

FOR IMMEDIATE RELEASE

Airport Announces Parking Incentives

Release Date: Thursday, February 18, 2016

Contact: Linda Hughes, Marketing Manager, 937-454-8200, Cell 419-283-1414

Economy lot parking at Dayton International Airport is now even more affordable. Through April 4, 2016, airport visitors may use the economy parking lot for a daily rate of \$4.75 (\$28.50 weekly), a savings of more than 20 percent.

To take advantage of the special rate, go to flydayton.com and follow the coupon printing instructions (the coupon must be presented to the economy lot cashier upon exiting).

Members of DAYperks, the airport's new parking loyalty program, receive the special rate automatically during the promotional period. To sign up for DAYperks and receive even more advantages, register at flydayton.com/dayperks. Members save time with automated entry and exit, save money by earning points redeemable for free parking, and can easily manage their secure online DAYperks account. DAYperks membership is free.

Additional parking information for Dayton International Airport

Reserved premium parking: Parking spaces may be reserved on the second floor of the airport garage, just steps away from the elevators. To reserve a space, go to flydayton.com and look for "Your Spot is Waiting for You." After paying a \$3 per day fee, a premium parking reservation flier can be printed for placing on a vehicle dashboard. Reserved premium parkers are responsible for ordinary parking rates by pulling a ticket when entering the garage and paying

the posted rate upon exiting.

New garage rates: The second and third floors of the airport garage are just steps away from the terminal entrance and have a new rate of \$18 per day. Visitors can enjoy the convenience of the covered walkway to the terminal.

Valet parking: On-airport valet parking is available curbside at the terminal, with a new rate of \$20 per day. Periodic customer appreciation specials will take place throughout the year.

Handicap parking: Designated handicap parking is available at the lowest posted hourly/daily rate in the garage, the short-term lot and near shuttle pick-up in the economy lot. The DAYrider courtesy shuttles are lift-equipped.

Additional amenities include a free, Wi-Fi-enabled cell phone lot, where drivers can monitor flight information while waiting for calls from arriving passengers.

The short-term lot, adjacent to the terminal entrance, offers the first 30 minutes of parking free. All airport lots have a 10-minute grace period for customers who pull into the wrong lot or who are dropping off someone at a vehicle.

For additional parking information, call 937-898-1555. For more information about the Dayton International Airport visit www.flydayton.com.
