Solid Waste District

Welcome to the Department of Environmental Services
Montgomery County Solid Waste District

The Montgomery County Solid Waste District provides waste disposal services for Montgomery and surrounding counties, and is a division of Montgomery County Environmental Services. We also provide recycling, waste reduction and litter prevention programs for Montgomery County schools, communities and businesses.

Our operations are located at the Montgomery County Solid Waste Transfer Facility in Moraine, Ohio. For more information on our hours of operation, disposal fees and locations, visit the Contact Us page.

The Montgomery County Solid Waste District is a transfer and recycling facility and does not remove residential or curbside waste. For information on waste haulers in your area, click here.

2015 Waste Hauler List

Visit our Online Resource Center to view the Solid Waste District Master Plan, our Annual Newsletter and other helpful documents. If you do not find what you're looking for on our website, please call (937) 225-4999.
Recycling & Special Collections Services

Montgomery County Environmental Services provides numerous services to assist citizens with the proper disposal of various household items including appliances, electronics, hazardous waste, and more.

Our Vision: To improve the quality of life through our environmental services
Household Hazardous Waste Disposal

Free and safe household hazardous waste disposal is available during weekly collection times for Montgomery County residents only (proof of residency is required). Please note: We cannot accept material from commercial customers or businesses.

Collection Location and Times:
Tuesdays, 8:00 am - 2:00 pm
Saturdays, 8:00 am - 2:00 pm
Montgomery County Horine Transfer Facility
1001 Ecrete Lane, Morenci, Ohio

*No drop-off available Christmas Day or New Year’s Day.

Accepted Materials

<table>
<thead>
<tr>
<th>Batteries (vehicle &amp; portable)</th>
<th>Fertilizers</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fire extinguishers</td>
<td>Fluorescent lights</td>
</tr>
<tr>
<td>Gas/propane tanks</td>
<td>Heavy metals (silver, mercury)</td>
</tr>
<tr>
<td>Household cleaners</td>
<td>Mineral spirits</td>
</tr>
<tr>
<td>Paints (latex &amp; oil-based)</td>
<td>Pesticides/herbicides</td>
</tr>
<tr>
<td>Photographic chemicals</td>
<td>Pool chemicals</td>
</tr>
<tr>
<td>Thinners/strippers</td>
<td>Varnishes/stains</td>
</tr>
<tr>
<td>Vehicle fluids</td>
<td></td>
</tr>
</tbody>
</table>

Paint, other than latex based, is not hazardous waste. If you have small amounts of paint, leave the container open to dry and discard in your trash. You can add kitty litter or sawdust to speed drying time. Any empty containers that held paint, motor oil or blacktop sealer should be disposed of with your trash. Aerosol cans should be discharged completely and placed in either your recycling bin or trash bin. Check with your residential trash hauler about their disposal policies for specific items.

Unacceptable Materials

<table>
<thead>
<tr>
<th>Asbestos</th>
<th>Explosives (old ammunition, flares, etc.)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Non-residential waste</td>
<td>Items over 25 lbs. or 15 gallons</td>
</tr>
<tr>
<td>Radioactive material</td>
<td>Pharmaceuticals / Medical Waste</td>
</tr>
</tbody>
</table>

Safe Hazardous Waste Transportation Guidelines

- Keep material in the original container. If a substance is unknown, label the container unknown.
- Do not mix different materials in the same container.
- Make sure each container is properly sealed, labeled, and secured for transport.
- Keep flammables away from corrosives.
- Place materials in the trunk of automobiles to avoid possible odors or spills in the passenger area. Do not transport the waste material in the trunk with groceries.
- Once the waste material is loaded, come directly to the collection site.
Recycling stations are available to Montgomery County residents at the Montgomery County Solid Waste Transfer Station, located at 1001 Encrete Lane in Moraine, Ohio.

Please sort the items below for placement in the proper containers. If items are bundled or in bags, please remove ties and/or dump from bags into the appropriate containers.

<table>
<thead>
<tr>
<th>Commingled Recyclables</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Acceptable</strong> - Clear, brown, green and blue glass food and beverage containers and jars</td>
</tr>
<tr>
<td><strong>Unacceptable</strong> - Window glass, mirrors, light bulbs, drinking glasses or cookware</td>
</tr>
<tr>
<td><strong>Acceptable</strong> - Aluminum beverage cans, steel soup/food cans, empty aerosol cans</td>
</tr>
<tr>
<td><strong>Unacceptable</strong> - Pots/pans, coat hangers, scrap steel, window frames, paint cans</td>

Report Environmental Crime Activity Online or Call 225-HELP (4357)

This web page is to report the description and license plate number of any vehicle observed committing an environmental crime. If you wish to report an existing dump site, please contact Public Health - Dayton & Montgomery County at 937-225-4460.

If you see someone committing an environmental crime, please let us know. All you need to do is write down a few things about the incident. You will need:

- Date
- Time
- Location
- License Plate Number
- Make of Vehicle

Please be specific about the location (at the corner of Main St. and Oak St. or northbound on Main St. by Oak St.)

After you’ve collected the appropriate information, you can submit it via the form below. Please be as accurate and honest when submitting information about the incident you observed.

File a Report:

Date: 

Time: 

Location: 

License Plate: 

Make of Car: 

What Activity Did You Observe? (e.g. hauling more than 10 tires or dumping tires)

Did the vehicle have any company listed on it or distinguishing features?
