

Fire Department Earns Grant for Carbon Monoxide Alarms

348 Alarms for Distribution to Dayton Residents

Release Date: Friday, April 15, 2016

Contact: Bryan Adams, Fire Prevention Specialist, 937-333-4522

The Dayton Fire Department is pleased to announce it has received a grant in the amount of \$4,988 from the Firehouse Subs Public Safety Foundation. The grant funds will be used to purchase 348 battery-operated carbon monoxide alarms for distribution to city of Dayton residents.

The carbon monoxide alarm distribution program focuses community attention on residential carbon monoxide hazards by visiting homes to:

- Check if the home has gas-powered appliances;
- Check for properly maintained and working carbon monoxide alarms;
- Distribute/leave fire and carbon monoxide safety materials to each home visited;
- Distribute and install carbon monoxide alarms and batteries where needed in one-and two-family residences in the city of Dayton.

For more information or to request a carbon monoxide or smoke alarm, contact the Dayton Fire Department at 937-333-4500.

About Firehouse Subs Public Safety Foundation

Firehouse Subs Public Safety Foundation was founded in 2005 in the aftermath of Hurricane Katrina. Firehouse Subs co-founders Chris Sorensen

and Robin Sorensen traveled to Mississippi, where they fed first responders as well as survivors. As they traveled back to Florida exhausted and exhilarated, they knew they could do more, and the Firehouse Subs Public Safety Foundation was born. Firehouse Subs created the Firehouse Subs Public Safety Foundation with the mission of providing funding, life-saving equipment, and educational opportunities to first-responders and public safety organizations. The non-profit 501(c)(3) Firehouse Subs Public Safety Foundation has given more than \$18 million to hometown heroes in 45 states and Puerto Rico.
