Mayor Nan Whaley is one of three mayors chosen by the U.S. Conference of Mayors to present the manufacturing successes of their respective cities at the organization's winter meeting on Thursday, January 21, in Washington, D.C.

Mayor Whaley, founder of the Dayton Region Manufacturing Task Force, will discuss the growth of Dayton's advanced manufacturing sector and will highlight Dayton's Proto Buildbar, the world's first buildbar.

Also presenting at the event will be Mayor Neil O'Leary of Waterbury, CT, and Mayor Lovely A. Warren of Rochester, NY.
