The Combined Agency OVI Task Force of Montgomery County will operate a sobriety checkpoint in Dayton during the upcoming weekend. The location will be revealed later in the week.

In 2016, there were 596 alcohol-related crashes in Montgomery County alone. Those crashes took the lives of 14 people and injured 273. Driving while impaired could cost your life, or the lives of others. The majority of the deadliest crashes occur on weekends.

Operational support for the checkpoint will be provided by law enforcement officers from the Combined Agency OVI Task Force of Montgomery County.

Drivers can make the right choice. Don't drive impaired; designate a driver and remember to buckle up!
