Ten (10) days or less may be used in lieu of time off for suspension for disciplinary purposes.

Section 7. Non-Prescheduled Vacation

An employee requesting non-prescheduled vacation must submit his/her written request to supervision at least one (1) workday prior to commencement of such leave. ARTICLE 10 SICK LEAVE

Section 1. Accrual

All employees shall accrue sick leave hourly credits at the rate of ten (10) credit hours per completed month of service; and any sick leave accrued, but not used or converted as hereinafter provided in any year, shall be cumulative in succeeding years to a maximum of one thousand one hundred twenty (1,120) hourly credits.

Employees who are granted their leave of absence with pay shall continue to accrue sick leave hourly credits at the regular prescribed rate during such absence. Sick leave hourly credits will not accrue during periods of suspension or other types of leave without pay.

A former employee who has been separated from City service because of a non-occupational illness or injury may be reinstated at the same rate of pay received immediately prior to the date of such illness or injury, upon approval of his/her application to return to work, if able to perform the available work, pursuant to Civil Service rules. Any increments in wages or other benefits shall be recognized for returning employees under this article.

Section 4. Employee's Responsibility

Before the starting time of his/her shift, an employee going on sick leave or emergency personal leave shall inform his/her immediate supervisor of that fact, except in the case of provable inability to make a phone call, and provided further that the call shall be made as soon as possible thereafter.

Section 5. Fraction of a Day

Absence for a fraction of a day that is chargeable to sick leave in accordance with these provisions shall be charged proportionately in amounts of not less than one (1) hour increments.

Section 6. Medical Certification

- A. Sick leave for any length of time may require a medical certification of illness or injury as may be requested by the Department and/or Division Manager or their designee, and/or the HR Director. Medical certification must be presented whenever sick leave is requested for more than three (3) consecutive work days.
- B. If a vacation or personal leave has been previously denied due to scheduling constraints and the employee calls in sick for that day, a medical certification is required to be presented by the employee to Management in order to be on paid sick leave.
- C. Employees returning from a service connected illness or injury, or a non-service connected injury, and who have utilized sick and/or other authorized leave, will be required to submit a medical certification of their ability to return to restricted or full duty.
- D. If any employee is removed from their work location by emergency rescue personnel, and/or leaves work to seek emergency medical attention at an urgent care facility and/or an emergency room, said employee may not return to work without a medical certification form and/or medical release to duty form

from the emergency room or urgent care facility returning the employee to restricted or full duty.

- E.** The employee will use City form S-69 except for members going to the V.A. Center in which case the City will accept the certificate from the V.A. Center.

Section 7. Reinstatement Credit

An employee who is laid off will, upon reinstatement to service, have any unused sick leave existing at the time of his/her layoff placed to his/her credit.

Section 8. Conversion of Sick Leave Credits

In any one (1) year, sick leave hourly credits may be converted to not more than forty (40) vacation hourly credits or cash, except where accumulation above one thousand (1,000) sick leave hourly credits forces conversion of credits in excess of one thousand (1,000) sick leave hourly credits to avoid the loss of those excessive hourly credits. Conversion shall be administered as follows:

- A. An employee who has more than two hundred forty (240) sick leave hourly credits may convert up to seventy-two (72) hours of those credits to vacation hourly credits on the basis of three (3) sick leave hourly credits for one (1) vacation hourly credit, provided a balance of two hundred forty (240) sick leave hourly credits remain.
- B. If an employee has five hundred twenty-eight (528) or more sick leave hourly credits, he/she may convert up to one hundred twenty (120) hourly credits to vacation hourly credits on the basis of three (3) sick leave credits for one (1) vacation hourly credit, provided a balance of four hundred eight (408) sick leave hourly credits remain. Scheduling of such conversion days off shall be subject to scheduling of the Division Manager and the efficient operation of the department.
- C. If an employee has in excess of seven hundred twenty (720) sick leave hourly credits, he/she may convert up to eighty (80) sick leave hourly credits to vacation hourly credits on the basis of two (2) sick leave hourly credits for one (1) vacation hourly credit, provided a balance of seven hundred twenty (720) sick leave hourly credits remain. Scheduling of such days off shall be subject to the scheduling of the Division Manager and the efficient operation of the department.
- D. Those employees having in excess of one thousand (1,000) sick leave hourly credits must convert those credits in excess of one thousand (1,000) hourly credits at a rate of two (2) hours of sick leave to one (1) hour of vacation leave or lose such credits, provided a balance of one thousand (1,000) sick leave hourly credits remain. In no case will more than one thousand (1,000) sick leave hourly credits, after conversion, be recognized. Scheduling of such conversion days off shall be subject to the Division Manager and the efficient operation of the department. In no instance shall any employee be credited with more than one thousand one hundred twenty (1,120) sick leave hourly credits.

- E. Conversions shall be made based upon the number of sick leave hourly credits earned as of January 1 of each year.
- F. Conversions shall be made during the first two (2) weeks of January of each year in order to facilitate vacation scheduling. An employee may convert at some other time during the year with the approval of his/her Division Manager.
- G. Reconversions may be accomplished by memorandum placed in the employee's personnel file. Reconversions may not exceed the original sick leave to vacation conversion in any given year.
- H. Retirement means an employee is eligible by age, disability and/or service requirements of the Public Employees Retirement System to receive a pension benefit at time of separation from City employment. At retirement, an employee who has from two hundred forty (240) to one thousand one hundred twenty (1,120) sick leave hourly credits may convert them to regular pay. The conversion shall be at the rate of two (2) sick leave hourly credits for one (1) hour of regular pay.
- I. If an employee who would otherwise be eligible for retirement benefits dies while still employed, then the benefits under Paragraph H will be paid to the deceased employee's estate.
- J. Sick leave may also be converted to cash per the following incentive plan:
 - 1. The review period for each incentive will be from January 1 through December 31 of each calendar year.
 - 2. During this annual period, an employee will be allowed to use up to forty (40) hours of sick leave and still participate in the sick leave incentive plan.
 - 3. The forty (40) hours is a hard cap and cannot be extended due to FMLA designated leave.
 - 4. If an employee qualifies for the sick leave incentive, the employee will be allowed to receive cash at their current hourly rate of pay, in lieu of the normal sick leave to vacation conversion in January of each year.
 - 5. The cash incentive shall be administrated as follows:
 - a) An employee who has more than two hundred forty (240) sick leave hourly credits may convert up to one hundred twenty (120) of those credits to cash on the basis of three (3) sick leave hourly credits for one (1) hour of regular pay.
 - b) If an employee has in excess of seven hundred twenty (720) sick leave hourly credits, he/she may convert up to eighty (80) sick leave hourly credits to cash on the basis of two (2) sick leave hourly credits for one (1) hour of regular pay.

Benefit Level

The amount of injury leave available to an employee for each injury leave usage is determined by what step an employee is in at the time of the injury leave usage. An injury leave usage is a separate absence of injury leave.

New Employees

New bargaining unit employees are placed in step three (3) at the completion of their initial probationary period. Employees entering the bargaining unit from another City position in which they were covered by an injury leave step plan will enter the Building Trades plan at their existing step level.

Step Progression

After one year in a step with no injury leave usage during that year, an employee is entitled to move to the next higher step. An employee progresses through the steps in this manner until attaining step 5.

Step Regression

- B. Recommendations in reference to the extent of leave authorized shall be based upon the advice of the City Physician and/or other competent medical authority.

- C. If, during a ninety (90) calendar day period from the date of return to work from the initial injury leave absence, an employee suffers a relapse of an injury or requires follow-up medical treatment for the initial injury, such absences shall be considered part of the initial injury leave absence for determination of injury leave pay.

Section 2. Workers' Compensation

At the expiration of the injury leave granted, if the employee is still unable to return to work, the employee may avail him/herself of the accumulated sick leave provisions. If the employee is still unable to return to work, payment of normal wages will be stopped and the Industrial Commission will be requested to begin weekly payment under the provisions of the Worker's Compensation Act.

Restricted duty is any job, work assignment or duty that an employee, limited from his/her regular assignment is qualified for and physically and mentally capable of performing. Restricted duty assignments are made solely at the discretion of Management.

An employee's work restriction will be based on the advice of the attending physician and/or City doctor. While on restricted duty, an employee will earn his/her regular hourly rate of pay.

Upon review by Management, an employee's alternative placement may be extended for an additional thirty (30) days.

Placement of employees made pursuant to the provisions of this Article shall supersede any other transfer rights under this Agreement for the duration of the restricted duty.

If Management believes that the pharmacy "carve-out" represents a savings to the City's insurance plan in 2019, then the City will solicit bids from pharmacy benefit managers (PBM) in the marketplace for the City's business in 2020. The City will then present the PBM bids to the City's joint health insurance committee for a recommendation of which PBM to select. The City agrees to follow the recommendation of the joint health care insurance committee on which PBM to select; if, the selection of a PBM and the pharmacy benefit "carve-out" saves the City's health insurance plan monies in the 2020 healthcare plan year.

ARTICLE 18 DISCIPLINE AND DISMISSAL PROCEDURE

- A. Disciplinary action shall be only for just cause, however, when Management takes any disciplinary action resulting from Charges against an employee, said action will be initiated no later than thirty-five (35) calendar days following knowledge by the supervisor of the events upon which the disciplinary action is based. This time limit may be waived by mutual agreement of Management and the Council.
- B. When Management suspends, reduces in rank or dismisses an employee, such employee may be conditionally suspended pending hearing thereon.

Prior to any suspension, reduction or dismissal, Management shall deliver or mail a copy of the Charges and Specifications to the Council's Executive Secretary and the Union President, provided that the Union President is employed by the City of Dayton. The hearing on said Charges and Specifications will be held no sooner than five (5) calendar days from the date of receipt by either Union official. Should the Union fail to receive a copy of the Charges and Specifications as prescribed herein, the hearing shall be rescheduled by Management. The Charges and Specifications shall state the alleged violations and set the time and place for a hearing before the Department Director or his/her designated representative.

- C. Disciplinary action involving any suspension, a reduction in rank or dismissal by the Department Director, approved by the City Manager, may be appealed by the employee, either independently or through the Council, either to the Civil Service Board in accordance with the City Charter and Civil Service Rules and Regulations, or through the grievance and arbitration procedure set forth in this Agreement, to be introduced at Step 3 where the Division Manager served as the hearing officer, or at Step 4 where the Department Director served as the hearing officer.

In no case shall the employee be permitted to appeal any grievance through both the Civil Service Board and the grievance and arbitration procedure.

- D. When any disciplinary action listed above is taken, the employee shall have ten (10) calendar days from the effective date of the suspension, reduction or dismissal in which to elect his/her appeal procedure, and such election must be made in writing to the Civil Service Board. If the election is for the grievance and arbitration procedure, it shall include a written waiver of his/her right to appeal to Civil Service and to the courts. If no election is filed, the matter will be considered resolved.
- E. In the event the employee submits both a grievance and arbitration procedure election and an appeal to Civil Service, the employee shall be automatically deemed to have elected an appeal to Civil Service only.
- F. At any time Management conducts a disciplinary meeting with an employee for the purpose of determining whether or not the employee has committed an infraction which could result in disciplinary action of record (reprimand, suspension, or dismissal), the employee will be entitled to have a Steward present. The right to Steward representation is contingent upon the employee's requesting such representation and is limited to those situations in which the employee reasonably believes the investigation may result in disciplinary action. An employee who requests representation pursuant to this section may require the supervisor to verify in writing that said request was denied or a Steward is not necessary. A copy of the written verification shall be given to the employee immediately after signing by the supervisor or as soon as possible thereafter.
- G. After two (2) years from date of issue, any and all reprimands shall be removed from the employee's personnel file at his/her written request and shall not be considered in subsequent determinations of discipline. Management shall send to the Union President, a copy of each reprimand

In the event that discipline is rendered against an employee and results in a suspension of ten (10) or less days, the employee shall have the option of forfeiting up to eighty (80) hours of vacation in a twelve (12) month period. If the employee chooses to forfeit vacation, the forfeiture shall be one hour of vacation for each one hour of the suspension. The forfeiture of vacation will constitute discipline of record, shall be accordingly noted in the employee's personnel file, and shall constitute the final resolution of the department charges. No loss of seniority shall occur should the employee choose this option.

ARTICLE 19 GRIEVANCE AND ARBITRATION PROCEDURE

A "grievance" is defined as any complaint that Management is in non-compliance with a specific provision of this Agreement; provided, however:

If specific administrative agency relief of a judicial nature is provided for by the statutes of the State of Ohio or the United States for review or redress of a specific matter (such as Worker's Compensation, Unemployment Compensation, Board of Review, E.E.O.C., Civil Rights Commission), such matter may not be made the subject of a grievance and may not be processed as such.

If a grievance arises between an employee and Management and/or the Council and Management with respect to the interpretation, application, or enforcement of the provisions of this Agreement, such grievances shall be handled as follows: The employee shall first discuss his/her grievance with his/her first line supervisor, with the Steward present, and attempt to resolve the dispute.

Step 1. First Line Management and/or Superintendent

In the event the dispute is not resolved in accordance with the above paragraph, the aggrieved employee shall deliver his/her written grievance to his/her immediate supervisor outside the bargaining unit within ten (10) calendar days after the employee has knowledge of, or should have had knowledge of the incident upon which the alleged grievance is based. The supervisor and/or Division Manager will answer the grievance in writing within ten (10) workdays after receipt. If the employee is not satisfied with the written answer of the supervisor and/or Division Manager, he/she may refer the grievance to the Second Step of the grievance procedure. If the employee does not refer his/her grievance

to the Second Step of the grievance procedure within ten (10) workdays after receipt of the decision rendered in this step, it shall be considered to be satisfactorily resolved.

The grievance as prepared in Step 1 shall be prepared in five (5) copies by the grievant and given to the supervisor under Step 1. The supervisor shall make distribution of said copies as follows: Retain one (1) and deliver:

- One (1) copy to the Manager of the Division
- One (1) copy to the Director of the Department
- One (1) copy to HR
- The fifth (5th) copy shall be retained by the employee

If, through inadvertence, a copy is not distributed pursuant to the above, it shall not prejudice the grievance.

Step 2. Department Director

The grievance, along with all correspondence, shall be submitted to the Department Director. The Department Director or his/her representative shall investigate the grievance and schedule a grievance meeting within ten (10) days. Management and the Council may each have no more than four (4) representatives at the grievance meeting. Both the Council and Management have the right to call such witnesses as are necessary to the investigation of the grievance. The Department Director shall reply to the Council and the grievant in writing within seven (7) workdays after completion of the grievance meeting.

If the answer of the Department Director is not satisfactory to the Council the grievance may be appealed to the Third Step within ten (10) workdays of receipt of reply from the Department Director. If the written notice of intent to invoke the Third Step of the grievance procedure is not received by the HR Director within ten (10) workdays after receipt of the Department Director's answer, it shall be considered to be satisfactorily resolved.

Step 3. Director of Human Resources

The HR Director or his/her representative shall investigate the grievance and, if necessary, schedule a grievance meeting within ten (10) workdays after receipt of the grievance by the HR Director. Management and the Council may not have more than four (4) representatives at the grievance meeting.

Both the Council and Management have the right to call such witnesses as are necessary in the investigation of the grievance. The HR Director or his/her designee shall reply to the Council and the grievant in writing within seven (7) workdays after completion of the grievance meeting or receipt of the grievance, whichever is later. If the answer of the HR Director is not satisfactory to the Council, the grievance may be appealed to the arbitration procedure (Step 4). If the written notice of intent to file under the arbitration procedure is not received by the HR Director within ten (10) days after receipt of his/her reply to the grievance, it shall be considered to be satisfactorily resolved.

Step 4. Arbitration Procedure

- A. Within ten (10) workdays after receipt of the written notice of intent to file under the arbitration procedure, the HR Director or his/her authorized representative and not more than two (2) other representatives of Management and the Business Agent or his/her authorized representative and not more than two (2) other representatives of the Council shall meet for the purpose of attempting to resolve the dispute and/or selecting an impartial arbitrator. If no agreement is reached at this meeting, a joint letter requesting the American Arbitration Association to submit the names of five (5) arbitrators will be signed and mailed. Upon receipt of such names, the Council and Management shall alternately cross off one (1) name until one (1) name remains, that person being selected as the arbitrator. A date for arbitration shall be set as soon as possible in accordance with the wishes of Management, the Council, and the availability of the arbitrator.
- B. All decisions of the arbitrator shall be final and binding upon all parties participating. Both Management and the Council shall share equally the expenses and fees of the arbitrator and other expenses incident to the arbitration hearing.
- C. The arbitrator shall have no power to add to or subtract from the expressed provisions of this Agreement. The arbitrator shall decide the issues presented on the basis of the reliable, substantial and preponderance of evidence in the record of the proceedings and the expressed terms of this Agreement.
- D. It is understood that the time limits imposed in this article may be extended at any step by mutual consent. Likewise, any step in the grievance procedure may be eliminated by mutual consent. It is further understood that the word "day" as used in the grievance procedure is defined to mean, "workday" unless otherwise specified. The date and time stamp in HR will serve as the official record for determining the timeliness of grievances and responses thereto through the receipt of the grievance at the Third Step. The postmark shall determine the timeliness of Management's Third Step reply.
- E. Management or the Council based on the facts presented, has the sole right to decide whether to arbitrate or appeal any grievance.
- F. Neither party will be permitted to assert in any arbitration proceeding any ground or to reply on any evidence not previously fully disclosed to the other party.
- G. The arbitrator shall neither add to nor detract from nor modify the language of this Agreement in arriving at a determination of any issue presented that is proper for arbitration within the limitations expressed herein. The arbitrator shall have no authority to change wage rates or salary schedules attached hereto. The arbitrator shall expressly confine himself/herself to the precise issues submitted for arbitration and shall have no authority to determine any other issue not so submitted, or to make observations or declarations of opinion which are not directly essential in reaching the determination.

ARTICLE 24 NO STRIKE OR LOCKOUT

It is understood and agreed that the services performed by City employees included in this Agreement are essential to the public health, safety and welfare.

The Council, therefore, agrees that there shall be no interruption to work for any cause whatsoever, nor shall there be any work slowdown or other interference with these services. Management agrees that it will not lockout or prevent employees from performing their regularly assigned duties. Should there be an unauthorized strike, the Council will make every effort to require the members to return to work.

ARTICLE 25 SAVINGS CLAUSE

This Agreement is subject to all State Laws, Civil Service Rules and Regulations, Municipal Charter Provisions, City Commission Ordinances and Resolutions; provided that should any change be made in any State Law, Civil Service Rules and Regulations, Municipal Charter provisions, or City Commission Ordinances and Resolutions which would be applicable and contrary to any provisions contained herein, such provisions herein contained shall be automatically terminated.

Should any article, section, or portion thereof of this Agreement be held unlawful and unenforceable by any court, legislative or administrative tribunal of competent jurisdiction, then such decision or legislation shall refer to the specific article, section, or portion thereof directly specified. The parties will meet and discuss the abrogated provision for further negotiations. The remainder of this Agreement shall remain in full force and effect.

ARTICLE 26 FITNESS FOR DUTY

Section 1. Drug and Alcohol Testing

For the term of this Agreement, drug and alcohol testing will be administered in accordance with Personnel Policies and Procedures 2.12 and 2.13.

Section 2. Discipline and Due Process

Confirmed positive tests are for administrative purposes only and are not to be used against the employee during any phase of criminal proceeding. Any employee whose drug test result is confirmed as positive and who then is charged administratively by Management, will receive due process and be afforded representation as prescribed in the Discipline and Dismissal Procedure, Article 18. Any attempt on the part of Management to influence any approved drug testing facility or employees of those facilities in an effort to circumvent the provisions of this section, shall be considered a breach of this Agreement and shall allow the Council to initiate a step 4 grievance within thirty (30) days following the date the employee or the Council first became aware of such conduct.

ARTICLE 27 SAFETY

Management shall provide employees with all Personal Protection Equipment ("PPE") in accordance with the requirements of the state and federal law. All employees shall be provided training on the proper use of all required PPE. Employees covered herein who are provided PPE must wear said PPE while on duty.

Management shall comply with and provide employees training on confined space standards in accordance with the state and federal law.

The City will provide a voucher in the amount of one hundred twenty-nine (\$129.00) dollars for the purchase of one (1) pair of safety shoes/boots per year or longer as needed for replacement, whichever comes later, for all employees covered herein that are required to wear safety shoes/boots.

ARTICLE 28 DURATION OF AGREEMENT

Section 1. Effective Dates

This Agreement shall be effective as of November 1, 2017, and shall remain in effect through October 31, 2020 and shall continue thereafter for successive

periods of twelve (12) months, unless either party to this Agreement on or before sixty (60) days prior to the expiration of said Agreement, notifies the other party, in writing of its intention to amend and/or terminate this Agreement. Within ten (10) days after receipt of such notice, a conference shall be arranged between the parties hereto, and such conference shall be held at a time mutually agreeable to the other parties.

Section 2. Waiver

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to wages, hours, fringe benefits and working conditions, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Therefore, Management and the Council, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.
