

Do You Need A Valid Photo ID?

The Community ID is for ANY resident who may have limited access to government-issued forms of identification, and for those who support a diverse and inclusive community.

It is not a government-issued form of ID or a driver's license, but it is a verifiable form of identification that says you are a part of our community. It can be used as a tool by law enforcement, city agencies, health centers, schools, and businesses to better identify, serve, and protect you.
