The Living City Project, a volunteer-led community cleanup event on Saturday, April 6, will focus on removing litter and debris at vacant home lots in neighborhoods across the city of Dayton. Cleanup work will occur from 8:30 a.m. to noon.

Additional volunteers are needed for the cleanup effort. Interested residents are asked to register by April 1 at daytonohio.gov/livingcity, where a list of participating neighborhoods is shown.

Volunteers should arrange for their own transportation; information will be provided on locations for volunteer crews to meet. Bags and litter pickers will be provided, but volunteers are asked to bring work gloves.

The event is organized by the Church of Greater Dayton, with assistance from the City of Dayton and support from community sponsors.
