

Public events scheduled throughout city to discuss ARPA priorities

Release date: Friday, July 2, 2021

The City of Dayton is holding a series of public meetings to hear residents' ideas about how to use \$138 million expected to be received as Dayton's share of the federal American Rescue Plan Act.

In March of 2021, Congress approved and President Biden signed the American Rescue Plan Act (ARPA), with the goal of speeding the nation's recovery from the effects of the COVID-19 pandemic. Among other purposes, ARPA calls for funds to be provided directly to municipalities for local use. City leadership recognizes the unparalleled opportunity presented by ARPA and is eager to hear residents' opinions and suggestions for using the funds for the betterment of Dayton neighborhoods.
