Establishing a Dayton Local Business and MBE, WBE or SBE Bidder Preferences for Goods and Services

Section 1. Definitions

- (a) **“Dayton Local Business”** hereafter called City Bidder, is a business as defined in Section 35.35 of the Revised Code of General Ordinances (R.C.G.O.) who is a business located within the corporate limits of the City that has filed or paid a payroll or earnings tax in the most recent calendar quarter and is a taxpayer in good standing with the City of Dayton.
- (b) **“Minority Business Enterprise (MBE)” or “Women Business Enterprise (WBE)” or “Small Business Enterprise (SBE)”** as certified through the City’s Human Relations Council and as defined by 35.35 of the R.C.G.O.
- (c) **“Goods”** All things, including specially manufactured goods, which are movable at the time of identification to the contract for sale, other than the money in which the price is to be paid, investment securities and things in action, and excluding land or a permanent interest in land
- (d) **“Services”** Those services within the scope of the practices included within professional services and general services.

Section 2. Intent

The intent is to expand the City’s ability to provide a revenue neutral program, while allowing flexibility in the award process to include and prefer those companies qualified for the preference. In order to receive the preference, the business must be within the stated percentage and willing to reduce their bid.

Preferences will be given in the following order:

Step 1) 10% preference for a business that is local AND certified,

Step 2) If no business meets the above criteria, THEN a 5% preference for a non-certified local business may be granted,

Step 3) If no business meets either of the above criteria, THEN a 5% preference for a non-local certified business may be given.

Section 3. Applying Local & Certified Preference Example

Bid Responses:

Bidder A: Not a certified and not a Dayton local business bids: \$100

Bidder B: Certified (MBE, WBE, or SBE) and Dayton Local Business bids: \$110

Bidder C: Not certified but is a Dayton Local HUB Zone Business bids: \$105

Bidder D: Not certified, but is a Dayton Local Business (non HUB) bids: \$105

Bidder E: Certified, but is not a Dayton Local Business bids: \$104

In step one, Purchasing would first contact Bidder B a Dayton Local & Certified Business (since they are within 10% of the low bid), to determine if they would be willing to match the price of the low bid. If “Yes”, then Bidder B is awarded the contract at \$100, if “No”, Purchasing would move onto the next criterion.

In step two, we have a tie between two Dayton local businesses (Bidder C and Bidder D), who are both within 5% of the low bid. The tie would be broken in favor of the Dayton Local business that is a qualified Dayton HUB Zone business. Purchasing would contact Bidder C to determine if they would be willing to match the price of the low bid. If “Yes”, then Bidder C is awarded the contract at \$100, if “No”, Purchasing would move onto the other Dayton Local business, Bidder D. Again Purchasing would contact Bidder D to determine if they would be willing to match the price of the low bid. If “Yes”, then Bidder D is awarded the contract at \$100, if “No”, Purchasing would move onto the next Criterion.

For step three, we have Bidder E who is certified through the City of Dayton as an MBE, WBE or SBE and within 5% of the low bidder, but is not a Dayton Local Business. Purchasing would contact Bidder E to determine if they would be willing to match the price of the low bid. If “Yes”, then Bidder E is awarded the contract at \$100, if “No”, Purchasing would have exhausted all possible preferences and would award to Bidder A the low bid of \$100.

Section 4. Ties

When ranking qualifying businesses, In the event of a tie between two (2) or more Dayton Local Business bidders that are certified MBE, WBE or SBEs, ties will be broken through a lottery method until the winner remains. In the event the event of a tie between two Dayton Local Businesses, the tie shall be broken in favor of a Dayton Local Business that is also SBA HUBZone Certified. In the event of a tie between two (2) or more certified MBE, WBE or SBE bidders, ties will be broken through a lottery method until the winner remains.

Section 5. City Manager Authorization

The City Manager or designee may promulgate rules and regulations to implement this ordinance provided they are not inconsistent with the expressed provisions of this ordinance.

Section 6. Severability

This ordinance may be subject to the application of the laws of the State of Ohio or the United States of America, which may preempt all, or a portion of this ordinance.

Section 7. Expiration

Pending City Commission approval this ordinance shall expire September 29, 2020.
