Description

**DAY NORTHWEST DEVELOPMENT AREA WATER
AND SANITARY SEWER IMPROVEMENTS
10.03% MBE PARTICIPATION, 10% MBE GOAL**

The Department of Aviation requests permission to enter into a contract with CG Construction and Utilities, Inc. (CG Construction). Under this contract, CG Construction will install approximately 8,000 lf of 16" diameter water main and approximately 3,800 lf of 6" diameter sanitary sewer main. The project will include one new sanitary sewer lift station and related appurtenances.

Five (5) bids were received for this project, one unresponsive. It is recommended that the project be awarded to the lowest bidder CG Construction. The total contract amount is \$1,829,485.00, including a base bid of \$1,155,000.00, Add Alternate #1, the contingency of \$150,000.00, Add Alternate 2 for the amount of \$7,000.00, and Add Alternate 3 for the amount of \$6,500.00, Add Alternate 4 for the amount of \$417,000.00, Add Alternate 6 for the amount of \$7,000.00, Add Alternate 7 for the amount of \$43,533.75, Add Alternate 8 for the amount of \$14,560.00 and Add Alternate 9 for the amount of \$28,891.25. The total time of completion is 160 days. The contract will be awarded at execution and is not expected to be closed until July 31, 2019.

The project is being funded with \$1,666,643.75 in Aviation Capital; and a contribution from the Department of Water in the amount of \$162,841.25, which will be recovered by Aviation through interdepartmental billing, resulting in a project total of \$1,829,485.00. A Certificate of Funds, Tabulation of Bids, HRC Recommendation letter and the proposal from the firm recommended for award are attached.
