

City distributing free face masks at fire stations

Release date: Monday, July 6, 2020

Contact: Ariel Walker, Director, Office of the City Commission, 937-333-3646

The City of Dayton is distributing free face masks to Dayton residents, to help the community slow the spread of the novel coronavirus.

A pack of 10 masks is available to each household and may be picked up at any Dayton fire station from 9 a.m. to 5 p.m., seven days a week until supplies are depleted. Proof of City of Dayton residency is requested.

The masks are disposable (not washable), but can be used several times if stored in a cool, dry place when not in use.

The distribution follows the July 1 City Commission approval of an ordinance requiring use of face coverings in most indoor locations (including retail stores and restaurants) and outdoor locations where social distancing is not possible.

Federal CARES Act funds are supporting the mask distribution by the City.

Dayton fire station locations:

Station 2, 1009 E. Third St.

Station 4, 300 N. Main St.
