Fund Redemption Requirements”).

The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on any Term Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that date the principal amount of Term Bonds payable on that date pursuant to Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as provided below).

The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered. That option shall be exercised by the City on or before the 15th day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Director of Finance, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Sinking Fund Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and
corresponding mandatory redemption obligation), as specified by the Director of Finance, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at one-hundred percent (100%) of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Optional Redemption. The Bonds of the maturities (and interest rate within a maturity) specified in the Certificate of Award may be subject to optional redemption by and at the sole option of the City, in whole or in part in whole multiples of $5,000 on the dates and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Director of Finance in the Certificate of Award; provided that the earliest optional redemption date shall not be later than ten and one-half years from the Closing Date, and the highest redemption price shall not be greater than 102% of the principal amount redeemed plus accrued interest to the redemption date. The Director of Finance may determine in the Certificate of Award that it is in the best interests of the City for some or all of the Bonds not to be callable prior to their stated maturity.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Director of Finance to the Bond Registrar, given upon the direction of this Commission through a resolution or an ordinance. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least forty-five (45) days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities selected by the City. If fewer than all of the Bonds of a single maturity are to be redeemed, the selection of Bonds of that maturity to be redeemed, or portions thereof
in amounts of $5,000 or any whole multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than $5,000 are then outstanding, each $5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of $5,000. If it is determined that one or more, but not all, of the $5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a $5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (i) for payment of the redemption price of the $5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (ii) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (a) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (b) the redemption price to be paid, (c) the date fixed for redemption, and (d) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least thirty (30) days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner’s address then shown on the Bond Register maintained by the Bond Registrar. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they
would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

(vi) Purchase in Lieu of Redemption. If and to the extent provided in the Certificate of Award, the City may have the option to purchase any Bond that is redeemable by optional redemption at a purchase price not less than the redemption price that would be payable if that Bond were called for optional redemption on the date of the proposed purchase. That election shall be exercised by written direction from the Director of Finance to the Bond Registrar given within the same time period specified for the City’s giving notice of optional redemption of Bonds. That written direction shall identify the Bonds to be purchased by their maturity date and shall specify the principal amount of each maturity to be purchased in lieu of redemption. The purchase price of the Bonds to be purchased in lieu of redemption shall be equal to the principal of, any accrued but unpaid interest on, and any premium that would have been payable on the Bonds if the Bonds had been optionally redeemed instead of being purchased. Notice of the purchase of Bonds in lieu of redemption shall be given by the Bond Registrar to the owners of the Bonds in the same manner as notice of redemption is required by this Ordinance to be given. The Bond Registrar, as paying agent, shall not purchase Bonds if sufficient moneys have not been deposited with the Bond Registrar for the purpose. If fewer than all of the outstanding Bonds of a maturity are to be purchased in lieu of redemption, the selection of Bonds to be purchased shall be made in the same manner as is required by this Ordinance for the partial redemption of Bonds. On the date established for the purchase of any Bonds, the Registrar shall pay the purchase price to the registered owners against delivery and shall cause the purchased Bonds to be registered in the name as specified by the Director of Finance.

Section 4. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Mayor or the City Manager and the Director of Finance, in the name of the City and in their official capacities; provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Underwriter and approved by the Director of Finance, shall be numbered as determined by the Director of Finance in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance.

The Director of Finance shall appoint, in the Certificate of Award, a bank or trust company located in Ohio to act as the authenticating agent, Bond Registrar, transfer agent and paying agent for the Bonds, and to appoint a bank or trust company as necessary to act as successor thereto, after determining that the bank or trust company appointed will not endanger the funds or securities of the City and that proper safeguards are available for that purpose and that appointment shall be confirmed in the Certificate of Award. The Director of Finance shall sign and deliver, in the name and on behalf of the City, the Registrar Agreement
in substantially the form now on file with the Clerk, and any amendments to or restatements of the Registrar Agreement. The Registrar Agreement is approved, together with any changes or amendments that are not materially adverse to the City and not inconsistent with this Ordinance and that are approved by the Director of Finance on behalf of the City and approved as to form by the City Attorney. Those approvals shall be conclusively evidenced by the signing of the Registrar Agreement or amendments thereto or restatements thereof. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Registrar Agreement, except to the extent paid or reimbursed by the Bond Registrar in accordance with the Registrar Agreement, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Director of Finance on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5. Registration; Transfer and Exchange; Book-Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at the office satisfactory to the Director of Finance and the Bond Registrar. Subject to the provisions of subsection (c) below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City’s liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the designated corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the registered owner equal in the aggregate to the unmatured
principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the fifteenth (15th) day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) Book-Entry System. Notwithstanding any other provisions of this Ordinance, if the Director of Finance determines in the Certificate of Award that it is in the best interest of and financially advantageous to the City, the Bonds may be issued in book-entry form in accordance with the following provisions of this Section.

The Bonds may be issued to a Depository for use in a book-entry system and, if and as long as a book-entry system is utilized: (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity, and, if applicable, each interest rate within a maturity, and registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository or its designated agent for that purpose, which may be the Bond Registrar; (ii) the Beneficial Owners of Bonds in book-entry form shall have no right to receive Bonds in the form of physical securities or certificates; (iii) ownership of beneficial interests in book-entry form shall be shown by book entry on the system maintained and operated by the DTC Participant, and transfers of the ownership of beneficial interests shall be made only by book entry by the DTC Participant; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book-entry system, the Director of Finance may attempt to establish a securities depository/book-entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the Beneficial Owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form and Authorized Denominations to be authenticated by the Bond Registrar and delivered to the assignees of the Depository or its nominee, all at the cost
and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the City, that the Director of Finance determines to be necessary in connection with a book-entry system for the Bonds.

(a)  Sale. That the Bonds shall first be offered for purchase to the Treasury Investment Account of the City for purchase and, if not purchased for that Account, shall be awarded and sold, at a public or private sale, to the Underwriter. The Director of Finance is authorized to approve the final principal amount of the Bonds and to determine the terms of the Bonds as required or authorized in Section 3 and to specify that principal amount and those terms in the Certificate of Award, in accordance with law and the provisions of this Ordinance and the Purchase Agreement. The Certificate of Award shall be incorporated in and form a part of this Ordinance.

At the time of the signing of the Certificate of Award, the Director of Finance is authorized to sell the Bonds to the Underwriter at a purchase price of not less than ninety-seven percent (97%) of the amount equal to (a) the principal amount of the Bonds, (b) plus any original issue premium, and (c) minus any original issue discount, as shall be determined in the Certificate of Award, plus accrued interest on the aggregate principal amount of the Bonds from their date to the date of delivery and payment for them.

The Director of Finance is authorized and directed to sign and deliver the Certificate of Award selling the Bonds to the Underwriter at the purchase price established therein and in accordance with this Ordinance, and to evidence that sale and the further terms and provisions of that sale and the Bonds by completing, signing and delivering that Certificate of Award and the Purchase Agreement substantially in the form now on file with the Clerk. The form of the Purchase Agreement is hereby approved with such changes in it as are not materially inconsistent with this Ordinance and not substantially adverse to the City and as shall be approved by the Director of Finance and approved as to form by the City Attorney. The approval of those changes, and the determination that those changes are not substantially adverse to the City, shall be conclusively evidenced by that signing.

The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Revised Code to be designated as provided in the Certificate of Award, in which case a single Certificate of Award and a single Purchase Agreement may be utilized for the consolidated bond issue if appropriate and consistent with the terms of this Ordinance.

It is hereby determined by this Commission that the parameters for the purchase price for and the terms of the Bonds and the sale procedures for their sale, all as established in accordance with this Ordinance, are in the best interest of the City and in compliance with all legal requirements.
The City Manager, the Director of Finance, the City Attorney and the Clerk are directed to make the necessary arrangement on behalf of the City to establish the date, location, procedure and conditions for the delivery of the Bonds to the Underwriter and to take all actions necessary to effect due signing, authentication and delivery of the Bonds under the terms of the this Ordinance and the Purchase Agreement.

The Director of Finance shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds to the Underwriter upon payment of the purchase price.

In addition, the City Manager, the Director of Finance, the City Attorney and the Clerk and other City officials as appropriate each are authorized to give appropriate notices and certificates to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

Section 7. Official Statement; Continuing Disclosure; Rating; Credit Support Instrument.

(a) Primary Offering Disclosure -- Official Statement. If in the judgment of the Director of Finance an Official Statement relating to the Bonds is appropriate, that officer, together with the City Manager, each are authorized, on behalf of the City and in their respective official capacities, is authorized (i) to prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, such an Official Statement, (ii) to determine, and to certify or otherwise represent, when the Official Statement is to be “deemed final” (except for permitted omissions) by the City or is a final Official Statement within the meaning of the Rule, (iii) to use and distribute, or authorize the use and distribution of the Official Statement and any supplements thereto in connection with the issuance of the Bonds, and (iv) to complete and sign the Official Statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of the Official Statement as may in that officer’s judgment be necessary or appropriate.

(b) Agreement to Provide Continuing Disclosure. For the benefit of the holders and Beneficial Owners from time to time of the Bonds, the City agrees, in accordance with and as the only obligated person with respect to the Bonds under the Rule, to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner, as may be required for purposes of the Rule. In order to describe and specify certain terms of the City’s continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the City Manager and the Director of Finance are authorized to sign and deliver, in the name and on behalf of the City, the Continuing Disclosure Agreement, in substantially the form as is now on file with the Clerk, with any amendments that are not materially inconsistent this Ordinance and not substantially adverse to the City and that are approved by the City Manager and the Director of Finance on behalf of the City and approved as to form by the City Attorney, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement or amendments to it. As to
the Bonds, the Continuing Disclosure Agreement shall be the City’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the City would be required to incur to perform it.

The Director of Finance is further authorized to establish procedures in order to ensure compliance by the City with the Continuing Disclosure Agreement, including timely provision of information and notices. Prior to making any filing in accordance with that agreement or providing notice of the occurrence of any other events, the Director of Finance shall consult with and obtain legal advice from, as appropriate, the City Attorney and bond or other qualified independent special counsel selected by the City. The Director of Finance, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made.

(c) Application for Ratings or Credit Support Instrument. If, in the judgment of the Director of Finance, the filing of an application for (i) a rating on the Bonds by one or more nationally-recognized rating agencies, or (ii) a policy of insurance or other Credit Support Instrument from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to the City, the Director of Finance is authorized to prepare and submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or Credit Support Instrument, except to the extent paid by the Underwriter in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or to be appropriated for that purpose. The Director of Finance is hereby authorized, to the extent necessary or required, to enter into any agreements, in the name of and on behalf of the City, which the Director of Finance determines to be necessary in connection with the obtaining of that Credit Support Instrument.

Section 8. Refunding of Refunded Bonds.

(a) Designation of Refunded Bonds and Redemption Date. The Director of Finance is authorized to designate the Refunded Bonds by maturity date and the Redemption Date in the Certificate of Award, after having determined those designations to be in the best interest of, and fiscally advantageous to, the City.

(b) Notice of Redemption. The Director of Finance is authorized to give to the Refunded Bonds Registrar, on or promptly after the Closing Date, written notice of the call for redemption of the Refunded Bonds on the Redemption Date, and the Refunded Bonds shall be redeemed in accordance with the provisions of the Original Bond Legislation and the Escrow Agreement. This Commission covenants, for the benefit of the holders of the Refunded Bonds and of the Bonds, that it will at no time on or after the Closing Date take actions to modify or rescind that call for prior redemption, that it will take, and will cause the Refunded Bond Registrar to take, all steps required by the terms of the Refunded Bonds to make and perfect that call for prior redemption, and that in accordance with the Escrow Agreement it will provide from the proceeds of the Bonds, and other available sources as may be necessary, moneys and securities sufficient to provide for the payment, in accordance with
this Ordinance, of all principal of and interest and any redemption premium that will be due and payable on the Refunded Bonds up to and including the Redemption Date.

(c) Escrow Agent and Escrow Agreement. The Director of Finance is authorized to appoint, in the Certificate of Award, the bank or trust company to act as the Escrow Agent, after determining that the bank or trust company appointed will not endanger the funds or securities to be held in trust for payment of debt charges on the Refunded Bonds. The Director of Finance shall sign and deliver, in the name and on behalf of the City, the Escrow Agreement between the City and the Escrow Agent, in substantially the form as is now on file with the Clerk. The Escrow Agreement is approved, together with any changes or amendments that are not materially inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Director of Finance on behalf of the City and approved as to form by the City Attorney. Those approvals shall be conclusively evidenced by the signing of the Escrow Agreement or amendments thereto. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Escrow Agreement, except to the extent paid or reimbursed by the Underwriter in accordance with the Purchase Agreement, or payment of any Financing Costs identified in the Certificate of Award and the Registrar Agreement from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

(d) Escrow Fund. There is created under the Escrow Agreement a trust fund designated the “City of Dayton, Ohio – Series 2020 Refunding Escrow Fund” (the “Escrow Fund”), which shall be held and maintained by the Escrow Agent in trust for the registered owners of the Refunded Bonds and is assigned for the payment of debt charges on the Refunded Bonds, all in accordance with the provisions of the Escrow Agreement. The Director of Finance is hereby authorized to pay to the Escrow Agent for deposit in the Escrow Fund such amount of the proceeds from the sale of the Bonds as may be necessary, together with such amount, if any, as is on deposit in the Bond Retirement Fund of the City and required to be used for such purpose, to provide for the refunding of the Refunded Bonds. Those funds are appropriated and shall be used to pay debt charges on the Refunded Bonds, as provided in the Escrow Agreement. The transfer to the Escrow Fund of any funds required hereunder and presently on deposit in the Bond Retirement Fund is hereby authorized. The funds deposited in the Escrow Fund shall be invested and applied as provided in the Escrow Agreement. The Escrow Agent is hereby authorized to file, on behalf of the City, subscriptions for the purchase and issuance of United States Treasury Securities – State and Local Government Series (“SLGS”) for investment of funds in the Escrow Fund if it is determined by the Director of Finance in the Certificate of Award that the purchase of SLGS for such purpose is in the best interest of and financially advantageous to the City. If, in the judgment of the Director of Finance, an open-market purchase of obligations described in the preceding paragraph for the Escrow Fund is in the best interest of and financially advantageous to the City, the Director of Finance may purchase or cause to be purchased and deliver or cause to be delivered such obligations, engage the services of a financial advisor, bidding agent or similar entity for the purpose of facilitating the bidding, purchase and delivery of such obligations for, and any related structuring of, the Escrow Fund, execute such instruments as are deemed necessary to engage such services for such purpose, and provide further for the payment of the cost of obtaining such services, except to the extent paid by the Underwriter in accordance with the Purchase Agreement, from the proceeds of the Bonds.
to the extent available and otherwise from any other funds lawfully available and that are
appropriated or shall be appropriated for that purpose.

shall be the general obligations of the City, and the full faith, credit and revenue of the City
are hereby pledged for the prompt payment of the same.

There shall be levied on all the taxable property in the City, in addition to all other
taxes, a direct tax annually during the period the Bonds are outstanding in an amount
sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the
interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution.
The tax shall be within the ten-mill limitation prescribed by Section 171 of the Charter of the
City, shall be and is ordered computed, certified, levied and extended upon the tax duplicate
and collected by the same officers, in the same manner and at the same time that taxes for
general purposes for each of those years are certified, levied, extended and collected, and shall
be placed before and in preference to all other items and for the full amount thereof. The
proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably
pledged for the payment of the debt charges on the Bonds when and as the same fall due.

In each year to the extent the income from the City income tax is available for the
payment of the debt charges on the Bonds and is appropriated for that purpose, the amount of
the tax shall be reduced by the amount of the income so available and appropriated in
compliance with the following covenant. To the extent necessary, the debt charges on the
Bonds shall be paid from municipal income taxes lawfully available therefor under the
Constitution and laws of the State of Ohio and the Charter of the City; and the City hereby
covenants, subject and pursuant to such authority, including particularly Section
133.05(B)(7), Revised Code, to appropriate annually from such municipal income taxes as is
necessary to meet such annual debt charges. Nothing in this paragraph in any way diminishes
the pledge of the full faith and credit and property taxing power of the City to the prompt

The Director of Finance, or any other officer of the City having responsibility for issuance of the Tax-Exempt Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Tax-Exempt Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Tax-Exempt Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Tax-Exempt Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Tax-Exempt Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Tax-Exempt Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Tax-Exempt Bonds.

The Tax-Exempt Bonds are not designated “qualified tax-exempt obligations” for the purposes set forth in Section 265(b)(3) of the Code.

Section 13. Severability. That each section of this Ordinance and each subdivision of any section hereof is hereby declared to be independent, and the finding or holding of any section or subdivision of any section hereof to be invalid or void shall not be deemed nor held to affect the validity of any other section or subdivision of this Ordinance.

Section 14. Findings and Recitals of Validity. That this Commission determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding
general obligations of the City have been performed and have been met, or will at the time of
delivery of the Bonds have been performed and have been met, in regular and due form as
required by law; that the full faith and credit and general property taxing power (as described in
Section 9) of the City are pledged for the timely payment of the debt charges on the Bonds; and
that no statutory or constitutional limitation of indebtedness or taxation is applicable to the Bonds
or their issuance. It is further found and determined, and is hereby represented and recited, that
the provisions of the City’s Charter, the rules of this Commission and its ordinances and
resolutions have been fully complied with and that this Ordinance was passed in conformity
therewith.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at one-hundred percent (100%) of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Optional Redemption. The Bonds of the maturities (and interest rate within a maturity) specified in the Certificate of Award may be subject to optional redemption by and at the sole option of the City, in whole or in part in whole multiples of $5,000 on the dates and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Director of Finance in the Certificate of Award; provided that the earliest optional redemption date shall not be later than ten and one-half years from the Closing Date, and the highest redemption price shall not be greater than 102% of the principal amount redeemed plus accrued interest to the redemption date. The Director
of Finance may determine in the Certificate of Award that it is in the best interests of the City for some or all of the Bonds not to be callable prior to their stated maturity.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Director of Finance to the Bond Registrar, given upon the direction of this Commission through a resolution or an ordinance. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least forty-five (45) days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities selected by the City. If fewer than all of the Bonds of a single maturity are to be redeemed, the selection of Bonds of that maturity to be redeemed, or portions thereof in amounts of $5,000 or any whole multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than $5,000 are then outstanding, each $5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of $5,000. If it is determined that one or more, but not all, of the $5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a $5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (i) for payment of the redemption price of the $5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (ii) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (a) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (b) the redemption price to be paid, (c) the date fixed for redemption, and (d) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least thirty (30) days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner’s address then shown on the Bond Register maintained by the Bond Registrar. Failure
to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

(vi) Purchase in Lieu of Redemption. If and to the extent provided in the Certificate of Award, the City may have the option to purchase any Bond that is redeemable by optional redemption at a purchase price not less than the redemption price that would be payable if that Bond were called for optional redemption on the date of the proposed purchase. That election shall be exercised by written direction from the Director of Finance to the Bond Registrar given within the same time period specified for the City’s giving notice of optional redemption of Bonds. That written direction shall identify the Bonds to be purchased by their maturity date and shall specify the principal amount of each maturity to be purchased in lieu of redemption. The purchase price of the Bonds to be purchased in lieu of redemption shall be equal to the principal of, any accrued but unpaid interest on, and any premium that would have been payable on the Bonds if the Bonds had been optionally redeemed instead of being purchased. Notice of the purchase of Bonds in lieu of redemption shall be given by the Bond Registrar to the owners of the Bonds in the same manner as notice of redemption is required by this Ordinance to be given. The Bond Registrar, as paying agent, shall not purchase Bonds if sufficient moneys have not been deposited with the Bond Registrar for the purpose. If fewer than all of the outstanding Bonds of a maturity are to be purchased in lieu of redemption, the selection of Bonds to be
purchased shall be made in the same manner as is required by this Ordinance for the partial redemption of Bonds. On the date established for the purchase of any Bonds, the Registrar shall pay the purchase price to the registered owners against delivery and shall cause the purchased Bonds to be registered in the name as specified by the Director of Finance.

Section 4. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Mayor or the City Manager and the Director of Finance, in the name of the City and in their official capacities; provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Underwriter and approved by the Director of Finance, shall be numbered as determined by the Director of Finance in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance.

The Director of Finance shall appoint, in the Certificate of Award, a bank or trust company located in Ohio to act as the authenticating agent, Bond Registrar, transfer agent and paying agent for the Bonds, and to appoint a bank or trust company as necessary to act as successor thereto, after determining that the bank or trust company appointed will not endanger the funds or securities of the City and that proper safeguards are available for that purpose and that appointment shall be confirmed in the Certificate of Award. The Director of Finance shall sign and deliver, in the name and on behalf of the City, the Registrar Agreement in substantially the form now on file with the Clerk, and any amendments to or restatements of the Registrar Agreement. The Registrar Agreement is approved, together with any changes or amendments that are not materially adverse to the City and not inconsistent with this Ordinance and that are approved by the Director of Finance on behalf of the City and approved as to form by the City Attorney. Those approvals shall be conclusively evidenced by the signing of the Registrar Agreement or amendments thereto or restatements thereof. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Registrar Agreement, except to the extent paid or reimbursed by the Bond Registrar in accordance with the Registrar Agreement, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Director of Finance on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5. Registration; Transfer and Exchange; Book-Entry System.
(a) **Bond Registrar.** So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at the office satisfactory to the Director of Finance and the Bond Registrar. Subject to the provisions of subsection (c) below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City’s liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) **Transfer and Exchange.** Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the designated corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the registered owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the fifteenth (15th) day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) **Book-Entry System.** Notwithstanding any other provisions of this Ordinance, if the Director of Finance determines in the Certificate of Award that it is in the best interest of and financially advantageous to the City, the Bonds may be issued in book-entry form in accordance with the following provisions of this Section.
The Bonds may be issued to a Depository for use in a book-entry system and, if and as long as a book-entry system is utilized: (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity, and, if applicable, each interest rate within a maturity, and registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository or its designated agent for that purpose, which may be the Bond Registrar; (ii) the Beneficial Owners of Bonds in book-entry form shall have no right to receive Bonds in the form of physical securities or certificates; (iii) ownership of beneficial interests in book-entry form shall be shown by book entry on the system maintained and operated by the DTC Participant, and transfers of the ownership of beneficial interests shall be made only by book entry by the DTC Participant; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book-entry system, the Director of Finance may attempt to establish a securities depository/book-entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the Beneficial Owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form and Authorized Denominations to be authenticated by the Bond Registrar and delivered to the assignees of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the City, that the Director of Finance determines to be necessary in connection with a book-entry system for the Bonds.

(a) Sale. That the Bonds shall first be offered for purchase to the Treasury Investment Account of the City for purchase and, if not purchased for that Account, shall be awarded and sold, at a public or private sale, to the Underwriter. The Director of Finance is authorized to approve the final principal amount of the Bonds and to determine the terms of the Bonds as required or authorized in Section 3 and to specify that principal amount and those terms in the Certificate of Award, in accordance with law and the provisions of this Ordinance and the Purchase Agreement. The Certificate of Award shall be incorporated in and form a part of this Ordinance.

At the time of the signing of the Certificate of Award, the Director of Finance is authorized to sell the Bonds to the Underwriter at a purchase price of not less than ninety-seven percent (97%) of the amount equal to (a) the principal amount of the Bonds, (b) plus any original issue premium, and (c) minus any original issue discount, as shall be determined in the Certificate of Award, plus accrued interest on the aggregate principal amount of the Bonds from their date to the date of delivery and payment for them.
The Director of Finance is authorized and directed to sign and deliver the Certificate of Award selling the Bonds to the Underwriter at the purchase price established therein and in accordance with this Ordinance, and to evidence that sale and the further terms and provisions of that sale and the Bonds by completing, signing and delivering that Certificate of Award and the Purchase Agreement substantially in the form now on file with the Clerk. The form of the Purchase Agreement is hereby approved with such changes in it as are not materially inconsistent with this Ordinance and not substantially adverse to the City and as shall be approved by the Director of Finance and approved as to form by the City Attorney. The approval of those changes, and the determination that those changes are not substantially adverse to the City, shall be conclusively evidenced by that signing.

The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Revised Code to be designated as provided in the Certificate of Award, in which case a single Certificate of Award and a single Purchase Agreement may be utilized for the consolidated bond issue if appropriate and consistent with the terms of this Ordinance.

It is hereby determined by this Commission that the parameters for the purchase price for and the terms of the Bonds and the sale procedures for their sale, all as established in accordance with this Ordinance, are in the best interest of the City and in compliance with all legal requirements.

The City Manager, the Director of Finance, the City Attorney and the Clerk are directed to make the necessary arrangement on behalf of the City to establish the date, location, procedure and conditions for the delivery of the Bonds to the Underwriter and to take all actions necessary to effect due signing, authentication and delivery of the Bonds under the terms of the this Ordinance and the Purchase Agreement.

The Director of Finance shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds to the Underwriter upon payment of the purchase price.

In addition, the City Manager, the Director of Finance, the City Attorney and the Clerk and other City officials as appropriate each are authorized to give appropriate notices and certificates to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

Section 7.  Official Statement; Continuing Disclosure; Rating; Credit Support Instrument.

(a) Primary Offering Disclosure -- Official Statement. If in the judgment of the Director of Finance an Official Statement relating to the Bonds is appropriate, that officer, together with the City Manager, each are authorized, on behalf of the City and in their respective official capacities, is authorized (i) to prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, such an Official

- 15 -
Statement, (ii) to determine, and to certify or otherwise represent, when the Official Statement is to be “deemed final” (except for permitted omissions) by the City or is a final Official Statement within the meaning of the Rule, (iii) to use and distribute, or authorize the use and distribution of the Official Statement and any supplements thereto in connection with the issuance of the Bonds, and (iv) to complete and sign the Official Statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of the Official Statement as may in that officer’s judgment be necessary or appropriate.

(b) Agreement to Provide Continuing Disclosure. For the benefit of the holders and Beneficial Owners from time to time of the Bonds, the City agrees, in accordance with and as the only obligated person with respect to the Bonds under the Rule, to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner, as may be required for purposes of the Rule. In order to describe and specify certain terms of the City’s continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the City Manager and the Director of Finance are authorized to sign and deliver, in the name and on behalf of the City, the Continuing Disclosure Agreement, in substantially the form as is now on file with the Clerk, with any amendments that are not materially inconsistent this Ordinance and not substantially adverse to the City and that are approved by the City Manager and the Director of Finance on behalf of the City and approved as to form by the City Attorney, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement or amendments to it. As to the Bonds, the Continuing Disclosure Agreement shall be the City’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the City would be required to incur to perform it.

The Director of Finance is further authorized to establish procedures in order to ensure compliance by the City with the Continuing Disclosure Agreement, including timely provision of information and notices. Prior to making any filing in accordance with that agreement or providing notice of the occurrence of any other events, the Director of Finance shall consult with and obtain legal advice from, as appropriate, the City Attorney and bond or other qualified independent special counsel selected by the City. The Director of Finance, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made.

(c) Application for Ratings or Credit Support Instrument. If, in the judgment of the Director of Finance, the filing of an application for (i) a rating on the Bonds by one or more nationally-recognized rating agencies, or (ii) a policy of insurance or other Credit Support Instrument from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to the City, the Director of Finance is authorized to prepare and submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or Credit Support Instrument, except to the extent paid by the Underwriter in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from any
other funds lawfully available and that are appropriated or to be appropriated for that purpose. The Director of Finance is hereby authorized, to the extent necessary or required, to enter into any agreements, in the name of and on behalf of the City, which the Director of Finance determines to be necessary in connection with the obtaining of that Credit Support Instrument.

Section 8. Refunding of Refunded Bonds.

(a) Designation of Refunded Bonds and Redemption Date. The Director of Finance is authorized to designate the Refunded Bonds by maturity date and the Redemption Date in the Certificate of Award, after having determined those designations to be in the best interest of, and fiscally advantageous to, the City.

(b) Notice of Redemption. The Director of Finance is authorized to give to the Refunded Bonds Registrar, on or promptly after the Closing Date, written notice of the call for redemption of the Refunded Bonds on the Redemption Date, and the Refunded Bonds shall be redeemed in accordance with the provisions of the Original Bond Legislation and the Escrow Agreement. This Commission covenants, for the benefit of the holders of the Refunded Bonds and of the Bonds, that it will at no time on or after the Closing Date take actions to modify or rescind that call for prior redemption, that it will take, and will cause the Refunded Bond Registrar to take, all steps required by the terms of the Refunded Bonds to make and perfect that call for prior redemption, and that in accordance with the Escrow Agreement it will provide from the proceeds of the Bonds, and other available sources as may be necessary, moneys and securities sufficient to provide for the payment, in accordance with this Ordinance, of all principal of and interest and any redemption premium that will be due and payable on the Refunded Bonds up to and including the Redemption Date.

(c) Escrow Agent and Escrow Agreement. The Director of Finance is authorized to appoint, in the Certificate of Award, the bank or trust company to act as the Escrow Agent, after determining that the bank or trust company appointed will not endanger the funds or securities to be held in trust for payment of debt charges on the Refunded Bonds. The Director of Finance shall sign and deliver, in the name and on behalf of the City, the Escrow Agreement between the City and the Escrow Agent, in substantially the form as is now on file with the Clerk. The Escrow Agreement is approved, together with any changes or amendments that are not materially inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Director of Finance on behalf of the City and approved as to form by the City Attorney. Those approvals shall be conclusively evidenced by the signing of the Escrow Agreement or amendments thereto. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Escrow Agreement, except to the extent paid or reimbursed by the Underwriter in accordance with the Purchase Agreement, or payment of any Financing Costs identified in the Certificate of Award and the Registrar Agreement from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

(d) Escrow Fund. There is created under the Escrow Agreement a trust fund designated the “City of Dayton, Ohio – Series 2020 Refunding Escrow Fund” (the “Escrow Fund”), which shall be held and maintained by the Escrow Agent in trust for the registered
owners of the Refunded Bonds and is assigned for the payment of debt charges on the Refunded Bonds, all in accordance with the provisions of the Escrow Agreement. The Director of Finance is hereby authorized to pay to the Escrow Agent for deposit in the Escrow Fund such amount of the proceeds from the sale of the Bonds as may be necessary, together with such amount, if any, as is on deposit in the Bond Retirement Fund of the City and required to be used for such purpose, to provide for the refunding of the Refunded Bonds. Those funds are appropriated and shall be used to pay debt charges on the Refunded Bonds, as provided in the Escrow Agreement. The transfer to the Escrow Fund of any funds required hereunder and presently on deposit in the Bond Retirement Fund is hereby authorized. The funds deposited in the Escrow Fund shall be invested and applied as provided in the Escrow Agreement. The Escrow Agent is hereby authorized to file, on behalf of the City, subscriptions for the purchase and issuance of United States Treasury Securities – State and Local Government Series (“SLGS”) for investment of funds in the Escrow Fund if it is determined by the Director of Finance in the Certificate of Award that the purchase of SLGS for such purpose is in the best interest of and financially advantageous to the City. If, in the judgment of the Director of Finance, an open-market purchase of obligations described in the preceding paragraph for the Escrow Fund is in the best interest of and financially advantageous to the City, the Director of Finance may purchase or cause to be purchased and deliver or cause to be delivered such obligations, engage the services of a financial advisor, bidding agent or similar entity for the purpose of facilitating the bidding, purchase and delivery of such obligations for, and any related structuring of, the Escrow Fund, execute such instruments as are deemed necessary to engage such services for such purpose, and provide further for the payment of the cost of obtaining such services, except to the extent paid by the Underwriter in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose.

Section 9. Security for the Bonds and Provisions for Tax Levy. That the Bonds shall be the general obligations of the City, and the full faith, credit and revenue of the City are hereby pledged for the prompt payment of the same.

There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the ten-mill limitation prescribed by Section 171 of the Charter of the City, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due.

In each year to the extent net revenues from the City’s sanitary sewer collection and treatment system are available for the payment of the debt charges on that portion of the Bonds issued to refund Refunded Bonds issued to pay costs of constructing improvements to that system, and to the extent such net revenues are appropriated for that purpose, the amount of the tax shall be reduced by the amount of such net revenues so available and appropriated.
In each year to the extent net revenues from the City’s water treatment and distribution system are available for the payment of the debt charges on that portion of the Bonds issued to refund Refunded Bonds issued to pay costs of constructing improvements to that system, and to the extent such net revenues are appropriated for that purpose, the amount of the tax shall be reduced by the amount of such net revenues so available and appropriated.

In each year to the extent the income from the City income tax is available for the payment of the debt charges on the Bonds and is appropriated for that purpose, the amount of the tax shall be reduced by the amount of the income so available and appropriated in compliance with the following covenant. To the extent necessary, the debt charges on the Bonds shall be paid from municipal income taxes lawfully available therefor under the Constitution and laws of the State of Ohio and the Charter of the City; and the City hereby covenants, subject and pursuant to such authority, including particularly Section 133.05(B)(7), Revised Code, to appropriate annually from such municipal income taxes as is necessary to meet such annual debt charges. Nothing in this paragraph in any way diminishes the pledge of the full faith and credit and property taxing power of the City to the prompt payment of the debt charges on the Bonds.

Section 10. Federal Tax Covenants. That the City covenants that it will use, and will restrict the use and investment of, the proceeds of the Tax-Exempt Bonds in such manner and to such extent as may be necessary so that (a) the Tax-Exempt Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Tax-Exempt Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Tax-Exempt Bonds to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Tax-Exempt Bonds to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance, or any other officer of the City having responsibility for issuance of the Tax-Exempt Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Tax-Exempt Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Tax-Exempt Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to
determine, or paying, excess earnings as rebate, or obviating those amounts or payments, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Tax-Exempt Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Tax-Exempt Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Tax-Exempt Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Tax-Exempt Bonds.

The Tax-Exempt Bonds are not designated “qualified tax-exempt obligations” for the purposes set forth in Section 265(b)(3) of the Code.

Section 11. Certification and Delivery of Ordinance and Certificate of Award. That the Clerk is directed to deliver a certified copy of this Ordinance and the Certificate of Award to the County Auditor.

Section 12. Officers. That in the event of the absence, unavailability or inability to act of, or a vacancy in the office of, the City Manager, the Director of Finance, the City Attorney, or the Clerk, any assistant, deputy or interim City Manager, any assistant, deputy or interim Director of Finance, any assistant or acting City Attorney, or any assistant or acting Clerk are each authorized and empowered to take all actions, and to execute all documents and instruments and to deliver the same, as are herein authorized to be taken or executed and delivered by the City Manager, the Director of Finance, the City Attorney, or the Clerk, as the case may be.

Section 13. Severability. That each section of this Ordinance and each subdivision of any section hereof is hereby declared to be independent, and the finding or holding of any section or subdivision of any section hereof to be invalid or void shall not be deemed nor held to affect the validity of any other section or subdivision of this Ordinance.

Section 14. Findings and Recitals of Validity. That this Commission determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation is applicable to the Bonds or their issuance. It is further found and determined, and is hereby represented and recited, that the provisions of the City’s Charter, the rules of this Commission and its ordinances and resolutions have been fully complied with and that this Ordinance was passed in conformity therewith.

Section 3.  Denomination; Dating; Principal and Interest Payment and Redemptions Provisions. That the Bonds shall be issued only as fully registered bonds, in Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The Bonds shall be dated the Closing Date or such earlier date as may be specified in the Certificate of Award, provided that such earlier date shall not be more than sixty (60) days prior to the Closing Date.

(a)  Interest Rates and Payment Dates. The Bonds shall bear interest at the rate or rates per year (computed on the basis of a 360-day year consisting of twelve 30-day months), as shall be determined by the Director of Finance, subject to subsection (c) of this Section, in the Certificate of Award. Interest on the Bonds shall be payable at such rate or rates on the Interest Payment Dates until the principal amount has been paid or provided for. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

(b)  Principal Payment Schedule. The Bonds shall mature or be payable pursuant to Mandatory Sinking Fund Redemption Requirements on the Principal Payment Dates in such principal amounts as shall be determined by the Director of Finance, subject to subsection (c) of this Section, in the Certificate of Award, consistent with that officer’s determination of the best interest of and financial advantages to the City.

(c)  Conditions for Establishment of Interest Rates. The true interest cost of the Bonds determined by taking into account the respective principal amounts of the Bonds and terms to maturity or Mandatory Sinking Fund Redemption Requirements of those principal amounts of the Bonds shall not exceed 4.500% per year for Tax-Exempt Bonds and 5.000% for Taxable Bonds and shall be such as to demonstrate net present value savings to the City due to the refunding of the Refunded Bonds with the issuance of the Bonds, taking into account all expenses related to that refunding and the Financing Costs related to the issuance of the Bonds.

(d)  Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Bonds, and the principal amount of Bonds maturing or payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Principal Payment Date, shall be permitted by law and determined by the Director of Finance to be in the best interests of the
City given market conditions at the time the Bonds are sold and the objectives of the plan of refunding to obtain net present value debt service savings.

(e) **Payment of Debt Charges.** The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of and any premium on the Bonds shall be payable when due upon presentation and surrender of the Bonds at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the designated corporate trust office of the Bond Registrar. Interest on a Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person’s address appearing, on the Bond Register at the close of business on the date provided in the Registrar Agreement. Notwithstanding the foregoing, if and so long as the Bonds are issued in a book-entry system, principal of and interest and any premium on the Bonds shall be payable in the manner provided in any agreement entered into by the Director of Finance, in the name and on behalf of the City, in connection with the book-entry system.

(f) **Redemption Provisions.** The Bonds shall be subject to redemption prior to stated maturity as follows:

(i) **Mandatory Sinking Fund Redemption of Term Bonds.** If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to Mandatory Sinking Fund Requirements, at a redemption price of one-hundred percent (100%) of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those Mandatory Redemption Dates, for which provision is made in the Certificate of Award (such Mandatory Redemption Dates and amounts being referred to as the “Mandatory Sinking Fund Redemption Requirements”).

The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on any Term Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that date the principal amount of Term Bonds payable on that date pursuant to Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as provided below).

The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered. That option shall be exercised by the City on or before the 15th day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Director of Finance, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Sinking Fund Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date. If the certificate is not timely furnished to the Bond Registrar, the

- 9 -
current Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the Director of Finance, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at one-hundred percent (100%) of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Optional Redemption. The Bonds of the maturities (and interest rate within a maturity) specified in the Certificate of Award may be subject to optional redemption by and at the sole option of the City, in whole or in part in whole multiples of $5,000 on the dates and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Director of Finance in the Certificate of Award; provided that the earliest optional redemption date shall not be later than ten and one-half years from the Closing Date, and the highest redemption price shall not be greater than 102% of the principal amount redeemed plus accrued interest to the redemption date. The Director of Finance may determine in the Certificate of Award that it is in the best interests of the City for some or all of the Bonds not to be callable prior to their stated maturity.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Director of Finance to the Bond Registrar, given upon the direction of this Commission through a resolution or an ordinance. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least forty-five (45) days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity are
then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities selected by the City. If fewer than all of the Bonds of a single maturity are to be redeemed, the selection of Bonds of that maturity to be redeemed, or portions thereof in amounts of $5,000 or any whole multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than $5,000 are then outstanding, each $5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of $5,000. If it is determined that one or more, but not all, of the $5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a $5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (i) for payment of the redemption price of the $5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (ii) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (a) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (b) the redemption price to be paid, (c) the date fixed for redemption, and (d) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least thirty (30) days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner’s address then shown on the Bond Register maintained by the Bond Registrar. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price price plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and
no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

(vi) **Purchase in Lieu of Redemption.** If and to the extent provided in the Certificate of Award, the City may have the option to purchase any Bond that is redeemable by optional redemption at a purchase price not less than the redemption price that would be payable if that Bond were called for optional redemption on the date of the proposed purchase. That election shall be exercised by written direction from the Director of Finance to the Bond Registrar given within the same time period specified for the City’s giving notice of optional redemption of Bonds. That written direction shall identify the Bonds to be purchased by their maturity date and shall specify the principal amount of each maturity to be purchased in lieu of redemption. The purchase price of the Bonds to be purchased in lieu of redemption shall be equal to the principal of, any accrued but unpaid interest on, and any premium that would have been payable on the Bonds if the Bonds had been optionally redeemed instead of being purchased. Notice of the purchase of Bonds in lieu of redemption shall be given by the Bond Registrar to the owners of the Bonds in the same manner as notice of redemption is required by this Ordinance to be given. The Bond Registrar, as paying agent, shall not purchase Bonds if sufficient moneys have not been deposited with the Bond Registrar for the purpose. If fewer than all of the outstanding Bonds of a maturity are to be purchased in lieu of redemption, the selection of Bonds to be purchased shall be made in the same manner as is required by this Ordinance for the partial redemption of Bonds. On the date established for the purchase of any Bonds, the Registrar shall pay the purchase price to the registered owners against delivery and shall cause the purchased Bonds to be registered in the name as specified by the Director of Finance.

(g) **Debt Service Reserve Payment.** If the Director of Finance determines it to be in the best interest of and financial advantage of the City to fund and maintain a reasonable reserve in the Debt Service Fund, the Director of Finance may specify the amount of that reserve and the amount of the Debt Service Reserve Payment in the Certificate of Award, provided that neither the amount of the reserve or the Debt Service Reserve Payment shall exceed the maximum annual Bond Service Charges.

(h) **Parity Obligations.** The City has issued and may in the future issue Parity Obligations. The Director of Finance may agree in the Certificate of Award to reasonable limits on the future issuance of Parity Obligations, consistent with that officer’s determination of the best interest of and financial advantages to the City; provided, that any limit on the maximum annual aggregate of Bond Service Charges and required payments on any existing
Parity Obligations and proposed Parity Obligations payable from Nontax Revenues shall not be less than 50% of estimated Nontax Revenues for the fiscal year immediately following the issuance of the proposed Parity Obligations.

Section 4. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Mayor or the City Manager and the Director of Finance, in the name of the City and in their official capacities; provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Underwriter and approved by the Director of Finance, shall be numbered as determined by the Director of Finance in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance.

The Director of Finance shall appoint, in the Certificate of Award, a bank or trust company located in Ohio to act as the authenticating agent, Bond Registrar, transfer agent and paying agent for the Bonds, and to appoint a bank or trust company as necessary to act as successor thereto, after determining that the bank or trust company appointed will not endanger the funds or securities of the City and that proper safeguards are available for that purpose and that appointment shall be confirmed in the Certificate of Award. The Director of Finance shall sign and deliver, in the name and on behalf of the City, the Registrar Agreement in substantially the form now on file with the Clerk, and any amendments to or restatements of the Registrar Agreement. The Registrar Agreement is approved, together with any changes or amendments that are not materially adverse to the City and not inconsistent with this Ordinance and that are approved by the Director of Finance on behalf of the City and approved as to form by the City Attorney. Those approvals shall be conclusively evidenced by the signing of the Registrar Agreement or amendments thereto or restatements thereof. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Registrar Agreement, except to the extent paid or reimbursed by the Bond Registrar in accordance with the Registrar Agreement, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Director of Finance on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5. Registration; Transfer and Exchange; Book-Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at the office satisfactory to the Director of Finance and the Bond Registrar. Subject to the provisions of subsection (c)
below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City’s liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) **Transfer and Exchange.** Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the designated corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the registered owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the fifteenth (15th) day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) **Book-Entry System.** Notwithstanding any other provisions of this Ordinance, if the Director of Finance determines in the Certificate of Award that it is in the best interest of and financially advantageous to the City, the Bonds may be issued in book-entry form in accordance with the following provisions of this Section.

The Bonds may be issued to a Depository for use in a book-entry system and, if and as long as a book-entry system is utilized: (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity, and, if applicable, each interest rate within a
maturity, and registered in the name of the Depository or its nominee, as registered owner, and
immobilized in the custody of the Depository or its designated agent for that purpose, which
may be the Bond Registrar; (ii) the Beneficial Owners of Bonds in book-entry form
shall have no right to receive Bonds in the form of physical securities or certificates; (iii)
ownership of beneficial interests in book-entry form shall be shown by book entry on the
system maintained and operated by the DTC Participant, and transfers of the ownership of
beneficial interests shall be made only by book entry by the DTC Participant; and (iv) the
Bonds as such shall not be transferable or exchangeable, except for transfer to another
Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Bonds for
use in a book-entry system, the Director of Finance may attempt to establish a securities
depository/book-entry relationship with another qualified Depository. If the Director of
Finance does not or is unable to do so, the Director of Finance, after making provision for
notification of the Beneficial Owners by the then Depository and any other arrangements
deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause
Bond certificates in registered form and Authorized Denominations to be authenticated by the
Bond Registrar and delivered to the assignees of the Depository or its nominee, all at the cost
and expense (including any costs of printing), if the event is not the result of City action or
inaction, of those persons requesting such issuance.

The Director of Finance is hereby authorized and directed, to the extent necessary or
required, to enter into any agreements, in the name and on behalf of the City, that the Director
of Finance determines to be necessary in connection with a book-entry system for the Bonds.

(a) Sale. That the Bonds shall first be offered for purchase to the Treasury
Investment Account of the City for purchase and, if not purchased for that Account, shall be
awarded and sold, at a public or private sale, to the Underwriter. The Director of Finance is
authorized to approve the final principal amount of the Bonds and to determine the terms of
the Bonds as required or authorized in Section 3 and to specify that principal amount and
those terms in the Certificate of Award, in accordance with law and the provisions of this
Ordinance and the Purchase Agreement. The Certificate of Award shall be incorporated in
and form a part of this Ordinance.

At the time of the signing of the Certificate of Award, the Director of Finance is
authorized to sell the Bonds to the Underwriter at a purchase price of not less than ninety-
seven percent (97%) of the amount equal to (a) the principal amount of the Bonds, (b) plus
any original issue premium, and (c) minus any original issue discount, as shall be determined
in the Certificate of Award, plus accrued interest on the aggregate principal amount of the
Bonds from their date to the date of delivery and payment for them.

The Director of Finance is authorized and directed to sign and deliver the Certificate
of Award selling the Bonds to the Underwriter at the purchase price established therein and in
accordance with this Ordinance, and to evidence that sale and the further terms and provisions
of that sale and the Bonds by completing, signing and delivering that Certificate of Award and
the Purchase Agreement substantially in the form now on file with the Clerk. The form of the Purchase Agreement is hereby approved with such changes in it as are not materially inconsistent with this Ordinance and not substantially adverse to the City and as shall be approved by the Director of Finance and approved as to form by the City Attorney. The approval of those changes, and the determination that those changes are not substantially adverse to the City, shall be conclusively evidenced by that signing.

It is hereby determined by this Commission that the parameters for the purchase price for and the terms of the Bonds and the sale procedures for their sale, all as established in accordance with this Ordinance, are in the best interest of the City and in compliance with all legal requirements.

The Mayor, the City Manager, the Director of Finance, the City Attorney and the Clerk are directed to make the necessary arrangement on behalf of the City to establish the date, location, procedure and conditions for the delivery of the Bonds to the Underwriter and to take all actions necessary to effect due signing, authentication and delivery of the Bonds under the terms of this Ordinance and the Purchase Agreement.

The Director of Finance shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds to the Underwriter upon payment of the purchase price.

In addition, the City Manager, the Director of Finance, the City Attorney and the Clerk and other City officials as appropriate each are authorized to give appropriate notices and certificates to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

**Section 7. Official Statement; Continuing Disclosure; Rating; Credit Support Instrument.**

(a) **Primary Offering Disclosure – Official Statement.** If in the judgment of the Director of Finance an Official Statement relating to the Bonds is appropriate, that officer, together with the City Manager, each are authorized, on behalf of the City and in their respective official capacities, is authorized (i) to prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, such an Official Statement, (ii) to determine, and to certify or otherwise represent, when the Official Statement is to be “deemed final” (except for permitted omissions) by the City or is a final Official Statement within the meaning of the Rule, (iii) to use and distribute, or authorize the use and distribution of the Official Statement and any supplements thereto in connection with the issuance of the Bonds, and (iv) to complete and sign the Official Statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of the Official Statement as may in that officer’s judgment be necessary or appropriate.
(b) Agreement to Provide Continuing Disclosure. For the benefit of the holders and Beneficial Owners from time to time of the Bonds, the City agrees, in accordance with and as the only obligated person with respect to the Bonds under the Rule, to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner, as may be required for purposes of the Rule. In order to describe and specify certain terms of the City’s continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the City Manager and the Director of Finance are authorized to sign and deliver, in the name and on behalf of the City, the Continuing Disclosure Agreement, in substantially the form as is now on file with the Clerk, with any amendments that are not materially inconsistent this Ordinance and not substantially adverse to the City and that are approved by the City Manager and the Director of Finance on behalf of the City and approved as to form by the City Attorney, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement or amendments to it. As to the Bonds, the Continuing Disclosure Agreement shall be the City’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the City would be required to incur to perform it.

The Director of Finance is further authorized to establish procedures in order to ensure compliance by the City with the Continuing Disclosure Agreement, including timely provision of information and notices. Prior to making any filing in accordance with that agreement or providing notice of the occurrence of any other events, the Director of Finance shall consult with and obtain legal advice from, as appropriate, the City Attorney and bond or other qualified independent special counsel selected by the City. The Director of Finance, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made.

(c) Application for Ratings or Credit Support Instrument. If, in the judgment of the Director of Finance, the filing of an application for (i) a rating on the Bonds by one or more nationally-recognized rating agencies, or (ii) a policy of insurance or other credit support instrument from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to the City, the Director of Finance is authorized to prepare and submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or credit support instrument, except to the extent paid by the Underwriter in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or to be appropriated for that purpose. The Director of Finance is hereby authorized, to the extent necessary or required, to enter into any agreements, in the name of and on behalf of the City, which the Director of Finance determines to be necessary in connection with the obtaining of that credit support instrument.

Section 8. Refunding of Refunded Bonds.

(a) Designation of Refunded Bonds and Redemption Date. The Director of Finance is authorized to designate the Refunded Bonds by maturity date and the Redemption
Date in the Certificate of Award, after having determined those designations to be in the best interest of, and fiscally advantageous to, the City.

(b) Notice of Redemption. The Director of Finance is authorized to give to the Refunded Bonds Registrar, on or promptly after the Closing Date, written notice of the call for redemption of the Refunded Bonds on the Redemption Date, and the Refunded Bonds shall be redeemed in accordance with the provisions of the Original Bond Legislation and the Escrow Agreement. This Commission covenants, for the benefit of the holders of the Refunded Bonds and of the Bonds, that it will at no time on or after the Closing Date take actions to modify or rescind that call for prior redemption, that it will take, and will cause the Refunded Bond Registrar to take, all steps required by the terms of the Refunded Bonds to make and perfect that call for prior redemption, and that in accordance with the Escrow Agreement it will provide from the proceeds of the Bonds, and other available sources as may be necessary, moneys and securities sufficient to provide for the payment, in accordance with this Ordinance, of all principal of and interest and any redemption premium that will be due and payable on the Refunded Bonds up to and including the Redemption Date.

(c) Escrow Agent and Escrow Agreement. The Director of Finance is authorized to appoint, in the Certificate of Award, the bank or trust company to act as the Escrow Agent, after determining that the bank or trust company appointed will not endanger the funds or securities to be held in trust for payment of debt charges on the Refunded Bonds. The Director of Finance shall sign and deliver, in the name and on behalf of the City, the Escrow Agreement between the City and the Escrow Agent, in substantially the form as is now on file with the Clerk. The Escrow Agreement is approved, together with any changes or amendments that are not materially inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Director of Finance on behalf of the City and approved as to form by the City Attorney. Those approvals shall be conclusively evidenced by the signing of the Escrow Agreement or amendments thereto. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Escrow Agreement, except to the extent paid or reimbursed by the Underwriter in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

(d) Escrow Fund. There is created under the Escrow Agreement a trust fund designated the “City of Dayton, Ohio, 2012 Economic Development Revenue Bonds Escrow Fund” (the “Escrow Fund”), which shall be held and maintained by the Escrow Agent in trust for the registered owners of the Refunded Bonds and is assigned for the payment of debt charges on the Refunded Bonds, all in accordance with the provisions of the Escrow Agreement. The Director of Finance is hereby authorized to pay to the Escrow Agent for deposit in the Escrow Fund such amount of the proceeds from the sale of the Bonds as may be necessary, together with such amount, if any, as is in deposit in the Bond Retirement Fund of the City and required to be used for such purpose, to provide for the refunding of the Refunded Bonds. Those funds are appropriated and shall be used to pay debt charges on the Refunded Bonds, as provided in the Escrow Agreement. The transfer to the Escrow Fund of any funds required hereunder and presently on deposit in the Bond Retirement Fund is hereby authorized. The funds deposited in the Escrow Fund shall be invested and applied as
provided in the Escrow Agreement. The Escrow Agent is hereby authorized to file, on behalf of the City, subscriptions for the purchase and issuance of United States Treasury Securities – State and Local Government Series (“SLGS”) for investment of funds in the Escrow Fund if it is determined by the Director of Finance in the Certificate of Award that the purchase of SLGS for such purpose is in the best interest of and financially advantageous to the City. If, in the judgment of the Director of Finance, an open-market purchase of obligations described in the preceding paragraph for the Escrow Fund is in the best interest of and financially advantageous to the City, the Director of Finance may purchase or cause to be purchased and deliver or cause to be delivered such obligations, engage the services of a financial advisor, bidding agent or similar entity for the purpose of facilitating the bidding, purchase and delivery of such obligations for, and any related structuring of, the Escrow Fund, execute such instruments as are deemed necessary to engage such services for such purpose, and provide further for the payment of the cost of obtaining such services, except to the extent paid by the Underwriter in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose.

Section 9. Application of Proceeds of Sale of the Bonds. The proceeds from the sale of the Bonds, except any accrued interest and any proceeds to be used to pay Financing Costs as determined by the Director of Finance, shall be paid into the proper fund or funds, and those proceeds are appropriated and shall be used for the purpose for which the Bonds are being issued. The expenditure of funds for the foregoing purpose is hereby authorized. Proceeds in the amount of any temporary advances as certified by the Director of Finance are to be credited to the fund from which temporary advances were made to reimburse it for temporary advances made to pay capital expenditures previously made for the foregoing purpose, and such amount is charged against those proceeds. Immediately following the issuance of the Bonds, the appropriate officers are directed further to reflect such reimbursement, together with reimbursement of any additional amounts eligible for reimbursement under U.S. Treasury Regulations Section 1.150-2, on the appropriate accounting records of the City. Any portion of those proceeds representing accrued interest shall be paid into the Debt Service Fund (created in Section 9 of this Ordinance). Any portion of those proceeds received by the City representing premium (after payment of any Financing Costs identified in the Certificate of Award and the Purchase Agreement) shall be paid into the Bond Retirement Fund. The expenditure of amounts necessary to pay Financing Costs is authorized and approved.

Section 10. Payment and Security for the Bonds. The Bonds shall be special obligations of the City, and the Bond Service Charges on the Bonds shall be payable solely from the Nontax Revenues, and the payment of Bond Service Charges is secured by a pledge of and lien on the Nontax Revenues on deposit in the Debt Service Fund, as described below. The Bonds are not and shall not be secured by an obligation or pledge of any money raised by taxation. The Bonds do not and shall not represent or constitute a debt or pledge of the faith and credit or taxing power of the City, and the holders thereof have and shall have no right to have taxes levied by the City for the payment of Bond Service Charges on the Bonds.

The City covenants and agrees that while the Bonds are outstanding, it will appropriate and maintain Nontax Revenues at such times and in such amounts as will be
sufficient, together with the proceeds of the Bonds available for the purpose, to pay the Bond Service Charges on the Bonds and required payments on Parity Obligations when due and will so restrict the issuance of future Parity Obligations as will ensure the continuing availability for appropriation of sufficient Nontax Revenues to pay Bond Service Charges when due, which Nontax Revenues are hereby selected by the City pursuant to Section 165.12 of the Ohio Revised Code as moneys that are not raised by taxation.

Any excess funds resulting from the issuance of the Bonds and which are unexpended after payment of all costs of the Project shall, to the extent necessary, be used to pay the Bond Service Charges on the Bonds at maturity and are pledged for that purpose.

There is hereby created and ordered maintained as a separate fund in the custody and control of the Director of Finance, a fund that shall be designated the “Nontax Revenue 2020 Project Debt Service Fund” (the “Debt Service Fund”) into which Nontax Revenues shall be deposited on or prior to the date of maturity of the Bonds in an amount sufficient to pay Bond Service Charges on the Bonds, and, if the Director of Finance determines it to be in the best interest of and financial advantages to the City to maintain a reasonable reserve in the Debt Service Reserve Fund, to fund and maintain that reserve in an amount not greater than the maximum annual debt service charges to be paid on the Bonds.

Nothing herein shall be construed as requiring the City to use or apply to the payment of Bond Service Charges any funds or revenues from any source other than Nontax Revenues. Nothing herein, however, shall be deemed to prohibit the City, of its own volition, from using, to the extent that it is authorized by law to do so, (i) any other available revenues of the City to pay Bond Service Charges on the Bonds, or (ii) any other resources for the fulfillment of any of the terms, conditions or obligations of this Ordinance or of the Bonds.

Section 11. Federal Tax Covenants. That the City covenants that it will use, and will restrict the use and investment of, the proceeds of the Tax-Exempt Bonds in such manner and to such extent as may be necessary so that (a) the Tax-Exempt Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Tax-Exempt Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Tax-Exempt Bonds to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Tax-Exempt Bonds to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.
The Director of Finance, or any other officer of the City having responsibility for issuance of the Tax-Exempt Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Tax-Exempt Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Tax-Exempt Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Tax-Exempt Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Tax-Exempt Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Tax-Exempt Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Tax-Exempt Bonds.

The Tax-Exempt Bonds are not designated “qualified tax-exempt obligations” for the purposes set forth in Section 265(b)(3) of the Code.

Section 12. Covenants and Representations of City. That in addition to other covenants and representations of the City contained in this Ordinance, the City covenants and agrees that:

(a) Payment of Bond Service Charges. The City will, solely from the Nontax Revenues, pay or cause to be paid the Bond Service Charges on the dates, at the places and in the manner provided herein and in the Bonds. For that purpose, in each year while the Bonds are outstanding, this Council, after providing for the payment of debt charges payable on the City’s general obligation securities in that year from sources available for that purpose, will appropriate Nontax Revenues required to pay, and for the purpose of paying, the Bond Service Charges and required payments on Parity Obligations due in that year. Further, this Council will give effect to such appropriations in all ordinances it passes thereafter in that year appropriating money for expenditure and encumbrance and limit the other appropriations of Nontax Revenues in that year to the amount available after deducting the amount required for the payment of debt charges payable on the City’s general obligation securities and to pay those Bond Service Charges and required payments on Parity Obligations.

(b) Performance of Covenants and City Actions. The City will at all times faithfully observe and perform all agreements, covenants, undertakings, stipulations and provisions to be performed on its part under this Ordinance and the Bonds and under all proceedings of this Council pertaining thereto. The City represents that (i) it is, and upon delivery of the Bonds covenants that it will be, duly authorized by the Constitution and laws of the State including particularly and without limitation the Act, and its Charter, to issue the
Bonds and to provide the security for payment of the Bond Service Charges in the manner and to the extent set forth herein and in the Bonds; (ii) all actions on its part for the issuance of the Bonds have been or will be taken duly and effectively; and (iii) the Bonds will be valid and enforceable special obligations of the City according to their terms. Each obligation of the City required to be undertaken pursuant to this Ordinance and the Bonds is binding upon the City, and upon each officer or employee of the City as may from time to time have the authority under law to take any action on behalf of the City as may be necessary to perform all or any part of such obligation, as a duty of the City and of each of those officers and employees resulting from an office, trust or station within the meaning of Section 2731.01 of the Ohio Revised Code, providing for enforcement by writ of mandamus.

(c) Inspection of Project Books. All books and documents in the City’s possession relating to the Nontax Revenues shall be open at all times during the City’s regular business hours to inspection by such accountants or other agents of the holder as the holder of the Bonds may from time to time designate.

(d) Transcript of Proceedings. The Clerk, or another appropriate officer of the City, shall furnish to the Underwriter a true transcript of proceedings, certified by that officer, of all proceedings had with reference to the issuance of the Bonds along with such information from the records as is necessary to determine the regularity and validity of the issuance of the Bonds.

Section 13. Amendments to Loan Agreement and Security Documents. That the Mayor or City Manager and the Director of Finance are authorized and directed, for and in the name of the City and on its behalf, to sign and deliver such amendments to the Loan Agreement and the Security Documents as are necessary and appropriate and in the best interest of and financial advantage to the City, in such forms as shall be approved by the officials signing those amendments on behalf of the City and approved as to form by the City Attorney, and any certifications, financing statements, documents, and instruments, in such form as shall be approved by the officials signing those instruments on behalf of the City and approved as to form by the City Attorney, and to take such other actions as are desirable, advisable, necessary or appropriate to maintain the perfection of the security interests granted in the Security Documents and to consummate the transactions contemplated by this Ordinance and the Purchase Agreement.

Section 14. Payment and Discharge. If the Director of Finance and the Trustee do not or are unable to do so, the Director of Finance and the Trustee, after making provision for notification of the beneficial interest owners by the then-Degpository and any other arrangements deemed necessary, shall permit withdrawal of the Series 2020 Bonds from the Depository, and shall cause Series 2020 Bond certificates in registered form and Authorized Denominations to be authenticated by the Trustee and delivered to the assignees of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is authorized and directed to sign and deliver the Certificate of Award selling the Series 2020 Bonds to the Underwriter at the purchase price established therein and in accordance with this Ordinance, and to evidence that sale and the further terms and provisions of that sale and the Series 2020 Bonds by completing, signing and delivering that Certificate of Award and the Purchase Agreement substantially in the form now on file with the Clerk. The approval of those changes, and the determination that those changes are not substantially adverse to the City, shall be conclusively evidenced by that signing.

It is hereby determined by this Commission that the parameters for the purchase price for and the terms of the Series 2020 Bonds and the procedures for their sale, all as established in accordance with this Ordinance, are in the best interest of the City and in compliance with all legal requirements.

To the extent that the City deposits into the Sewer Bond Reserve Fund any Revenues and/or other lawful available monies of the City, those amounts are hereby appropriated and shall be used for that purpose.

Section 10. Security. That the Series 2020 Bonds shall be special obligations of the City. To the extent provided in and except as otherwise permitted by the Trust Agreement, the Bond Service Charges shall be payable equally and ratably solely from the Net Revenues and the Pledged Funds, and the payment of Bond Service Charges on the Series 2020 Bonds shall be secured (a) by the Trust Agreement and (b) by a pledge and assignment of and a lien on the Net Revenues and the Pledged Funds. However, any pledge or assignment of or lien on any fund, account, receivables, revenues, money or other intangible property not in the custody of the Trustee shall be valid and enforceable only to the extent permitted by law.

Nothing in the Series 2020 Bond Proceedings shall constitute a general obligation debt or tax-supported bonded indebtedness of the City; the general resources of the City shall not be required to be used, and neither the general credit nor taxing power or full faith and credit of the City are or shall be pledged, for the performance of any duty under the Series 2020 Bond Proceedings. Nothing in the Series 2020 Bond Proceedings gives the holders of the Series 2020 Bonds, and they do not have, the right to have excises or taxes levied by the City for the payment of Bond Service Charges or Operating Expenses, but the Series 2020 Bonds are payable solely from the Net Revenues and the Pledged Funds, as provided in the Series 2020 Bond Proceedings, and each Series 2020 Bond shall contain a statement to that effect; provided, however, that nothing shall be deemed to prohibit the City, of its own volition, from using to the extent it is lawfully authorized to do so, any other resources or revenues for the fulfillment of any of the terms, conditions or obligations of the Series 2020 Bond Proceedings.

Section 11. Covenants of the City. That the City, by issuance of the Series 2020 Bonds, covenants and agrees with its holders to perform its applicable covenants and agreements set forth in this Ordinance, the General Bond Ordinance, the Trust Agreement and other Series 2020 Bond Proceedings. The City particularly covenants that it will:

(a) Operate the Utility as a public utility under the Act, including all extensions thereof and improvements thereto.

(b) Subject to applicable requirements and restrictions imposed by law, at all times prescribe and charge such rates, charges and rentals for the services and facilities of the Utility, and so restrict Operating Expenses, as shall be necessary in order to meet the earnings coverage and other requirements of the Trust Agreement.

(c) Segregate, for accounting purposes, the Revenues and the Funds in its custody from all other revenues and funds of the City.

(d) At any and all times, cause to be done all such further acts and things and cause to be signed and delivered all such further instruments as may be necessary to carry out the purpose of the Bonds and any Bond Legislation or as may be required by the Act, and comply with all requirements of law applicable to the Utility and its operation.

(e) Observe and perform faithfully at all times all covenants, agreements, authority, actions, undertakings, stipulations and provisions to be observed or performed on its
part under the Bond Legislation, the Trust Agreement, the Bonds and any other applicable Bond Proceedings, and under all Commission proceedings pertaining thereto.

Each of those obligations is binding upon the City, and upon each City officer or employee as from time to time may have the authority under law to take any action on behalf of the City that may be necessary to perform all or any part of that obligation, as a duty of the City and of each of those officers and employees resulting from an office, trust or station within the meaning of Section 2731.01 of the Ohio Revised Code, providing for enforcement by writ of mandamus.

Section 12. Federal Tax Covenants. That the City covenants that it will, and will restrict the use and investment of, the proceeds of the Series 2020 Bonds in such manner and to such extent as may be necessary so that (a) the Series 2020 Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Series 2020 Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Series 2020 Bonds to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will among other acts of compliance, (i) apply the proceeds of the Series 2020 Bonds to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance or any other officer of the City having responsibility for issuance of the Series 2020 Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Series 2020 Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Series 2020 Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Series 2020 Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Series 2020 Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Series 2020 Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Series 2020 Bonds.

Section 13. Supplemental Trust Agreement; Further Authorizations. That to secure the payment of the Bond Service Charges as the same shall become due and payable and the performance by the City of its obligations provided for in the Series 2020 Bond Proceedings and the Series 2020 Bonds, the Mayor or the City Manager and the Director of Finance are authorized and directed, for and in the name of the City and on its behalf, to sign and deliver to the Trustee the Supplemental Trust Agreement substantially in the form now on file with the Clerk. That form of Supplemental Trust Agreement is
hereby approved with such changes therein as are not inconsistent with this Ordinance, not substantially adverse to the City, and permitted by the Act, and as shall be approved by the officers signing the Supplemental Trust Agreement and the City Attorney. The approval of those changes, and the determination that such changes are not substantially adverse to the City, shall be conclusively evidenced by the signing of the Supplemental Trust Agreement by those officials. The Mayor, the City Manager, the Director of Finance, the City Attorney, the Clerk and other City officials, as appropriate, each are authorized to give appropriate notices and make such elections and sign and deliver such additional documents, certifications and instruments and take such actions as are necessary or appropriate to consummate the transactions contemplated in this Ordinance, the Supplemental Trust Agreement and the Purchase Agreement.

Section 14. Officers. That in the event of the absence, unavailability or inability to act of, or a vacancy in the office of, the City Manager, the Director of Finance, the Director of the Department of Water, the City Attorney or the Clerk, any assistant, deputy or interim City Manager, any assistant, deputy or interim Director of Finance, any assistant, deputy or interim Director of the Department of Water, any assistant or acting City Attorney, or any assistant or acting Clerk are each authorized and empowered to take all actions, and to execute all documents and instruments and to deliver the same, as are herein authorized to be taken or executed and delivered by the City Manager, the Director of Finance, the Director of the Department of Water, the City Attorney or the Clerk, as the case may be.

Section 15. Severability. That each section of this Ordinance and each subdivision of any section hereof is hereby declared to be independent, and the finding or holding of any section or subdivision of any section hereof to be invalid or void shall not be deemed nor held to affect the validity of any other section or subdivision of this Ordinance.

Section 16. Findings and Recitals of Validity. That this Commission determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Series 2020 Bonds in order to make them legal, valid and binding special obligations of the City have been performed and have been met, or will at the time of delivery of the Series 2020 Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation is applicable to the Series 2020 Bonds or their issuance. It is further found and determined, and is hereby represented and recited, that the provisions of the City’s Charter, the rules of this Commission and its ordinances and resolutions have been fully complied with and that this Ordinance was passed in conformity therewith.

Section 17. Open Meetings. That this Commission finds and determines that all formal actions of this Commission concerning and relating to the passage of this Ordinance were taken in an open meeting of this Commission and that all deliberations of this Commission and of any of its committees that resulted in those formal actions, were in meetings open to the public in compliance with the law.
Section 18. Effective Date. That for reasons stated in the preambles hereof, this Ordinance is declared to be an emergency measure and shall take effect immediately upon its passage.

REPORT OF ASSESSMENT EQUALIZATION BOARD

September 10, 2020

To the Commission of the City of Dayton, Ohio:

We, the Assessment Equalization Board, appointed and acting pursuant to Resolution No. 6517-20, adopted July 8, 2020, report that at the time and place fixed by that Resolution for its first and only meeting, heard and determined the only objection which was filed concerning the estimated special assessments for the Plan of Services in accordance with Resolution No. 6516-20, adopted, July 8, 2020, declaring the necessity of implementing the Plan.

This Board has considered the objection to the estimated special assessment, or to the amount and apportionment of those special assessments, and finds as follows:

1. That the written objection of Mr. William Rosenbeck, dated August 11, 2020, was denied as it was determined the assessment calculation conformed to the formula set forth in the Resolution of Necessity.

The Board further finds that there were no additional objections filed to the estimated special assessments for this Plan, as set forth in the assessment report on file with the Clerk of the Commission of the City of Dayton, Ohio, and therefore do not exceed the special benefits conferred upon each lot and parcel of land within the District, and are approved.
