The Economy Lot will re-open with a daily flat rate of \$5 per day and over 2,000 spaces conveniently walkable to the terminal. The Long Term Lot has a new rate of \$10 maximum per day, with just a quick walk through the covered garage into the Terminal. Next is the Short Term Park & Walk Lot, with a new rate of \$15 maximum per day and located next to the airline ticketing entrance. The Economy and Long Term Lots accept credit cards only, for a completely touchless transaction.

The covered garage continues to be open at a daily maximum rate of \$20, and houses reserved parking on the second covered floor, which can be confirmed on [FlyDayton.com](http://FlyDayton.com).

Handicap parking is available at the lowest posted hourly/daily parking rate on the second and third floors of the garage and in the Short-Term Park & Walk Lot and the Long Term and Economy Lots. Please call 937-898-1555 for any emergency handicap parking needs.

Valet parking and the DAYrider Courtesy Shuttle are currently not available.

There are no hidden fees when parking on-airport. To enjoy these new rates, simply book your travel in and out of Dayton International Airport. The airport currently provides over 15 non-stop destinations and is committed to keep you safe during your time in the terminal. New and updated restaurants and shops are soon to be under construction inside the terminal, offering our travelers more options.
