Description

PROFESSIONAL SERVICES AGREEMENT
PARALLEL SANITARY INTERCEPTOR SECTIONS 3 & 4
FIRST AMENDMENT

The Department of Water requests permission to enter into a First Amendment with ARCADIS US, Inc. in the amount of $73,020.00 to cover additional services/work needed for the design of the Parallel Sanitary Interceptor Sections 3 & 4, also referred to as Phases C & D. The plans were originally prepared and approved several years ago. Based on lessons learned from Phases A & B, modifications to the existing drawings are necessary. Secondly, additional permits were required for these two phases (CSX Transportation and Floodway Modeling) and permits acquired several years ago have since expired and had to be renewed (US Army Corp, Mussel Survey, and OEPA Section 401). Services will include completion of all necessary permits, revisions to the construction drawings, and additional Construction Phase Services.

The original Agreement was approved on July 29, 2015 in the amount of $826,980.00. This First Amendment will increase the contract amount to $900,000.00, modify the services to be performed, and extend the term to December 31, 2024.

The First Amendment has been reviewed by the Law Department as to form and correctness.

A Certificate of Funds and a copy of the Agreement are attached.

During this two-year period, each party will protect the confidential or proprietary information in the same manner that it protects its own confidential information of a similar nature. Each party agrees that it will only copy the confidential or proprietary information to the extent necessary to perform the work and services contracted for pursuant to this Agreement.

For purposes of this Agreement, such circumstances include, but are not limited to, abnormal weather conditions; floods; earthquakes; fire; epidemics; war, riots, and other civil disturbances; strikes, lockouts, work slowdowns, and other labor disturbances; sabotage; judicial restraint; and inability to procure permits, licenses, or authorizations from any local, state, or federal agency for any of the supplies, materials, accesses, or services required to be provided by either the City or Consultant under this Agreement.

Should such circumstances occur, the non-performing party shall, within a reasonable time of being prevented from performing, give written notice to the other party describing the circumstances preventing continued performance and the efforts being made to resume performance of this Agreement.

H. ASSIGNMENT
Consultant shall not assign any rights or duties under this Agreement without the prior written consent of the City. Unless otherwise stated in the written consent to an assignment, no assignment will release or discharge the assignor from any obligation under this Agreement. Nothing contained in this Article shall prevent Consultant from employing independent consultants, associates, and subcontractors to assist in the performance of the Services.

I. THIRD PARTY RIGHTS
Except as expressly provided in this Agreement, nothing in this Agreement shall be construed to give any rights or benefits to anyone other than the City and Consultant.

J. AMENDMENT

SCOPE OF SERVICES

City: City of Dayton, Ohio
Project: Sanitary Sewer Interceptor – Contract B, C, & D
Consultant: ARCADIS

This project consists of providing professional engineering and surveying services in order to design and prepare construction documents for a parallel intercepting sanitary sewer. The intercepting sewer shall be designed in accordance with details outlined within the Sanitary Sewer Master Plan adopted by the Department of Water. In general, overall project limits for surveying and design will include following the existing intercepting sewer from Broadway Pump Station to Deeds Point.

The overall project has been divided into four (4) Contract Phases. The phases consist of:

Ultimately, approximately 22,000 linear feet of interceptor sewer will be installed as part of this project. ARCADIS shall prepare construction plans and obtain necessary permits for portions B, C, and D of the Sanitary Sewer Interceptor Project. Coordination will be necessary with the Lead Consultant – RA Consultants (RA).

Coordination/Member of Technical Team

- Attend necessary meetings and participate in Technical Team as outlined by RA.
- Provide information for development of Technical Memo to be prepared by RA.
- Provide information for development of Post Construction Hydraulic Model to RA (as-built info from contract B, C, or D).

Surveying/Design Phase (section B, C, and D)

- Preliminary Alignment (Coordinate with RA)
- Geotechnical Survey (1 boring every 1,000-ft)
- Design Memorandum Detailing Design Criteria/Methodology
• 30% Complete Construction Plans

• 90% Complete Construction Plans + Specifications Submittal

• 100% Submittal. 1 Set 22"x34" Construction Plans + Final Specifications + Final Cost Estimate.

• As-built Plan (information to be provided to RA for development of the final InfoWorks model).

Bid Phase Services (section B, C, and D)

ARCADIS shall respond to any questions received from prospective bidders, and assist the Division of Water Engineering to prepare addenda to clarify, correct or change contract documents. The consultant shall attend the pre-bid meeting and bid opening, assist in evaluation of bids, and assist the Department of Water in the recommendation concerning award of the construction contract.

Construction Phase Services (section B, C, and D)

ARCADIS shall provide technical/site engineer services during construction. Construction Phase Services may include but not limited to contractor pay estimate review, schedule review, shop drawing review, attend monthly progress meetings, prepare minutes of meeting notes, inspect work or materials, change order review, etc.

CFD Analysis (section B, C, and D)

ARCADIS shall perform Computational Fluid Dynamic (CFD) analysis/modeling of hydraulic structures for sections B, C, and D. Specifically, the siphon structures associated with Segments B, C, and D will be modeled. Results shall be submitted as a technical memo. The CFD modeling is a valuable addition to the scope of this project. It efficiently checks behavior of not only liquid, but also air flow in a sealed interceptor. Changes that reduce turbulence would drastically reduce the release of H2S gas and subsequent corrosion.

PROFESSIONAL SERVICES AGREEMENT FOR PARALLEL SANITARY INTERCEPTOR
SECTION 2, 3, & 4

The Department of Water requests permission to enter into an Agreement with ARCADIS US, Inc. in the amount of $826,980 for professional engineering services. This agreement is for professional engineering and field surveying services related to the development of construction documents, permitting, and hydraulic modeling & analysis for construction of a parallel sanitary intercepting sewer. Construction limits include installation of pipe and appurtenances that will parallel the existing Interceptor Sewer from Broadway Pump Station to Deeds Point along the Great Miami River (approximately 22,000-ft).

ARCADIS US, Inc. had the best combination of approach, expertise, and resources to meet City of Dayton objectives for the project and provided the lowest fee in the proposal response for three (3) of the four (4) sections. ARCADIS US, Inc. will prepare construction documents for three (3) sections of the parallel sanitary intercepting sewer (approximately 17,000-ft)

This project is being fully funded using 2015 Sanitary Capital Funds and will augment the Department’s Capital Improvement Plan and is identified within the Sanitary Sewer Master Plan.

The Agreement shall commence upon execution by the City and it shall expire upon expenditure of all funds provided herein or on December 31, 2020.

The Agreement has been reviewed by the Law Department as to form and correctness. A Certificate of Funds and a copy of the Agreement are attached.

RE: HRC Response to Street Light Replacement Phase 6 Recommendation Award

The Human Relations Councils (HRC) supports the Department of Civil Engineering’s recommendation to award the above mentioned project to the low bidder.

Capital Electric was the lowest and best bidder on Street Light Replacement-Phase 5 Re-Bid (CT19-2333) & Street Light Replacement Phase 4 (CT17-1692). On CT19-2333, Capital Electric exceeded the 20% MBE by achieving 59% PEP participation. On CT17-1692, Capital Electric exceeded the 20% MBE by achieving 35% PEP participation. However, on Street Light Replacement Phase 6, Capital Electric fell short of the 10%SBE & 5%MBE project goal as well as failed to submit a valid waiver.

Despite the Capital Electric short fall, HRC supports the Department of Civil Engineering recommendation to move forward with the contractor. Over the past three years, the Department of Public Works has demonstrated their good faith effort to increasing PEP participation throughout their department spend. The Department of Public Works has achieved all participation spend goals set by HRC from 2017 - 2019. In 2017, the Department PEP spend goal was 25% and the Department of Public Works achieved 26.24% PEP participation. In 2018, the Department PEP spend goal was 26% and the Department of Public Works achieved 51.78% PEP participation. In 2019, the Department PEP goal was 19% and the Department of Public Works achieved 19% PEP participation.

When a Department present supporting information, the HRC will evaluate the totality of circumstances, including past performance of the requesting Department and the recommended Contractor. Although this response memo does not change the HRC’s initial participation evaluation process, both the Department of Public Works and Capital Electric have demonstrated their continuing commitment to diversifying the City of Dayton’s spend with PEP certified firms.

For the achievements listed above, we support the Department of Civil Engineering recommendation.

SUBJECT: Street Light Phase 6 Recommendation of Award

The Department of Public Works, Division of Civil Engineering, is recommending the award of the Street Light Phase 6 Contract to the low bidder, Capital Electric Line Builders, Inc. This vendor has participated and won 3 of the previous 5 phases, all of which met goals due to the work type that is not contained in Phase 6. Phase 5 had to rebid to include the additional work in order to meet the goals assigned.

It is the Department’s determination that the goals set for this project were unattainable due to the specific nature of the products and services requested in comparison to the availability of qualified PEP certified companies given the required program parameters. Both of the submitting vendors determined there was an inability to locate certified companies that would not be direct competitors and would dramatically impact total project costs. Some of this was based on outreach to vendors and some was a determinant based on experience from the previous 5 phases of this project. Current economic conditions and workload were two factors that kept two previously used SBE’s from submitting on this phase.

Re-bidding this project would hinder the Department’s ability to meet the expected outcomes outlined in the Street Light Special Assessment and jeopardize future efforts to renew this Assessment. Understandably, it is always our desire to exceed the goals provided; however, we believe that we have made every good faith effort on this project by meeting goals in five of the six phases with exceeding the SBE goal in two of those five phases.

If you have any questions or need further clarification please contact me at x4071.

RE: the 10% SBE and the 5% MBE on this project:

Capital Electric Line Builders is requesting a waiver for this Minority participation as per the following unable to achieve.

1.) We are unable to purchase material for the project from a supplier that meets the minority requirements.

2.) We are unable to sublet work to the other contractors that can perform this work. Bansal MBE, Reese Electric SBE and Security Fence SBE these are our competitors and if we shear this project it would be a conflict of interest.

Sincerely,

CAPITAL ELECTRIC LINE BUILDERS

TITLE
being the general contractor, assumes the responsibility and obligation to institute an Affirmative Action Program which complies with revised City Ordinances 24059 and 26090 and Executive Order 11246 on any city, federal or federally-assisted construction project, to insure Equal Employment Opportunity regardless of race, color, religion, sex, national origin, ancestry, place of birth, age, or marital status.

The successful contractor using one or more trades of construction employees must comply with Part I of these Affirmative Actions Program conditions to each such trade.

Part I: Requirements. To be eligible for award of a contract under this Invitation to Bid, contractors must certify as prescribed in Paragraph 1a, of the certification specified in Part II hereof that it adopts the minimum goals and timetables of minority and female worker utilization, and specific Affirmative Action steps set forth in Sections 1 and 2 of this Part I.

1.) Goals & Timetables. The goals of minority and female worker utilization required of the contractor are applicable to each trade which will be used on any project in Greene, Miami, Montgomery, and Preble Counties, OH (hereinafter the Economic Area).

The required goals and timetables are as follows:

<table>
<thead>
<tr>
<th>From 1/1/2000 to Present</th>
<th>Goals of Minority Worker Utilization Expressed in Percentage Terms</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>11.5%</td>
</tr>
<tr>
<td>From 4/1/80 to Present</td>
<td>Goals of Female Worker Utilization Expressed in Percentage Terms</td>
</tr>
<tr>
<td></td>
<td>6.9%</td>
</tr>
</tbody>
</table>
The percentage goals of minority and female worker utilization are expressed in terms of working hours of training and employment as a proportion of the total working hours to be worked by the contractor's entire work force in that trade on all projects (both federal and non-federal) in the Economic Area during the performance of this contract. The working hours for minority and female work and training must be uniform throughout the length of this contract, on all projects and for each of the trades. Further, the transfer of minority and/or female or trainee from employer-to-employer or from project-to-project for the sole purpose of meeting the contractor's goals shall be a violation of this Affirmative Action Program.

In reaching the goals for minority and female utilization, every effort shall be made to find and employ qualified journey-persons. Provided, however, and pursuant to the requirements of the Department of Labor Regulations, 29 CFR 5a.3, twenty-five percent (25%) of apprentices or trainees shall be employed on all projects and shall be in their first year of training, where feasible.

In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the contractor during the training period, and the contractor must have made a commitment to employ the apprentices and/or trainees at the completion of the training subject to the availability of employment opportunities. Apprentices and trainees must be trained pursuant to programs which have been approved by The U.S. Department of Labor and/or The State of Ohio.

A contractor shall be deemed to be in compliance with the terms and requirements of this Part I by the employment and training of minorities and females in the appropriate percentage of the contractor's aggregate work force in the Economic Area for each trade for which it is committed to the goals under Part I.

However, no contractor shall be found to be in noncompliance solely on account of the contractor's failure to meet the goals and timetables, but such contractor shall be given the opportunity to demonstrate that all of the specific Affirmative Action steps specified in Part I have been instituted and has made every "good faith" effort to make these steps work towards the attainment of the goals and timetables.

2.) **Specific Affirmative Action Steps.** A contractor subject to Part I, must engage in Affirmative Action directed at increasing minority and female utilization, which is at least as extensive and as specific as the following steps:

   a) The contractor shall notify community organizations that the contractor has employment opportunities available and shall maintain records of the organizations' responses.

   b) The contractor shall maintain a file of the names and addresses of each minority and female referred and what action was taken with respect to each referred worker. If the worker was not employed, the reason therefor. If the worker was not sent to the union hiring hall for referral, the contractor's file shall document this and the reasons therefore.

   c) The contractor shall promptly notify the Dayton Human Relations Council (HRC) when the union or unions with which the contractor has a collective bargaining agreement has not referred to the contractor a minority and/or female, or when the contractor has other information that the union referral process has impeded the contractor's efforts to meet its obligations.

   d) The contractor should participate in training programs in the area; especially those approved by the U.S. Department of Labor and/or the State of Ohio.

RE: the 10% SBE and the 5% MBE on this project:
Capital Electric Line Builders is requesting a waiver for this Minority participation as per
the following unable to achieve.

1.) We are unable to purchase material for the project from a supplier that meets the
minority requirements.

2.) We are unable to sublet work to the other contractors that can perform this work.
Bansal MBE, Reece Electric SBE and Security Fence SBE these are our
competitors and if we shear this project it would be a conflict of interest.

Sincerely,

CAPITAL ELECTRIC LINE BUILDERS

PEP PARTICIPATION COMMITMENT AND/OR WAIVER REQUEST FORM

Instructions for Bidders/Proposers: Submit one (1) executed copy of this form with your Bid/Proposal.

- If Option 1 is selected, you must also submit one (1) executed PEP-Certified SBE/MBE/WBE/DLSB Participation Form for each PEP-Certified Firm whose participation you plan to count toward the project/participation goal(s).

- If Option 2 (WAIVER REQUEST) is selected, you must also submit documentation of your Good Faith Efforts to the City of Dayton Human Relations Council (HRC) within two (2) business days of the Bid Opening / Proposal Due Date. **Bidders/Proposers will receive no further reminders about this deadline.**

The undersigned affirms that the Bidder/Proposer has satisfied the requirements of the Bid/RFP Specification in the following manner: (Check the box for Option 1 and/or Option 2, complete the appropriate spaces, and sign below.)

- **Option 1.** The Bidder/Proposer has secured enough commitment(s) from one or more PEP-Certified Firms to meet or exceed the project’s PEP participation goal(s). The Bidder/Proposer is committed to a minimum of:

<table>
<thead>
<tr>
<th>% SBE</th>
<th>% MBE</th>
<th>% WBE</th>
<th>% DLSB</th>
</tr>
</thead>
</table>

participation on this contract, as detailed on the executed PEP-Certified SBE/MBE/WBE/DLSB Participation Form(s) submitted with this Bid/Proposal.

- **Option 2 (WAIVER REQUEST).** The Bidder/Proposer is unable to meet the project’s PEP participation goal(s) and requests that the following goal(s) be waived: (Check all that apply.)

  - [ ] SBE
  - [ ] MBE
  - [ ] WBE
  - [ ] DLSB

The Bidder/Proposer’s documentation of Good Faith Efforts to meet the participation goal(s) checked above must be submitted to the HRC within two (2) business days of the Bid Opening / Proposal Due Date. **The Bidder/Proposer will receive no further reminders about this deadline.**

A waiver will be granted based on a Bidder/Proposer’s documented Good Faith Efforts, and only when the HRC determines that the Bidder/Proposer has completed all of the following activities:

1. Solicited the interest of all PEP-Certified Firms having the capability to perform the work of the contract. The Bidder/Proposer must solicit this interest at least ten (10) business days before the Bid Opening / Proposal Due Date in order to allow the PEP-Certified Firm sufficient time to respond to the solicitation. Electronic communication will not be deemed as sufficient Good Faith Efforts, if it is the sole method of communication used.

2. Divided contract work items into economically feasible units to facilitate PEP participation, even when the Bidder/Proposer might otherwise prefer to perform these work items with its own forces.

3. Negotiated in good faith with PEP-Certified Firms, and considered the firms’ prices and capabilities as well as the contract goals. Rejected PEP-Certified Firms as being unqualified only for reasons based on a diligent investigation of their capabilities. The Bidder/Proposer’s standing within its industry; membership in specific groups, organizations, or associations; and political or social affiliations (for example, union vs. non-union employee status) are not legitimate causes to reject or not solicit bids from particular PEP-Certified Firms.

4. Provided interested PEP-Certified Firms with plans and specifications at no cost, or directed them to the Greater Dayton Minority Business Assistance Center (Dayton MBAC) for information about the project’s plans, specifications, and requirements at least ten (10) business days prior to the Bid Opening / Proposal Due Date in order to assist them in responding to a solicitation.

5. Sought the Dayton MBAC’s assistance or used the services of community organizations; contractors’ groups; local, state or federal business assistance offices; or similar organizations to find PEP-Certified Firms. Contacting the HRC for a list of certified companies will not be deemed as sufficient Good Faith Efforts.

NOTE: In determining whether a Bidder/Proposer has made Good Faith Efforts, the HRC may take into account the performance of other Bidders/Proposers in meeting the goal(s). For example, when the apparent low bidder fails to meet a participation goal but others meet it, the HRC may reasonably raise the question of whether, with additional reasonable efforts, the apparent low bidder could have met the goal.

WHEREAS, MCLRC will strategically demolish structures in targeted neighborhoods in order to stabilize property values and curtail health and safety concerns associated with abandoned and nuisance properties; and

WHEREAS, MCLRC has adopted or will adopt certain policies and procedures that were or will be developed in connection with this demolition program; and

WHEREAS, MCLRC, the City of Dayton, Ohio and the City of Kettering, Ohio (each a “Project Manager” and collectively, the “Project Managers”) are supporting the effort by contracting for, and the management of, environmental survey and remediation, demolition, grading, re-greening, and maintenance activities, and Participant has designated a community
representative who has authority to make decisions on Participant’s behalf and who will be responsible for coordinating Participant’s responsibilities with MCLRC and the Project Managers throughout the term of this Agreement; and

WHEREAS, MCLRC and Participant are desirous of mutually cooperating to complete, where applicable, the acquisition or declaring properties a nuisance /condemnation, demolition, grading, disposition, re-greening and maintenance activities referenced in this Agreement on the terms and conditions stated in this Agreement; and

WHEREAS, Participant has sufficient statutory or other legal authority and the management and financial capability needed to assume its obligations under this Agreement, and Participant has agreed to perform those obligations on the terms and conditions provided in this Agreement; and

WHEREAS, MCLRC’s Executive Director (the “Director”) has authority to enter into and perform the agreements with Participant on behalf of MCLRC.

NOW, THEREFORE, for and in consideration of the mutual promises, covenants and agreements stated in this Agreement, the parties to this Agreement, with the intent to be legally bound, agree as follows:

1. **Community Representative and Notices**

   Participant designates City Manager Shelley Dickstein, or her designee, (the “Community Representative”) as Participant’s agent for purposes of this Agreement, and this Community Representative will have authority to make decisions on behalf of Participant and to bind Participant as provided in this Agreement and in the performance of Participant’s obligations. All notices, correspondence and communications to or from Participant, which are provided for or to be given under this Agreement, whether with MCLRC, the Director, a Project Manager or their respective agents and contractors, will be communicated or made to Participant through the Community Representative or her designee. All notices, correspondence and communications to the Project Manager provided for or to be given under this Agreement by Participant or its agents, contractors or representatives will be simultaneously given to the MCLRC Program Manager, Susie Crabill by email to SCrabill@MCLandBank.com read receipt confirmed.

2. **Target Area and Property Identification**
Participant will provide to MCLRC a target area(s) or specific properties according to the Program Guidelines attached hereto and made a part hereof that may be amended from time to time within Participant’s jurisdiction (the “Target Area”) for demolition activities as provided in this Agreement. These Target Areas may include properties owned by Participant and will be either part of a larger community stabilization effort, connect to or be a part of a previously identified target area, have been determined to present a threat to human health, safety, environment and/or presents a nuisance to the community or otherwise significant to the community, and approved by MCLRC at its sole discretion. Participant will identify specific property(s) within a Target Area at which Participant believe nuisance conditions exist or that Participant desires MCLRC to acquire for demolition. MCLRC or the Participant will determine if the property(s) meet the vacant abandoned criteria. For property(s) that are to be acquired, upon MCLRC’s determination that the property(s) meets the criteria, notice will be provided to the Participant, and MCLRC may proceed with the acquisition of the property(s) through tax foreclosures, deed in lieu of tax foreclosure or donation. For nuisance property(s) that are not being acquired, MCLRC and Participant shall determine the statutory process that will be followed to allow for demolition at the property(s) and whether MCLRC or Participant will initiate and pursue the process to completion.

3. **Scope of Work, Schedule and Budget**

   A. **Approvals.** Upon MCLRC’s approval or acquisition of each property for participation in the program, doors, windows and openings of any structures at the property will be covered to discourage trespassing. All work to be done under this Agreement will be in accordance with the Construction and Material Specifications of the City of Dayton dated October 1, 2008 (the “Construction and Material Specifications”). An environmental survey will be scheduled to determine if environmental remediation is needed prior to the demolition. Once the scope of environmental work is determined, bids will be requested from prequalified remediation contractors. Review of the bids and awarding the remediation contract will be performed by the Project Manager. Upon successful completion of the environmental remediation, the property will be re-inspected by the original environmental survey contractor to confirm that all environmental concerns

have been resolved. The property will then be submitted for bidding to demolish the structure(s). The demolition will include removal of all structural components of the buildings. The cavity that is created by removal of the buildings will be backfilled with clean fill materials and topped with 4 inches of high quality topsoil. The entire area affected by the demolition will be reseeded.

B. Inspections and Completion of Work. The Project Manager or their staff will perform all inspections pertaining to the scope of work, and will be solely responsible in determining when the scope of work has been completed in accordance with the Construction and Material Specifications. Only upon successful completion of the work will payment be approved.

C. Funding and Cost Reconciliation. Participant acknowledges that MCLRC has assigned a 2020 funding allocation amount for their community (“MCLRC Share”) and that amount is the limit that MCLRC will provide for demolition and other eligible costs defined in the Guidelines. The minimum allocation amount per Participant is $7,500. Participant acknowledges that MCLRC will receive invoices for the work and be responsible for payment to contractors and vendors. For property(s) to be acquired, upon the Participant’s identification of properties for MCLRC to acquire or when the Participant offers properties that Participant already owns for demolition, Participant will pay to MCLRC $5,000 per property as a “Property Deposit”. For nuisance property(s), Participant will pay to MCLRC the Property Deposit upon MCLRC’s determination that applicable statutory requirements are satisfied to allow demolition to legally proceed, and MCLRC will (i) certify to the Montgomery County Auditor such information required for abatement costs to be collected with real estate taxes, or (ii) follow other available statutory processes to place a lien against the applicable property for abatement costs. If the assessed amount or lien amount, as applicable, is recovered, the recovered amount shall be shared by Participant and MCLRC in proportion to the shared cost of demolition between the Participant and MCLRC. Upon completion of the demolition and re-greening of the property, MCLRC will issue an invoice to the Participant for the balance of Participant’s share of costs. “Participant’s Share” shall be equal to one half of the total cost of the demolition, acquisition, disposition, maintenance, environmental survey and remediation,
project oversight, insurance, assessment, and demolition costs. “Participant’s Balance” shall be equal to Participant’s Share less the Property Deposit. Participant shall pay this balance in full within 60 days after the date of the invoice. Participant understands that, for property(s) that are acquired, the Property is exempt from real estate taxes but not assessments while title to the Property is held by MCLRC. Participant further understands that upon the transfer of the Property to Participant, the Property will no longer be exempt from real estate taxes (unless Participant otherwise obtains an exemption), and Participant will be responsible for real estate taxes and assessments, including those charges for periods before MCLRC or Participant took title. Total payment by Participant during the term of the Agreement shall not exceed Seven Hundred Forty-Four Thousand Four Hundred Seventy Three Dollars and Zero Cents ($744,473.00).

4. Participant Services

Participant will waive all permits, fees and charges that would otherwise be chargeable or collected by Participant in connection with the activities to be undertaken pursuant to this Agreement. Participant further agrees to provide, at Participant’s expense, all public safety support (e.g. fire department, police, etc.) if requested by the Project Manager in connection with the administration and performance of this Agreement. Participant also agrees to cooperate with MCLRC in good faith to collect and assemble information required under this Agreement.

5. Maintenance

Participant will be responsible for the mowing of the property upon acquisition by MCLRC. Upon completion of all demolition activities, including the seeding of the property, Participant will immediately be responsible for the maintenance of the property when notified by MCLRC that demolition activities are complete, and regardless of whether title has been transferred to Participant. All contractors who perform maintenance on the properties must provide to MCLRC proof of Worker’s Compensation insurance and liability insurance in coverage amounts acceptable to MCRLC.

6. Disposition of Acquired Properties

Disposition of acquired properties to Participant will occur once all costs for the demolition have been submitted to and paid by MCLRC, and Participant has paid to
MCLRC the Participant’s Balance owed pursuant to Section 3.C of this Agreement. All costs and fees associated with the transfer of the property to Participant will be included in the total amount that will be paid for by MCLRC, and Participant will pay half of these costs and fees. Participant will accept the Property in its as-is condition and subject to all defects, patent or latent and whether known or unknown at the time of MCLRC’s acquisition of title to the Property.

7. **Liability; Insurance**

   **A. Scope of Project Party Obligations.** Neither MCLRC, the Project Manager nor their respective contractors, agents, representatives, directors, officers, managers, members, partners or principals (collectively, the “Project Parties”) will have any duties or obligations whatsoever in connection with the work to be performed pursuant to this Agreement or with respect to the properties where such work occurs except as expressly stated in this Agreement. Nothing in this Agreement or otherwise will be construed as any warranty or representation of any kind by MCLRC or the Project Manager with respect to the properties or otherwise. Effective upon the date demolition and reseeding work have been completed and approved for payment, any and all duties and obligations of MCLRC and the Project Manager arising under this Agreement or otherwise relating to the applicable property will terminate. Upon this termination, Participant, its successors and assigns, will release and waive all liabilities, claims and causes of action against all Project Parties, whether known or unknown, foreseen or unforeseen, actual or contingent, and whether arising directly or indirectly in connection with this Agreement or the property.

   **B. Liability.** Except as expressly stated in this Agreement, MCLRC will have no duty, obligation, liability or responsibility for the control, care, operation, management, repair, replacement or restoration of the property(s), or any waste committed on the property(s) or any dangerous or defective condition of the property(s) or any vandalism or break-ins at the property(s). Nothing in this Agreement or otherwise will be construed as any warranty or representation of any kind by MCLRC or the Participant with respect to the property(s) or otherwise. To the extent permitted by law, MCLRC and Participant shall be responsible for any claim or cause of action made against it arising out of the performance of its duties under this Agreement, and neither party shall be required or
responsible to indemnify, defend, or hold harmless the other for any such claim or cause of action. Each party shall obtain for itself insurance or other security for the performance of this Agreement. Nothing in this Agreement shall be construed to waive any immunity of MCLRC or Participant provided at law. In addition, MCLRC will have no liability or responsibility for any negligence in the management, upkeep, or repair of the Property. The terms and conditions of this Section will survive any conveyance of the Property from MCLRC or any termination or expiration of this Agreement without limitation.

C. Insurance. During the period MCLRC holds title to any acquired property(s), MCLRC will maintain commercial general liability insurance against claims for bodily injury, personal injury, or death, occurring in, on, under or about the property(s) in amounts and in form and substance satisfactory to MCLRC and as otherwise required by the terms of Schedule I attached to this Agreement. The insurance to be maintained by MCLRC pursuant to this Agreement will be provided for under valid and enforceable policies issued by financially responsible insurers authorized to do business in Ohio in accordance with the terms stated in Schedule I to this Agreement. Participant will maintain commercial general liability insurance on all property(s) owned by Participant, and such insurance will comply with the terms of Schedule A. During all periods that MCLRC is conducting activities at property(s) owned by Participant, MCLRC will be named as an additional insured on policies maintained by Participant. Except as required by this Agreement, Participant will be solely responsible for determining any other types of insurance coverage to be maintained and the policy limits and deductible amounts. MCLRC will have no liability or responsibility whatsoever with respect to such matters.

D. Damage. In the event of any damage or destruction to a property covered by this Agreement, MCLRC or Participant may elect to terminate this Agreement with respect to the damaged property by written notice to the other. Upon termination, MCLRC will be relieved of all obligations under this Agreement. MCLRC will have no liability or responsibility for any damage or destruction or for the repair or restoration of the property. MCLRC and Participant will reasonably cooperate with the other with respect to making claims on any applicable insurance to the extent the other party is deemed to hold any rights to such insurance. Any proceeds payable will be used for the payment of the costs of work.
performed pursuant to this Agreement, or if this Agreement is terminated, proceeds will be retained by or assigned to the party holding title to the property. If neither MCLRC nor Participant terminates this Agreement, they will work together to modify, if needed, and the demolition plan for the property,

8. No Third Party Beneficiaries

Under no circumstances will MCLRC be responsible or liable to any person or business for, or on account of, any disbursement of, or failure to disburse, the demolition funds paid to any firm under contract to MCLRC or any part thereof, and no contractor, subcontractor, vendor, material supplier, laborer or other party will have a right or claim against MCLRC under this Agreement or in connection with the administration of the work provided for in this Agreement.

The parties agree that this Agreement will not be assigned by Participant.

10. No Discrimination

12. **No Waiver**

No delay or omission of MCLRC in exercising or enforcing any of its rights, powers, privileges, discretion or remedies will constitute a waiver thereof, and no waiver by MCLRC of any default of Participant under this Agreement will operate as a waiver of any other default. No term or provision of this Agreement will be waived except with the prior written consent of MCLRC.

13. **Severability**

If any term or provision of this Agreement or the application thereof to any entity, person or circumstance is held by a court of competent jurisdiction to be invalid, unenforceable or illegal, then the remainder of this Agreement, or the application of such term or provision to entities, persons or circumstances other than those as to which it is held invalid, unenforceable or illegal, will not be affected thereby, and each remaining term and provision of this Agreement will be valid and enforceable to the fullest extent permitted by law.

14. **Entire Agreement**

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.
SPECIAL CONDITIONS

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2020 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2020 award supersedes funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2020 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrantees"), see the OJP website at https://ojp.gov/funding/Part200UniformRequirements.htm.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at https://ojp.gov/financialguide/DOJ/index.htm), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.
SPECIAL CONDITIONS

5. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2018, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after -- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2018, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at https://www.ojp.gov/training/fmtr.htm. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

6. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

7. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVV, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.
SPECIAL CONDITIONS

8. Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at https://www.sam.gov/. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at https://ojp.gov/funding/Explore/SAM.htm (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).
SPECIAL CONDITIONS

9. Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1) and (2).

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both--

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) and (2) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1) and (2).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. Staff involved in the hiring process

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or
any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (https://www.e-verify.gov/) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

10. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or exposes "personally identifiable information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal Information System" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

11. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at https://ojp.gov/funding/Explore/SubawardAuthorization.htm (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

12. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed $250,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, $250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed $250,000)), and are incorporated by reference here.
13. Unreasonable restrictions on competition under the award; association with federal government

SCOPE. This condition applies with respect to any procurement of property or services that is funded (in whole or in part) by this award, whether by the recipient or by any subrecipient at any tier, and regardless of the dollar amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used. The provisions of this condition must be among those included in any subaward (at any tier).

1. No discrimination, in procurement transactions, against associates of the federal government

Consistent with the (DOJ) Part 200 Uniform Requirements -- including as set out at 2 C.F.R. 200.300 (requiring awards to be "manage[d] and administer[ed] in a manner so as to ensure that Federal funding is expended and associated programs are implemented in full accordance with U.S. statutory and public policy requirements") and 200.319(a) (generally requiring "[a]ll procurement transactions [to] be conducted in a manner providing full and open competition" and forbidding practices "restrictive of competition," such as "[p]lacing unreasonable requirements on firms in order for them to qualify to do business" and taking "[a]ny arbitrary action in the procurement process") -- no recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor (at any tier), grant recipient or -subrecipient (at any tier), agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.
14. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

15. Determination of suitability to interact with participating minors

SCOPE. This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ) or in the application for any subaward, at any tier, the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award (whether by the recipient, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at https://ojp.gov/funding/Explore/Interact-Minors.htm (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

16. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

17. Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

18. OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees-Subgrantees.htm.
SPECIAL CONDITIONS

19. Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

20. Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

21. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

22. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

23. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at https://www.ecfr.gov/cgi-bin/ECFR?page=browse), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.
24. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

25. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2020)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions that may be set out in applicable appropriations acts are indicated at https://ojp.gov/funding/Explore/FY20AppropriationsRestrictions.htm, and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

26. Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient, and any subrecipients ("subgrantees") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award—(1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by—(1) online submission accessible via the OIG webpage at https://oig.justice.gov/hotline/contact-grants.htm (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at https://oig.justice.gov/hotline.
SPECIAL CONDITIONS

27. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

   a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

   b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

   a. it represents that--

      (1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

      (2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

   b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.
SPECIAL CONDITIONS

28. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

29. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

30. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.
31. Authority to obligate award funds contingent on noninterference (within the funded "program or activity") with federal law enforcement: information-communication restrictions; unallowable costs; notification

1. If the recipient is a "State," a local government, or a "public" institution of higher education:

A. The recipient may not obligate award funds if, at the time of the obligation, the "program or activity" of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that is funded wholly or partly with award funds is subject to any "information-communication restriction."

B. Also, with respect to any project costs it incurs "at risk," the recipient may not obligate award funds to reimburse itself if -- at the time it incurs such costs -- the program or activity of the recipient (or of any subrecipient, at any tier, described in par. 1.A of this condition) that would be reimbursed wholly or partly with award funds was subject to any information-communication restriction.

C. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient to OJP that, as of the date the recipient requests the drawdown, the recipient and each subrecipient (regardless of tier) described in par. 1.A of this condition, is in compliance with the award condition entitled "Noninterference (within the funded 'program or activity') with federal law enforcement: information-communication restrictions; ongoing compliance."

D. The recipient must promptly notify OJP (in writing) if the recipient, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the recipient, or of any subrecipient (at any tier) described in par. 1.A of this condition, may be subject to any information-communication restriction. Also, any subaward (at any tier) to a subrecipient described in paragraph 1.A of this condition must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an information-communication restriction.

2. Any subaward (at any tier) to a subrecipient described in par. 1.A of this condition must provide that the subrecipient may not obligate award funds if, at the time of the obligation, the program or activity of the subrecipient (or of any further such subrecipient at any tier) that is funded in whole or in part with award funds is subject to any information-communication restriction.

3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the recipient at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the recipient despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the recipient that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "Noninterference ... information-communication restrictions; ongoing compliance" award condition.

4. Rules of Construction

A. For purposes of this condition "information-communication restriction" has the meaning set out in the "Noninterference ... information-communication restrictions; ongoing compliance" condition.

B. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference ... information-communication restrictions; ongoing compliance" condition are incorporated by reference as though set forth here in full.
32. Authority to obligate award funds contingent on no use of funds to interfere with federal law enforcement:

SPECIAL CONDITIONS

1. If the recipient is a "State," a local government, or a "public" institution of higher education:

A. The recipient may not obligate award funds if, at the time of the obligation, the "program or activity" of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that is funded in whole or in part with award funds is subject to any "information-communication restriction."

B. In addition, with respect to any project costs it incurs "at risk," the recipient may not obligate award funds to reimburse itself if -- at the time it incurs such costs -- the program or activity of the recipient (or of any subrecipient, at any tier, described in paragraph 1.A of this condition) that would be reimbursed in whole or in part with award funds was subject to any information-communication restriction.

C. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient to OJP that, as of the date the recipient requests the drawdown, the recipient and each subrecipient (regardless of tier) described in paragraph 1.A of this condition, is in compliance with the award condition entitled "No use of funds to interfere with federal law enforcement: information-communication restrictions; ongoing compliance."

D. The recipient must promptly notify OJP (in writing) if the recipient, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the recipient, or of any subrecipient (at any tier) described in paragraph 1.A of this condition, may be subject to any information-communication restriction. In addition, any subaward (at any tier) to a subrecipient described in paragraph 1.A of this condition must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an information-communication restriction.

2. Any subaward (at any tier) to a subrecipient described in paragraph 1.A of this condition must provide that the subrecipient may not obligate award funds if, at the time of the obligation, the program or activity of the subrecipient (or of any further such subrecipient at any tier) that is funded in whole or in part with award funds is subject to any information-communication restriction.

3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the recipient at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the recipient despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the recipient that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "No use of funds to interfere ... information-communication restrictions; ongoing compliance" award condition.

4. Rules of Construction

A. For purposes of this condition "information-communication restriction" has the meaning set out in the "No use of funds to interfere ... information-communication restrictions; ongoing compliance" condition.

B. Both the "Rules of Construction" and the "Important Note" set out in the "No use of funds to interfere ... information-communication restrictions; ongoing compliance" condition are incorporated by reference as though set forth here in full.
SPECIAL CONDITIONS

33. Noninterference (within the funded "program or activity") with federal law enforcement: information-communication restrictions; ongoing compliance

1. With respect to the "program or activity" funded in whole or part under this award (including any such program or activity of any subrecipient at any tier), throughout the period of performance, no State or local government entity, agency, or official may prohibit or in any way restrict-- (1) any government entity or official from sending or receiving information regarding citizenship or immigration status to/from DHS; or (2) a government entity or agency from sending, requesting or receiving, or exchanging information regarding immigration status to/from/with DHS, or from maintaining such information. Any prohibition (or restriction) that violates this condition is an "information-communication restriction" under this award.

2. The recipient's monitoring responsibilities include monitoring of subrecipient compliance with the requirements of this condition.

3. Allowable costs. Compliance with these requirements is an authorized and priority purpose of this award. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) that the recipient, or any subrecipient at any tier that is a State, a local government, or a public institution of higher education, incurs to implement this condition.

4. Rules of Construction

A. For purposes of this condition:

(1) "State" and "local government" include any agency or other entity thereof (including any public institution of higher education), but not any Indian tribe.

(2) A "public" institution of higher education is defined as one that is owned, controlled, or directly funded (in whole or in substantial part) by a State or local government. (Such a public institution is considered to be a "government entity," and its officials to be "government officials." )

(3) "Program or activity" means what it means under title VI of the Civil Rights Act of 1964 (see 42 U.S.C. 2000d-4a).

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, any public institution of higher education, or any other entity (or individual) to violate any federal law, including any applicable civil rights or nondiscrimination law.

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.
34. No use of funds to interfere with federal law enforcement: information-communication restrictions; ongoing compliance

1. Throughout the period of performance, no State or local government entity, agency, or -official may use funds under this award (including under any subaward, at any tier) to prohibit or in any way restrict-- (1) any government entity or -official from sending or receiving information regarding citizenship or immigration status to/from DHS; or (2) a government entity or -agency from sending, requesting or receiving, or exchanging information regarding immigration status to/from/with DHS, or from maintaining such information. Any prohibition (or restriction) that violates this condition is an "information-communication restriction" under this award.

2. The recipient's monitoring responsibilities include monitoring of subrecipient compliance with the requirements of this condition.

3. Allowable costs. Compliance with these requirements is an authorized and priority purpose of this award. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) that the recipient, or any subrecipient at any tier that is a State, a local government, or a public institution of higher education, incurs to implement this condition.

4. Rules of Construction

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, any public institution of higher education, or any other entity (or individual) to violate any federal law, including any applicable civil rights or nondiscrimination law.

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.
SPECIAL CONDITIONS

35. Noninterference (within the funded "program or activity") with federal law enforcement: No public disclosure of certain law-enforcement-sensitive information

SCOPE. This condition applies with respect to the "program or activity" that is funded (in whole or in part) by the award, as of the date the recipient accepts this award, and throughout the remainder of the period of performance. Its provisions must be among those included in any subaward (at any tier).

1. Noninterference: No public disclosure of federal law-enforcement information in order to conceal, harbor, or shield

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

(3) the term "law-enforcement-sensitive information" means records or information compiled for any law-enforcement purpose; and

(4) the term "public disclosure" means any communication or release other than one--(a) within the recipient, or (b) to any subrecipient (at any tier) that is a government entity.

B. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference (within the funded "program or activity") with federal law enforcement: information-communication restrictions; ongoing compliance" award condition are incorporated by reference as though set forth here in full.
36. No use of funds to interfere with federal law enforcement: No public disclosure of certain law-enforcement-sensitive information

SCOPE. This condition applies as of the date the recipient accepts this award, and throughout the remainder of the period of performance. Its provisions must be among those included in any subaward (at any tier).

Consistent with the purposes and objectives of federal law enforcement statutes and federal criminal law (including 8 U.S.C. 1324 and 18 U.S.C. chs. 1, 49, 227), no funds under this award may be used to make any public disclosure of any federal law-enforcement information in a direct or indirect attempt to conceal, harbor, or shield from detection any fugitive from justice under 18 U.S.C. ch. 49, or any alien who has come to, entered, or remains in the United States in violation of 8 U.S.C. ch. 12 -- without regard to whether such disclosure would constitute (or could form a predicate for) a violation of 18 U.S.C. 1071 or 1072 or of 8 U.S.C. 1324(a).

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

B. Both the "Rules of Construction" and the "Important Note" set out in the "No use of funds to interfere with federal law enforcement: information-communication restrictions; ongoing compliance" award condition are incorporated by reference as though set forth here in full.
SPECIAL CONDITIONS

37. Noninterference (within the funded "program or activity") with federal law enforcement: Notice of scheduled release

SCOPE. This condition applies with respect to the "program or activity" that is funded (in whole or in part) by the award, as of the date the recipient accepts the award, and throughout the remainder of the period of performance. Its provisions must be among those included in any subaward at any tier.

1. Noninterference with "removal" process: Notice of scheduled release date and time

Consonant with federal law enforcement statutes -- including 8 U.S.C. 1231 (for an alien incarcerated by a State or local government, a 90-day "removal period" during which the federal government "shall" detain and then "shall" remove an alien from the U.S. "begins" no later than "the date the alien is released from ... confinement"; also, the federal government is expressly authorized to make payments to a "State or a political subdivision of the State ... with respect to the incarceration of [an] undocumented criminal alien"); 8 U.S.C. 1226 (the federal government "shall take into custody" certain criminal aliens "when the alien is released"); and 8 U.S.C. 1366 (requiring an annual report to Congress on "the number of illegal alien [felons] in Federal and State prisons" and programs underway "to ensure the prompt removal" from the U.S. of removable "criminal aliens") -- within the funded program or activity, no State or local government entity, agency, or official (including a government-contracted correctional facility) may interfere with the "removal" process by failing to provide -- as early as practicable (see para. 4.C. below) -- advance notice to DHS of the scheduled release date and time for a particular alien, if a State or local government (or government-contracted) correctional facility receives from DHS a formal written request pursuant to the INA that seeks such advance notice.

2. Monitoring

The recipient’s monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions (e.g., training) designed to ensure compliance with this condition.

4. Rules of construction

A. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, or any other entity or individual to maintain (or detain) any individual in custody beyond the date and time the individual otherwise would have been released.

B. Applicability

(1) Current DHS practice is ordinarily to request advance notice of scheduled release "as early as practicable (at least 48 hours, if possible).” (See DHS Form I-247A (3/17)). If (e.g., in light of the date DHS made such request) the scheduled release date and time for an alien are such as not to allow for the advance notice that DHS has requested, it shall NOT be a violation of this condition to provide only as much advance notice as practicable.

(2) Current DHS practice is to use the same form for a second, distinct purpose -- to request that an individual be detained for up to 48 hours AFTER the scheduled release. This condition does NOT encompass such DHS requests for detention.

C. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference (within the funded "program or activity") with federal law enforcement: Interrogation of certain aliens" award condition are incorporated by reference as though set forth here in full.
SPECIAL CONDITIONS

38. No use of funds to interfere with federal law enforcement: Notice of scheduled release

SCOPE. This condition applies as of the date the recipient accepts the award, and throughout the remainder of the period of performance. Its provisions must be among those included in any subaward at any tier.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

B. Applicability

(1) Current DHS practice is ordinarily to request advance notice of scheduled release "as early as practicable (at least 48 hours, if possible)." (See DHS Form 1-247A (3/17)). If (e.g., in light of the date DHS made such request) the scheduled release date and time for an alien are such as not to allow for the advance notice that DHS has requested, it shall NOT be a violation of this condition to provide only as much advance notice as practicable.

(2) Current DHS practice is to use the same form for a second, distinct purpose -- to request that an individual be detained for up to 48 hours AFTER the scheduled release. This condition does NOT encompass such DHS requests for detention.

C. Both the "Rules of Construction" and the "Important Note" set out in the "No use of funds to interfere with federal law enforcement: Interrogation of certain aliens" award condition are incorporated by reference as though set forth here in full.
39. Noninterference (within the funded "program or activity") with federal law enforcement: Interrogation of certain aliens

SCOPE. This condition applies with respect to the "program or activity" funded (wholly or partly) by this award, as of the date the recipient accepts the award, and throughout the rest of the award period of performance. Its provisions must be among those included in any subaward (at any tier).

1. Noninterference with statutory law enforcement access to correctional facilities

Consonant with federal law enforcement statutes and regulations—including 8 USC 1357(a), under which certain federal officers and employees "have power without warrant ... to interrogate any alien or person believed to be an alien as to his right to be or to remain" in the U.S., and 8 CFR 287.5(a), under which that power may be exercised "anywhere in or outside" the U.S.—within the funded program or activity, no State or local government entity, -agency, or -official may interfere with the exercise of that power to interrogate "without warrant" (by agents of the United States acting under color of federal law) by impeding access to any State or local government (or government-contracted) correctional facility by such agents for the purpose of "interrogat[ing] any alien or person believed to be an alien as to his [or her] right to be or to remain in the United States."

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

(8) A "public" institution of higher education is defined as one that is owned, controlled, or directly funded (in whole or in substantial part) by a State or local government. (Such a public institution is considered to be a "government entity," and its officials to be "government officials.")

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, any public institution of higher education, or any other entity (or individual) to violate any federal law, including any applicable civil rights or nondiscrimination law.

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

41. Requirement to collect certain information from subrecipients

Except as provided in this condition, the recipient may not make a subaward to a State, a local government, or a "public" institution of higher education, unless it first obtains from the proposed subrecipient responses to the questions identified in the program solicitation as "Information regarding Communication with the Department of Homeland Security (DHS) and/or Immigration and Customs Enforcement (ICE)." All subrecipient responses must be collected and maintained by the recipient, consistent with document retention requirements, and must be made available to DOJ upon request. Responses to these questions are not required from subrecipients that are either a tribal government/organization, a nonprofit organization, or a private institution of higher education.

42. Cooperating with OJP Monitoring

The recipient agrees to cooperate with OJP monitoring of this award pursuant to OJP's guidelines, protocols, and procedures, and to cooperate with OJP (including the grant manager for this award and the Office of Chief Financial Officer (OCFO)) requests related to such monitoring, including requests related to desk reviews and/or site visits. The recipient agrees to provide to OJP all documentation necessary for OJP to complete its monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by OJP for providing the requested documents. Failure to cooperate with OJP's monitoring activities may result in actions that affect the recipient's DOJ awards, including, but not limited to: withholding and/or other restrictions on the recipient's access to award funds; referral to the DOJ OIG for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).
43. FFATA reporting: Subawards and executive compensation

The recipient must comply with applicable requirements to report first-tier subawards ("subgrants") of $25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP website at https://ojp.gov/funding/explore/ffata.htm (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to--(1) an award of less than $25,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

44. Required monitoring of subawards

The recipient must monitor subawards under this award in accordance with all applicable statutes, regulations, award conditions, and the DOJ Grants Financial Guide, and must include the applicable conditions of this award in any subaward. Among other things, the recipient is responsible for oversight of subrecipient spending and monitoring of specific outcomes and benefits attributable to use of award funds by subrecipients. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.

45. Use of program income

Program income (as defined in the Part 200 Uniform Requirements) must be used in accordance with the provisions of the Part 200 Uniform Requirements. Program income earnings and expenditures both must be reported on the quarterly Federal Financial Report, SF 425.

46. Justice Information Sharing

Information sharing projects funded under this award must comply with DOJ's Global Justice Information Sharing Initiative (Global) guidelines. The recipient (and any subrecipient at any tier) must conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: https://it.ojp.gov/gsp_grantcondition. The recipient (and any subrecipient at any tier) must document planned approaches to information sharing and describe compliance with the GSP and appropriate privacy policy that protects shared information, or provide detailed justification for why an alternative approach is recommended.

47. Avoidance of duplication of networks

To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the recipient can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

48. Compliance with 28 C.F.R. Part 23

With respect to any information technology system funded or supported by funds under this award, the recipient (and any subrecipient at any tier) must comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 34 U.S.C. 10231(c)-(d). The recipient may not satisfy such a fine with federal funds.
49. Protection of human research subjects

The recipient (and any subrecipient at any tier) must comply with the requirements of 28 C.F.R. Part 46 and all OJP policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.

50. Confidentiality of data

The recipient (and any subrecipient at any tier) must comply with all confidentiality requirements of 34 U.S.C. 10231 and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. The recipient further agrees, as a condition of award approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, 28 C.F.R. 22.23.

51. Verification and updating of recipient contact information

The recipient must verify its Point of Contact(POC), Financial Point of Contact (FPOC), and Authorized Representative contact information in GMS, including telephone number and e-mail address. If any information is incorrect or has changed, a Grant Adjustment Notice (GAN) must be submitted via the Grants Management System (GMS) to document changes.

52. Law enforcement task forces - required training

Within 120 days of award acceptance, each current member of a law enforcement task force funded with award funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, must complete required online (internet-based) task force training. Additionally, all future task force members must complete this training once during the period of performance for this award, or once every four years if multiple OJP awards include this requirement.

The required training is available free of charge online through the BJA-funded Center for Task Force Integrity and Leadership (www.ctfli.org). The training addresses task force effectiveness, as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. If award funds are used to support a task force, the recipient must compile and maintain a task force personnel roster, along with course completion certificates.

Additional information regarding the training is available through BJA’s web site and the Center for Task Force Integrity and Leadership (www.ctfli.org).

53. Justification of consultant rate

Approval of this award does not indicate approval of any consultant rate in excess of $650 per day. A detailed justification must be submitted to and approved by the OJP program office prior to obligation or expenditure of such funds.
54. Submission of eligible records relevant to the National Instant Background Check System

Consonant with federal statutes that pertain to firearms and background checks -- including 18 U.S.C. 922 and 34 U.S.C. ch. 409 -- if the recipient (or any subrecipient at any tier) uses this award to fund (in whole or in part) a specific project or program (such as a law enforcement, prosecution, or court program) that results in any court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the National Instant Background Check System (NICS), or that has as one of its purposes the establishment or improvement of records systems that contain any court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the NICS, the recipient (or subrecipient, if applicable) must ensure that all such court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the NICS are promptly made available to the NICS or to the "State" repository/database that is electronically available to (and accessed by) the NICS, and -- when appropriate -- promptly must update, correct, modify, or remove such NICS-relevant "eligible records".

In the event of minor and transitory non-compliance, the recipient may submit evidence to demonstrate diligent monitoring of compliance with this condition (including subrecipient compliance). DOJ will give great weight to any such evidence in any express written determination regarding this condition.
SPECIAL CONDITIONS

55. Compliance with National Environmental Policy Act and related statutes

Upon request, the recipient (and any subrecipient at any tier) must assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds, either directly by the recipient or by a subrecipient. Accordingly, the recipient agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the award, the recipient agrees to contact BJA.

The recipient understands that this condition applies to new activities as set out below, whether or not they are being specifically funded with these award funds. That is, as long as the activity is being conducted by the recipient, a subrecipient, or any third party, and the activity needs to be undertaken in order to use these award funds, this condition must first be met. The activities covered by this condition are:

a. New construction;

b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;

c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;

d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and

e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The recipient understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The recipient further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at https://jia.gov/Funding/nepa.html, for programs relating to methamphetamine laboratory operations.

Application of This Condition to Recipient’s Existing Programs or Activities: For any of the recipient’s or its subrecipients’ existing programs or activities that will be funded by these award funds, the recipient, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

56. Establishment of trust fund

If award funds are being drawn down in advance, the recipient (or a subrecipient, with respect to a subaward) is required to establish a trust fund account. Recipients (and subrecipients) must maintain advance payments of federal awards in interest-bearing accounts, unless regulatory exclusions apply (2 C.F.R. 200.305(b)(8)). The trust fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The recipient also agrees to obligate the award funds in the trust fund (including any interest earned) during the period of performance for the award and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to OJP at the time of closeout.
57. Prohibition on use of award funds for match under BVP program

JAG funds may not be used as the 50% match for purposes of the DOJ Bulletproof Vest Partnership (BVP) program.

58. Certification of body armor "mandatory wear" policies

If recipient uses funds under this award to purchase body armor, the recipient must submit a signed certification that law enforcement agencies receiving body armor purchased with funds from this award have a written "mandatory wear" policy in effect. The recipient must keep signed certifications on file for any subrecipients planning to utilize funds from this award for ballistic-resistant and stab-resistant body armor purchases. This policy must be in place for at least all uniformed officers before any funds from this award may be used by an agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.

59. Body armor - compliance with NIJ standards and other requirements

Ballistic-resistant and stab-resistant body armor purchased with JAG award funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the body armor has been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and is listed on the NIJ Compliant Body Armor Model List (https://nij.gov/topics/technology/body-armor/Pages/compliant-ballistic-armor.aspx). In addition, ballistic-resistant and stab-resistant body armor purchased must be made in the United States and must be uniquely fitted, as set forth in 34 U.S.C. 10202(c)(1)(A). The latest NIJ standard information can be found here: https://nij.gov/topics/technology/body-armor/pages/safety-initiative.aspx.

60. Body armor - impact on eligibility for other program funds

The recipient understands that the use of funds under this award for purchase of body armor may impact eligibility for funding under the Bulletproof Vest Partnership (BVP) program, a separate program operated by BJA, pursuant to the BVP statute at 34 USC 10531(c)(5).

61. Reporting requirements

The recipient must submit quarterly Federal Financial Reports (SF-425) and semi-annual performance reports through OJP’s IMS (https://grants.ojp.usdoj.gov). Consistent with the Department’s responsibilities under the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, the recipient must provide data that measure the results of its work. The recipient must submit quarterly performance metrics reports through BJA’s Performance Measurement Tool (PMT) website (https://biafpm.ojp.gov/). For more detailed information on reporting and other JAG requirements, refer to the JAG reporting requirements webpage. Failure to submit required JAG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.

62. Required data on law enforcement agency training

Any law enforcement agency receiving direct or sub-awarded funding from this JAG award must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.
SPECIAL CONDITIONS

63. Expenditures prohibited without waiver

No funds under this award may be expended on the purchase of items prohibited by the JAG program statute, unless, as set forth at 34 U.S.C. 10152, the BJA Director certifies that extraordinary and exigent circumstances exist, making such expenditures essential to the maintenance of public safety and good order.

64. JAG FY 2020 - Authorization to obligate (federal) award funds to reimburse certain project costs incurred on or after October 1, 2019 [BJA]

Authorization to obligate (federal) award funds to reimburse certain project costs incurred on or after October 1, 2019

The recipient may obligate (federal) award funds only after the recipient makes a valid acceptance of the award. As of the first day of the period of performance for the award (October 1, 2019), however, the recipient may choose to incur project costs using non-federal funds, but any such project costs are incurred at the recipient’s risk until, at a minimum—(1) the recipient makes a valid acceptance of the award, and (2) all applicable withholding conditions are removed by OJP (via a Grant Adjustment Notice). (A withholding condition is a condition in the award document that precludes the recipient from obligating, expending, or drawing down all or a portion of the award funds until the condition is removed.)

Except to the extent (if any) that an award condition expressly precludes reimbursement of project costs incurred “at-risk,” if and when the recipient makes a valid acceptance of this award and OJP removes each applicable withholding condition through a Grant Adjustment Notice, the recipient is authorized to obligate (federal) award funds to reimburse itself for project costs incurred “at-risk” earlier during the period of performance (such as project costs incurred prior to award acceptance or prior to removal of an applicable withholding condition), provided that those project costs otherwise are allowable costs under the award.

65. Use of funds for DNA testing; upload of DNA profiles

If award funds are used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System ("CODIS," the DNA database operated by the FBI) by a government DNA laboratory with access to CODIS.

No profiles generated under this award may be entered or uploaded into any non-governmental DNA database without prior express written approval from BJA.

Award funds may not be used for the purchase of DNA equipment and supplies unless the resulting DNA profiles may be accepted for entry into CODIS.

66. Encouragement of submission of "success stories"

BJA strongly encourages the recipient to submit annual (or more frequent) JAG success stories. To submit a success story, sign in to a My BJA account at https://www.bja.gov/Login.aspx to access the Success Story Submission form. If the recipient does not yet have a My BJA account, please register at https://www.bja.gov/profile.aspx. Once registered, one of the available areas on the My BJA page will be "My Success Stories." Within this box, there is an option to add a Success Story. Once reviewed and approved by BJA, all success stories will appear on the BJA Success Story web page at https://www.bja.gov/SuccessStoryList.aspx.

Office of Justice Programs
Bureau of Justice Assistance

WASHINGTON, D.C. 20531

Memorandum To: Official Grant File
From: Orbin Terry, NEPA Coordinator
Subject: Incorporates NEPA Compliance in Further Developmental Stages for City of Dayton

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows states and local governments to support a broad range of activities to prevent and control crime and to improve the criminal justice system, some of which could have environmental impacts. All recipients of JAG funding must assist BJA in complying with NEPA and other related federal environmental impact analyses requirements in the use of grant funds, whether the funds are used directly by the grantee or by a subgrantee or third party. Accordingly, prior to obligating funds for any of the specified activities, the grantee must first determine if any of the specified activities will be funded by the grant.

The specified activities requiring environmental analysis are:

a. New construction;
b. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

Complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. Further, for programs relating to methamphetamine laboratory operations, the preparation of a detailed Mitigation Plan will be required. For more information about Mitigation Plan requirements, please see https://www.bja.gov/Funding/nepa.html.

Please be sure to carefully review the grant conditions on your award document, as it may contain more specific information about environmental compliance.

Office of the Assistant Attorney General

September 19, 2020

Ms. Shelley Dickstein
City of Dayton
101 W. Third St.
Dayton, OH 45402-1814

Dear Ms. Dickstein:

On behalf of Attorney General William P. Barr, it is my pleasure to inform you that the Office of Justice Programs (OJP), U.S. Department of Justice (DOJ), has approved the application by City of Dayton for an award under the OJP funding opportunity entitled "JAG Local: Eligible Allocation Amounts $25,000 or More." The approved award amount is $137,951. These funds are for the project entitled Dayton and Montgomery County, Ohio 2020 JAG.

The award document, including award conditions, is enclosed. The entire document is to be reviewed carefully before any decision to accept the award. Also, the webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm) is to be consulted prior to an acceptance. Through that "Legal Notices" webpage, OJP sets out -- by funding opportunity -- certain special circumstances that may or will affect the applicability of one or more award requirements. Any such legal notice pertaining to award requirements that is posted through that webpage is incorporated by reference into the award.

Please note that award requirements include not only award conditions, but also compliance with assurances and certifications that relate to conduct during the period of performance for the award. Because these requirements encompass financial, administrative, and programmatic matters, as well as other important matters (e.g., specific restrictions on use of funds), it is vital that all key staff know the award requirements, and receive the award conditions and the assurances and certifications, as well as the application as approved by OJP. (Information on all pertinent award requirements also must be provided to any subrecipient of the award.)

Should City of Dayton accept the award and then fail to comply with an award requirement, DOJ will pursue appropriate remedies for non-compliance, which may include termination of the award and/or a requirement to repay award funds.

Please direct questions regarding this award as follows:

- For program questions, contact Nicko Taylor, Program Manager at (202) 598-5525; and

- For financial questions, contact the Customer Service Center of OJP's Office of the Chief Financial Officer at (800) 458-0786, or at ask.ocfo@usdoj.gov.

We look forward to working with you.

Sincerely,

Katharine T. Sullivan
Principal Deputy Assistant Attorney General

Ms. Shelley Dickstein  
City of Dayton  
101 W. Third St.  
Dayton, OH 45402-1814

Dear Ms. Dickstein:

Congratulations on your recent award. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) has been delegated the responsibility for ensuring that recipients of federal financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) are not engaged in discrimination prohibited by law. Several federal civil rights laws, such as Title VI of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972, require recipients of federal financial assistance to give assurances that they will comply with those laws. In addition to those civil rights laws, many grant program statutes contain nondiscrimination provisions that require compliance with them as a condition of receiving federal financial assistance. For a complete review of these civil rights laws and nondiscrimination requirements, in connection with OJP and other DOJ awards, see https://ojp.gov/funding/Explore/LegalOverview/CivilRightsRequirements.htm

Under the delegation of authority, the OCR investigates allegations of discrimination against recipients from individuals, entities, or groups. In addition, the OCR conducts limited compliance reviews and audits based on regulatory criteria. These reviews and audits permit the OCR to evaluate whether recipients of financial assistance from the Department are providing services in a non-discriminatory manner to their service population or have employment practices that meet equal-opportunity standards.

If you are a recipient of grant awards under the Omnibus Crime Control and Safe Streets Act or the Juvenile Justice and Delinquency Prevention Act and your agency is part of a criminal justice system, there are two additional obligations that may apply in connection with the awards: (1) complying with the regulation relating to Equal Employment Opportunity Programs (EEOPs); and (2) submitting findings of discrimination to OCR. For additional information regarding the EEOP requirement, see 28 CFR Part 42, subpart E, and for additional information regarding requirements when there is an adverse finding, see 28 C.F.R. §§ 42.204(c), .205(c)(5). Please submit information about any adverse finding to the OCR at the above address.

We at the OCR are available to help you and your organization meet the civil rights requirements that are associated with OJP and other DOJ grant funding. If you would like the OCR to assist you in fulfilling your organization's civil rights or nondiscrimination responsibilities as a recipient of federal financial assistance, please do not hesitate to let us know.

Sincerely,

Michael L. Alston

City of Dayton, Ohio Police Department
2020 Justice Assistance Grant (JAG) – Local Solicitation
2020-H7469-OH-DJ

JAG Project Identifiers (Updated FY 2020)
License Plate Readers  Crime Prevention
Auto Theft  Equipment – Video/Audio
Community Policing  Vehicle Tag Monitoring

Project Abstract

The City of Dayton, Ohio (DUNS 004478194) is the applicant for this JAG (Local Solicitation) from the U.S. DOJ for $137,951, of which the City of Dayton will receive $110,360 with the balance of $27,591 allocated and distributed to Montgomery County (Ohio). The title of this grant will be the FY 2020 Dayton and Montgomery County (Ohio) JAG.

The goals of this combined project are to reduce crime, to continue to improve police and criminal justice services, and, in turn, continue to provide better community policing services.

The Dayton Police Department (DPD) has experienced a strain on its resources, both in patrol operations and in investigative units, which has hindered the department’s ability to effectively impact and prevent crime. DPD has implemented several initiatives in response to the violent crime problems within the city with limited success. DPD will use grant funds to expand and incorporate promising technologies into the formalized structure of a Crime Analysis Unit to curb crimes of violence. DPD has identified and tested the use of Fixed Site License Plate Readers (FSLPRs) to aid in reducing and preventing crime. The FSLPRs are motion activated, solar powered, scalable plate readers that run captured images against real-time NCIC hotlist hits, as well as offering an incredible investigative tool for follow-up investigations.

Montgomery County, Ohio will use its $27,590 for increased maintenance, added improvements, needed equipment and/or to bring in additional information to the system. JusticeWeb provides access to over 4,800 registered users in over 385 agencies in two states to consolidate jail booking information, court case information, dispatch records, law enforcement data, dog licenses and death records from 73 agencies in 18 counties in southwest Ohio.

The City of Dayton will act as fiscal agency and monitor the drawdowns and expenditures through a separate fund for these dollars. Funds will be drawn down on a reimbursable basis.
Project Narrative

The City of Dayton and Montgomery County (Ohio) are eligible to receive $137,951 from a Justice Assistance Grant (JAG) aggregate award from the United States Department of Justice. Of the $137,951 total allocation, the City of Dayton will receive $110,361 with the balance of $27,590 allocated and distributed to Montgomery County (Ohio).

The goals of this combined project are to reduce crime, to continue to improve police and criminal justice services, and, in turn, continue to provide better community policing services.

The City of Dayton (DUNS #004478194) will coordinate all grant activities and will be the fiscal agent responsible for the drawdowns and expenditures associated with the grant award. The City will establish a separate trust account and manage the revenue and expenditures in accordance with generally accepted accounting principles (GAAP), generally accepted auditing standards (GAAS) and federal requirements. All sub-recipients will be held to the same fiscal standards as the City of Dayton (Ohio).

1. City of Dayton - $110,361

The Dayton Police Department (DPD) has experienced a strain on its resources, both in patrol operations and in investigative units, which has hindered the department’s ability to effectively impact and prevent crime. DPD has implemented several initiatives in response to the violent crime problems within the city with limited success. The City of Dayton, which is now, like the rest of the country, in the midst of the COVID-19 crisis, has an even greater need since this crisis comes just after a year with a series of high profile and tragic incidents. These incidents include a mass-shooting event on August 4, 2019, that took the lives of nine of our citizens and tragically wounded and traumatized dozens of other victims. Within a few weeks’ time, DPD investigated the senseless shooting and killing of a defenseless mother by her estranged boyfriend. Additionally, DPD lost a beloved veteran detective and Federal Task Force Officer who was brutally murdered in the line of duty with a straw-purchased handgun. This is the time for the City of Dayton to capitalize on its heritage of innovative approaches to problem-solving to make great strides in creating a safer community.

Dayton is expanding its use of crime analysis by formally creating a Crime Analysis Unit whose primary purpose will be to aggregate collected data and to disseminate the information that increases DPD’s and other local police agencies’ ability to deploy crime reduction strategies. DPD will utilize grant funding for evidence-based practices, data and technologies to test promising crime prevention, response and reduction practices. DPD has identified the use of Fixed Site License Plate Readers (FSLPRs) to aid in reducing and preventing crime.

DPD has recently completed a trial of 30 FSLPRs. These FSLPRs are motion activated, solar powered, scalable cameras that provide real-time hotlist hits, as well as offering an incredible investigative tool for follow-up investigations.
Outcome: Use FSLPRs to reduce crime, assist in making arrests and minimize resources needed to affect those arrests.

2. Montgomery County - $27,590

Montgomery County (Ohio) will use its $27,590 for increased maintenance, added improvements, needed equipment and/or to bring in additional information to the JusticeWeb system, which is its criminal justice information system. JusticeWeb was created to give the criminal justice community a more comprehensive and accurate view of the jail population and criminal justice data. The status of inmates and their charges, bail, and other factors are constantly changing. JusticeWeb provides the ability to stay on top of this critical information. In addition, JusticeWeb provides access to over 4,800 registered users in over 385 agencies in two states to consolidated jail booking information, court case information, dispatch records, law enforcement data, dog licenses and death records from 73 agencies in 18 counties in southwest Ohio.

The JusticeWeb system automatically notifies Children Services if any foster care parents, adoption applicants, or daycare providers are involved in a criminal activity. Children Services is also notified if a law enforcement agency is dispatched to a location involving an open case or any of the other mentioned classifications. Likewise, a report is sent to the law enforcement agency notifying them that Children Services is actively involved with the family at the given location. Child Support Enforcement is also notified if any of their clients pick up a new case. This aids them in locating individuals. Prosecutors are notified if a defendant with an open case has a new arrest or charges in any jurisdiction that provides data. Probation officers are notified if their client has had any recent activity. Courts are notified of recently deceased individuals that have active warrants or open cases.

In 2016, JusticeWeb provides the Alcohol Drug Addiction Mental Health Services (ADAMHS) with a daily report of individuals incarcerated in the Montgomery County Jail. ADAMHS runs an automated routine against their database to determine if any of the current jail population has been seen at an ADAMHS service provider for substance abuse or mental health issues within the past ninety days. If so, the service provider is contacted by ADAMHS so they may continue providing services while their client is in custody, maintaining that critical connection. In addition, law enforcement agencies can create lineups from mugshots in JusticeWeb that can be used with victims and witnesses to identify suspects and they also can create Wanted Posters from within the system.

JAG funds would be utilized to pay for increased maintenance, equipment, and to bring in additional information into the system.

Outcome: To the extent possible, maintain 24/7 operability of the JusticeWeb and at the same time make enhancements and add additional data.
3. Governmental and Public Review

A. Governing Body Review. The grant application will be communicated by the City Manager to the Dayton City Commission by August 14, 2020. The Commission will accept the grant after it is awarded by DOJ.

B. Public Review. An opportunity for public review and comment will be announced via a Legal Public Notice to be published in the Dayton Daily News on or before August 24, 2020.

RE: Communications with the Department of Homeland Security (DHS) and/or Immigration and Customs Enforcement (ICE)

As requested in the 2020 JAG application, this response is regarding communication between the City of Dayton law enforcement and DHS/ICE:

1. Does your jurisdiction have any laws, policies, or practices related to whether, when, or how employees may communicate with DHS or ICE? **Response:** Yes. There are regulations that require law enforcement employees to contact ICE.

2. Is your jurisdiction subject to any laws from a superior political entity (e.g., state law that binds a city) that meet the description in question 1? **Response:** No.

3. If yes to either:
   - Please provide a copy of each law or policy – Attached is a copy of Dayton Police Department General Order, Policy Section 2.01-8 Foreign Nationals, Refugees, and Immigrant Members of the Community and a copy of Dayton Police Department Executive Order, Directive 9-2017;
   - Please describe each practice – In Policy 2.01-8, if an individual poses a threat to national security or is a suspect in a felony offense of violence or a felony drug trafficking offense and there is reason to believe the individual does not have legal status to be in the United States, Dayton Police Officers shall contact ICE; and
   - Please explain how the law, policy, or practice complies with section 1373 – The policy describes situations where law enforcement must contact ICE. The policy complies with section 1373 because it does not restrict or prohibit law enforcement from contacting ICE or DHS.

I am also forwarding a copy of the response received from Montgomery County, Ohio who is a sub-recipient under this grant.

If you require additional information, please contact Sheelah Moyer, Police Budget & Grant Administrator via email at Sheelah.Moyer@daytonohio.gov.

Sincerely,

Richard S. Biehl
Director and Chief of Police

RSB:rag
Local law enforcement activities with respect to immigration enforcement are very convoluted and difficult tasks given the realities of the Dayton Police Department’s mission and personnel. The following points identify the scope of this policy:

- Enforcement of immigration laws by local law enforcement can undermine the trust and cooperation with immigrant communities that are essential elements of community oriented policing.
- The Dayton Police Department does not possess adequate resources to enforce these laws in addition to its local public safety mission and the added responsibility of homeland security.
- Immigration laws are very complex and the training required to understand them would significantly detract from the core mission of our department to create safe communities.
- Dayton Police Department personnel do not possess authority to enforce the civil aspects of these laws.
- The lack of clear authority increases the risk of civil liability for the City of Dayton and the Dayton Police Department.

I. Policy Concepts

A. In order to serve public safety interests of the greater community, individuals must feel free to call for police services without fear of undue repercussions. Certain ethnic groups within the community have historically been slow to report crimes committed against them or their neighbors because of their immigration status. Police presence within the entire community is extremely important to engender a feeling of safety and trust for all residents of the City of Dayton. Therefore, officers are prohibited from inquiring about the immigration status of a victim or witness when conducting a criminal investigation.

B. The federal government has the clear authority and responsibility over immigration and the enforcement of immigration laws. The federal government has given federal agencies such as Immigration and Customs Enforcement (I.C.E.) the specific authority to investigate a person’s immigration status and deport individuals who have no legal status or authority to be in the United States.

C. Dayton Police Department personnel shall not stop, investigate or arrest a person solely because of their real or perceived immigration status.

If an individual poses a threat to national security or is a suspect in a felony offense of violence or a felony drug trafficking offense AND there is reason to believe that that individual does not have legal status to be in the United States, I.C.E. shall be contacted for any investigative or enforcement assistance.

D. A victim of crime must be given the same consideration and level of service regardless of immigration status.

II. Identification Considerations

A. Foreign Consular Identification Cards

1. In 2005, the City Commission adopted a resolution authorizing the Dayton Police Department to recognize and accept as valid proof of identification, the Matrícula Consular from Mexico and the Guatemalan consulate identification card. Therefore, officers will accept these documents as valid proof of identification of the individuals presenting them.

2. The resolution states that this identification does not have to be accepted if there are reasonable grounds for believing the identification card is counterfeit, altered, improperly issued to the person, or otherwise not accurate. Officers are not prohibited from seeking additional information to verify a person’s current address or other facts that would enable them to fulfill their responsibilities or under circumstances where a specific form of identification was required.
3. If there are any questions about the validity of an Identification Card, the Mexican Consulate has provided a 24-hour phone number for further verification or information - 317-213-0779.

B. Immigration Status

Under the current immigration laws there exist various immigration status classifications. The immigration status of any particular person can vary greatly. The most common status classifications include the following:

1. Lawful Permanent Residents are citizens of other countries who have been granted an immigration status that allows them to live and work permanently in the United States and eventually become naturalized U.S. citizens. They receive a card, commonly referred to as a 'green card' (Appendix A.) from the federal government indicating they are permanent residents.

2. Refugees and Asylees are persons who fear persecution based on race, religion, nationality, membership in a particular social group, or political opinion in their home countries and have been granted the privilege of living and working indefinitely in the United States. Refugees are resettled every year in the United States after their requests for refugee status, which have been submitted from abroad, have been reviewed and granted. Asylees are those who apply for the status from within the United States.

3. Nonimmigrant Visa Holders are persons who are granted temporary entry into the United States for a specific purpose, such as visiting, working, or studying. The U.S. has 25 types of nonimmigrant visas, including A1 visas for ambassadors, B2 visas for tourists, P1 visas for foreign sports stars who play on U.S. teams and TN visas for Canadians and Mexicans entering the U.S. to work under NAFTA. Visa Holders are allowed to stay in the U.S. as long as they meet the terms of their status. Some nonimmigrant visa holders are eligible for work authorization, but not all.

4. Authorized Immigrants are citizens of other countries who have been granted permission from the United States to temporarily remain in the United States. Some common examples: Temporary Protected Status (granted to persons of a certain countries when the U.S. government has determined that due to natural disasters or political unrest, it would not be safe for them to return home); Deferred Action status (DHS has decided that equitable factors exist such that immigration enforcement should be delayed for that person); and those with pending applications for an immigration status before United States Citizenship and Immigration Service (USCIS) or the Immigration Court. There are a wide variety of these types of statuses and many, but not all, of these authorized immigrants will also be granted an Employment Authorization Card, which allows them to work lawfully in the United States.

5. Unauthorized Immigrants are citizens of other countries who have entered or remained in the U.S. without permission and without any legal status. Some illegal immigrants cross a land or sea border without being inspected by an immigration officer. Some persons fall into illegal status simply by violating the terms of a legal entry document or visa.

6. Absconders are persons who have had a removal, deportation, or exclusion hearing before an immigration judge and are under a final order of deportation and have not left the United States.

III. Victims of Crime

Victims and witnesses to crimes may be particularly reluctant to report a crime because of their legal status and may be vulnerable to repeated attacks. For investigations of crimes where the victim might be reluctant to speak to the police about their status, an advocate or victim witness services should be contacted. The USCIS has a program that may provide a temporary visa to victims of certain crimes and their qualifying family members.

A. U nonimmigrant status (or U visa) offers immigration protection for victims and is also a tool for law enforcement. To obtain U status, the victim must obtain a certification from law enforcement, however, law enforcement officials should note that providing a certification does not grant a benefit—only USCIS has the authority to grant or deny this benefit.

1. Victims are not required to be in legal immigration status to apply for U status, but they must: 
• Be a victim of qualifying criminal activity and have suffered substantial physical or mental abuse as a result of the crime.
• Possess credible and reliable information about the qualifying criminal activity,
• Be, have been, or are likely to be helpful to the investigation and/or prosecution of that qualifying criminal activity, and
• Be a victim of criminal activity that violated a U.S. law.

2. Victims of the following crimes may be eligible for a U nonimmigrant visa:

Abduction, Abusive Sexual Contact, Blackmail, Domestic Violence, Extortion, False Imprisonment, Female Genital Mutilation, Perjury, Felonious Assault, Hostage Taken, Incest, Peonage, Involuntary Servitude, Kidnapping, Manslaughter, Rape, Murder, Obstruction of Justice, Witness Tampering, Prostitution, Sexual Assault, Slave Trade, Torture, Trafficking, Sexual Exploitation, Unlawful Criminal Restraint, Other Related Crimes

3. To apply for U nonimmigrant status, the victim must file USCIS Form I-918, Petition for U Nonimmigrant Status (Available on "P" drive under the Immigration folder). A law enforcement official must complete a certification using Form I-918, Supplement B (Appendix B - available on "P" Drive under the Immigration folder) before the victim can apply for U status. The purpose of this form is for the law enforcement official to: (1) certify that the applicant was a victim of one of the qualifying crimes, (2) provide brief information regarding the criminal activity; and (3) certify that the victim possessed information concerning the criminal activity and has been, is being, or is likely to be helpful in the investigation and/or prosecution of the criminal activity. The detective assigned to investigate the case will be required to certify the form when encountered.

B. T Nonimmigrant Status (or T visa) offers immigration protection for victims of trafficking in persons - also known as "human trafficking", which is a form of modern-day slavery. Traffickers prey on many types of people, often including individuals who are poor, unemployed, underemployed, or who lack the safety and protection of strong social networks. Victims are often lured under the false pretenses of good jobs and better lives, and then forced to work under brutal and inhumane conditions. Many believe that human trafficking is a problem that only occurs in other countries—but human trafficking also happens in the United States.

The T nonimmigrant status (or T visa) provides immigration protection to victims of severe forms of trafficking in persons who assist law enforcement in the investigation and prosecution of human trafficking cases. This can include sex or labor trafficking, defined by federal law as the recruitment, harboring, transportation, provision, or obtaining of a person for: (1) the purpose of a commercial sex act where the commercial sex act is induced by force, fraud, or coercion, or the person being induced to perform such act is under 18 years of age; or (2) labor or services through the use of force, fraud, or coercion for the purpose of involuntary servitude, peonage, debt bondage, or slavery.

Officers coming into contact with these types of situations should have the RDC contact the local USCIS representative to respond.

1. Victims are not required to be in legal immigration status to apply for T status, but they must:
   • Be a victim of a severe form of trafficking in persons,
   • Be physically present in the United States on account of the trafficking,
   • Comply with any reasonable requests for assistance in the investigation or prosecution (or be under the age of 18), and
   • Suffer extreme hardship involving unusual and severe harm if removed from the United States.

2. To apply for a T nonimmigrant status, applicants must file Form I-914, Application for T Nonimmigrant Status. Qualifying family members may also be eligible to apply for benefits.

C. Immigration Relief under the Violence Against Women Act

1. Some immigrants may be afraid to report acts of domestic violence to the police or to seek other forms of assistance. Such fear causes many immigrants to remain in abusive relationships. Victims of domestic violence who are the child, parent, or current/former spouse of a United States citizen or a permanent resident (green card holder) and are abused by the citizen or permanent resident may be
eligible to apply for a green card themselves without needing the abuser to file for immigration benefits on their behalf. This provision of the law was created under the Violence Against Women Act (VAWA).

2. Victims must establish that they:
   - Have or had a qualifying relationship with the abuser spouse, or are the parent or child of the abuser,
   - Reside or resided with the abuser,
   - Have good moral character, and
   - Have been victims of battery or extreme cruelty.

3. VAWA provisions apply equally to men and women. Victims of domestic violence, whether a spouse, child, or parent of the abuser, may self-petition by filing Form I-360, Petition for Widow(er)’s, Amerasians, and Special Immigrants. This form is available on USCIS’ website, www.uscis.gov.

IV. Steps to Follow When a Foreign National is Arrested or Detained

A. SUMMARY OF REQUIREMENTS PERTAINING TO FOREIGN NATIONALS

- When foreign nationals from most countries are arrested or detained, they may, upon request, have their consular officers notified without delay of their arrest or detention, and may have their communications to their consular officers forwarded without delay. In addition, foreign nationals must be advised of this information without delay.
- For foreign nationals of some countries, consular officers must be notified of the arrest or detention of a foreign national even if the foreign national does not request or want notification.
- Consular officers are entitled to communicate with and to have access to their nationals in detention, and to provide consular assistance to them, including arranging for legal representation.
- When law enforcement or other government official becomes aware of the death, serious injury, or serious illness of a foreign national, consular officers must be notified.
- When a guardianship or trusteeship is being considered with respect to a foreign national who is a minor or an incompetent adult, consular officers must be notified.
- When a foreign ship wrecks or a foreign aircraft crashes in U.S. territory, consular officers must be notified.

These are mutual obligations that also apply to foreign authorities when they arrest or detain U.S. citizens abroad. In general, you should treat a foreign national as you would want a U.S. citizen to be treated in a similar situation in a foreign country. This means prompt and courteous compliance with the above requirements.

B. STEPS TO FOLLOW WHEN A FOREIGN NATIONAL IS ARRESTED OR DETAINED

1. DETERMINE THE FOREIGN NATIONAL’S COUNTRY OF NATIONALITY. IN THE ABSENCE OF OTHER INFORMATION, ASSUME THIS IS THE COUNTRY ON WHOSE PASSPORT OR OTHER TRAVEL DOCUMENT THE FOREIGN NATIONAL IS TRAVELING.

2. IF THE FOREIGN NATIONAL’S COUNTRY IS NOT ON THE LIST OF “MANDATORY NOTIFICATION” (“LIST”) COUNTRIES AND JURISDICTIONS (SEE PAGE 2 FOR THE LIST):
   - Inform the foreign national, without delay, that he or she may have his or her consular officers notified of the arrest or detention and may communicate with them.
   - If the foreign national requests that his or her consular officers be notified, notify the nearest embassy or consulate of the foreign national’s country without delay. Foreign embassy and consulate phone numbers, fax numbers and email addresses can be found on the Department of State’s web site at travel.state.gov/CNA.
3. IF THE FOREIGN NATIONAL’S COUNTRY IS ON THE LIST OF "MANDATORY NOTIFICATION" ("LIST") COUNTRIES:

- Notify that country’s nearest embassy or consulate, without delay, of the arrest or detention. Phone numbers, fax numbers and email addresses can be found on the Department of State’s web site at travel.state.gov/CNA.

- Tell the foreign national that you are making this notification and inform him or her, without delay that he or she may communicate with his or her consular officers.

- Forward any communication from the foreign national to his or her consular officers without delay.

4. KEEP A WRITTEN RECORD OF:

- What information you provided to the foreign national and when.

- The foreign national’s requests, if any.

- Whether you notified consular officers and, if so, the date and time of notification and the means you used to notify them (e.g., fax, phone or email). If you used fax to notify the consular officers, you should keep the fax confirmation sheet in your records. If you used email to notify the consular officers, you should retain the sent email in your records.

- Any other relevant actions taken.
