August 26, 2020

TO: Bidders on I.F.B. No. S20023
FROM: City of Dayton, Ohio
Division of Purchasing
SUBJECT: Addendum No. 1 to above IFB

The City of Dayton has received a question relating to our Invitation for Bid (“I.F.B.”) No. S20023.

The following are questions with answers for this I.F.B. Please consider this document in preparation of your bid response. In the answers of these questions the City of Dayton shall be noted as “City”.

To ensure the integrity of the bid process, a signed copy of this addendum notice should be included with any bid offered to the City of Dayton as a result of IFB No. S20023.

Jason Schortgen
At this time, the City, Division of Procurement will not be accepting any additional questions regarding this solicitation. All bids submitted on or before the opening date and time will be considered for acceptance.

**Question 1:** The email says bids will be received until 9/3, but p. 7 of the IFB says the bid opening is 8/28. Can you confirm the due date?

**Answer:** Due date is 9/3/2020 no later than 10:00 AM (Dayton Local Time).

**Question 2:** The IFB references an assessment multiple times. Could you provide a copy of the assessment, which presumably contains photos of the items requiring repair? This will help clarify the requirements.

**Answer:** See attachment.

**Question 3:** Item 3 indicates that the cable is to be replaced due to the gap between the swage and slip indicator. Under a prior contract, LJB noted the condition and provided services to evaluate the system strength, including physical testing of the swage. The results of the evaluation indicated that the system was adequate. We do not recommend replacement of the cable if that is the only reason. Would the city accept a system certification that did not include replacement of the cable?

**Answer:** Bid it as stated in the IFB. After award is made, that can be a conversation that the City has with the awarded vendor.
