Re: Police Reform Working Group Recommendations

On September 3, 2020 the Use of Force working group voted to put forward the following recommendation to the Dayton City Commission:

1. Body Cameras for the Dayton Police Department
2. Annual Use of Force Report to the Dayton City Commission

Per the working group's charter, the Dayton City Commission has 30 days to respond to the group with one of three options: accept the recommendation, reject the recommendation, or ask the group for further information to be able to evaluate the recommendation.

Accepting this recommendation does not mean that it will be implemented within the 30 day time window. Instead, it means that the City Commission directs the City Manager, Dayton Police Department, or other applicable entity to take action to implement this recommendation as soon as is practicable.

Thank you for your consideration of this recommendation.

Sincerely,

Jeffrey J. Mims, Commissioner
